### **QUESTIONS:**

**Q1.** The technical certification website link provided in the aforementioned project package is not valid. Please provide us with the proper link so that we can verify that our company and other design-build team members are properly registered with the County.

**R1.** Technical certification status can be checked via the following link:  
<http://www.miamidade.gov/internalservices/technical-certification.asp>

**Q2.** I am working on the Request for Design-Build Services for this project but can't locate any forms other than the 1DB Local Preference Form. I need all of the other required forms. The link that is given on the RDBS is [http://www.miamidade.gov/isd/a\\_e\\_forms.asp](http://www.miamidade.gov/isd/a_e_forms.asp) but it is a dead link that only leads to an error page. I have tried searching the miamidade.gov website by both form name and the project number but have found nothing. Please advise how we are to get the required forms.

**R2.** The required forms can be accessed via the following link:  
<http://www.miamidade.gov/internalservices/architectural-engineering-forms.asp>

- Q3.** I would like to request a copy of the Pre-Submittal Project Briefing sign in sheet.
- R3.** The Step 1 Pre-Submittal Project Briefing Sign-In Sheet is available at the following link:  
<http://www.miamidade.gov/internalservices/project-briefing.asp>
- Q4.** Within the NTPC for the subject ISD project above, under Section 1.5 the first sentence says that the WHO forms are not required to be submitted with the proposal. The second sentence says that the WHO forms are required to be submitted before Step 1, which is the proposal submittal. Our firm has been submitting MUR forms (which contains the same information as the WHO forms) as part of the monthly billing package for our current Miami-Dade County contract. Are we still required to submit the WHO form listed below prior to Step 1?
- R4.** Pursuant to Section 1.5, Work History Disclosure, “Work History Disclosure (WHD) and Supplement forms are not required to be submitted with the proposal. Any firm proposing on this solicitation who has not previously submitted a WHD is required to submit WHD forms prior to the Step 1 submittal date to Ms. Traci Adams-Parrish, Internal Services Department (ISD), 111 N.W. 1st Street, 19th Floor, Miami, FL 33128, telephone number (305) 375-4785. New firms requesting pre-qualification certification with Miami-Dade County to provide engineering, architectural, landscape architectural, land surveying and, mapping services are required to submit WHD forms to ISD.”
- Q5.** I would like to request for the Plan Holders List/Bidders List.
- R5.** A Plan Holders List/Bidders List in not available at this time.
- Q6.** Section 2.4, Step 1 Schedule: Can the Step 1 Submittal Deadline be changed to June 6, 2014?
- R6.** Please refer to Modification No. 1 above.

**CLARIFICATION:**

1. All pending responses will be addressed via forthcoming Addendum No. 2.
