Re: Recommendation for Award

Request for Price Quotation (RPQ) No. 20130219 (MCC 7360 Plan)
Safe Route to Schools Location, Phase 9, FM No. 431505-1

Dear Mr. Ruiz:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, May 28, 2014. The total RPQ amount is for one hundred sixty-five thousand seven hundred seventy-three dollars and zero cents (\$165,773.00). This includes a base contract amount of one hundred forty-three thousand four hundred thirty dollars and zero cents (\$143,430.00), a contingency amount of fourteen thousand three hundred forty-three dollars and zero cents (\$14,343.00), and dedicated allowances totaling eight thousand dollars and zero cents (\$8,000.00). The contract duration is established as **272-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7360 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).

The preceding documents are required as outlined within the Contract MCC 7360 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s).

This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. Lack of equipment, personnel or additional contracts with similar completion schedules, will not be reason for delay.

Further, it shall be understood that since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the Citizens' Independent Transportation Trust (CITT) and the County Commission have approved the award of the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto).
