1.14 LOCAL PREFERENCE

The evaluation and ranking of proposals is subject to Sections 2-8.5 and 2-10.4 of the Miami-Dade County Code, which, except where Federal and State law mandates to the contrary, provides that a preference be given to local businesses. A local business, for the purposes of this section, shall be defined as a proposer which meets the following stipulations:

- a) A business that has a valid Miami-Dade County occupational license issued at least one year prior to bid or proposal submission, and which is appropriate for the goods, services or construction to be purchased;

- b) A business that has a physical Miami-Dade County business address, from which the vendor operates or performs business (Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address); and
- c) A business that contributes to the economic development and well-being of Miami-Dade County in a verifiable and measurable way. To satisfy this requirement, the proposer shall affirm in writing its compliance with either of the following objective criterion as of the proposal submission date stated in the solicitation:
 - 1. Retention or expansion of employment opportunities in Miami-Dade County; or
 - 2. Vendor contributes to the County's tax base by paying either real property taxes or tangible personal property taxes to Miami-Dade County; or
 - 3. Some other verifiable and measurable contribution to the economic development and well-being of Miami-Dade County.

Local preferences shall be applied to A/E professional services solicitations as follows:

The adjusted qualitative score of all CSC Ranked proposers will be determined by discarding the highest and lowest qualitative scores and tabulating the remaining qualitative scores. Qualitative scores are not adjusted for Second Tier evaluation.

If the CSC Ranked firms are either all Local or all Non-Local, if the CSC Ranked Local firms are all ranked higher than the Non-Local firms, or if the CSC Ranked Local firms' adjusted qualitative scores are all more than 5% lower than the CSC Ranked Non-Local firms then Local Preference is not applied by the County Mayor or County Mayor's designee. The CSC Rank becomes the Final Ranking of proposers.

If the adjusted qualitative score of a CSC Ranked Local firm is within 5% of the adjusted qualitative score of a higher CSC Ranked Non-Local firm, then Local Preference will be applied. The County Mayor or County Mayor's Designee shall re-rank the firms placing any Non-Local firm immediately below the lowest CSC Ranked Local firm whose adjusted qualitative score is higher than, or within 5% of the adjusted qualitative score of such Non-Local firm. In the event multiple Non-Local firms are re-ranked below the same Local Firm, such Non-Local firms shall be listed below the Local firm in order of their adjusted ordinal scores. Local firms shall also be listed in order of their adjusted ordinal rank. Once all Local Preference adjustments to the CSC Rank are made, the new rankings become the Final Ranking.

1.15 CONFIDENTIAL INFORMATION

The proposer shall not submit any information in response to this solicitation which he or she considers to be a trade secret or confidential. The submission of any information to the County in connection with this solicitation shall be deemed conclusively to be a waiver of any trade secret or other protection, which would otherwise be available to the proposer.

If a proposer submits information to the County in violation of this restriction, either inadvertently or intentionally, and clearly identifies that information in the proposal as protected or confidential, then the County shall endeavor to redact and return subject information to the proposer as quickly as possible, if appropriate. The County will then

evaluate the balance of the proposal. The redaction or return of information pursuant to this clause may render a proposal non-responsive.

The CSC will be comprised of appropriate County personnel from multiple departments and members of the community as deemed necessary, while also being balanced with regards to ethnicity and gender.

3.2 SELECTION PROCESS

In accordance with the guidelines established in I.O. 3-34 and A.O. 3-39, proposals will be evaluated based on a two tier selection process, when applicable. In the event that the County receives fewer than three proposals, or fewer than three proposals are determined to be responsive and responsible to perform the required services, the County may proceed with the number of proposal(s) received which are determined to be responsive and responsible, provided that the County has conducted an analysis of market availability for subject services and determined at its sole discretion that there is no further market availability or immediate interest to provide subject services. Furthermore, in the event that the County receives fewer than three proposals, the County at its sole discretion may extend the proposal submittal deadline date, denoted in Section 1.8, Schedule, provided that proposal(s) have not been opened. A summary of the evaluation process to be utilized in this solicitation is set forth below.

3.3 PROPOSAL EVALUATION

The CSC will evaluate responsive, responsible proposals, based on First and Second Tier criteria, in an effort to make a responsible recommendation to the County Mayor or County Mayor's designee as to which of the respondents should be granted the right to negotiate a contract for the solicited services. This recommendation is made with the objective of effecting an equitable distribution of contracts among qualified firms. Upon the County Mayor or County Mayor designee's approval, the County shall enter into negotiations with the recommended proposer(s).

First Tier evaluation will be performed based on the criteria listed below. A proposer may receive a maximum qualitative point value of 100, or any portion thereof, per CSC member in his or her discretion, depending on the merit of the proposal in accordance with the following criteria:

FIRST TIER EVALUATION CRITERIA

Criterion 1A: Qualifications of Firms Including the Team Members Assigned to the Project (1 point min. / 50 point max.)

Evaluation of the qualifications of the firm and individuals to be assigned to the project, quality and availability of the manager and staff of the firm to be assigned (if any). The qualifications shall also include, but not be limited to, familiarity with County regulations and experience level of professional and management staff.

Criterion 2A: Knowledge and Past Experience of Similar Type Projects (1 point min. / 20 point max.)

Evaluation of the respondent's understanding of the scope of work, which may include but not be limited to studies performed that may affect the specific project being evaluated for: key design elements, contract, approach to the project, understanding and awareness of the permitting requirements involved with the project and health and safety programs as applicable. Evaluation of respondent's past experience and knowledge on similar type projects.

*Criterion 3A: Past Performance for the Firms

Respondents shall submit a minimum of one (1) reference for work performed within a ten-year period or another period stated within the NTPC. For respondents with previous County work experience, ISD shall provide the CSC the available performance evaluation data for each firm. The firms may be provided a standard questionnaire to augment the County's data.

*Criterion 4A: Amount of Work Awarded and Paid by the County
(1 point min. / 5 point max.)*

The value for services awarded and paid to each prime consultant or sub consultant firm(s) on the team including current County contracts for a three-year period from the submittal date of the solicitation shall be considered, with the consultant with the least dollars paid receiving the highest point value. The firm's prior years net compensation and/or potential compensation for professional services rendered on County's projects shall also be considered. *Criterion 5A: Ability of the Team Members to Interface with the County

The Consultant Selection Committee (CSC) Chairperson records the qualitative points awarded by each CSC member for each of the five (5) criteria for each respondent firm. Chairperson records the total qualitative points for each firm.

Chairperson determines and records ordinal scores for each firm based on the qualitative points awarded to each firm by each CSC member.

The CSC Chairperson shall determine the adjusted ordinal score by discarding the highest and lowest ordinal scores for each firm and tabulating the remaining ordinal scores.

The firms shall be ranked by the CSC based on the adjusted ordinal score and such rank shall become the final rankings for recommendation by the CSC (CSC Rank).

Pursuant to Miami-Dade County Code 2-10.4 and I.O. 3-34, the adjusted qualitative score of all CSC Ranked proposers will be determined by discarding the highest and lowest total

qualitative scores and tabulating the remaining qualitative scores. The adjusted qualitative scores shall be used for any necessary tie-breaks or application of the LCVBE or Local Business Preference.

Upon conclusion of the First Tier evaluation process, the CSC may exercise one of the following options:

- a) The CSC may waive the Second Tier evaluation process, and recommend to the County Mayor or County Mayor's designee that a contract be negotiated with the highest ranked responsive and responsible proposer(s) based solely on the evaluation results of First Tier. Upon the County Mayor or County Mayor designee's approval, the County shall enter into negotiations with the recommended proposer(s).
- b) The CSC may short-list and require short-listed respondents to participate in a Second Tier. Short-listed respondents may be required to submit additional documentation which may include, but is not limited to, knowledge of project scope, qualifications of team members assigned to the project, and ability to provide required services within schedule and budget and /or to participate in oral presentations.

If the CSC decides by majority vote to waive Second Tier, the CSC recommendation shall be reflective of the ranking. Upon the County Mayor or County Mayor designee's approval, the County shall enter into negotiations with the recommended respondent(s).

If the CSC decides by majority vote to proceed to Second Tier, the CSC First Tier ranking shall be reflective of the application of LCVBE, Local Preference, and any tie-breakers as applicable.

If proceeding to Second Tier, ISD staff will notify short-listed respondents regarding the following as applicable:

- Oral presentation date, time, location and duration
- Additional information submittal due date, time and location. This information shall be submitted to the Clerk of the Board as indicated in Section 2.2 – Submittal Requirements.

A proposer participating in the Second Tier evaluation process may receive a maximum qualitative point value of 100, or any portion thereof, per CSC member in his or her discretion, depending on the merit of the proposal in accordance with the following criteria:

*Criterion 1B: Knowledge of Project Scope
(1 point min. / 50 point max.)*

The firms shall be ranked by the CSC based on the ordinal score and such rank shall become the final rankings for recommendation by the CSC (CSC Rank). The qualitative scores may be used for any necessary tie-breaks or application of the LCVBE or Local Business Preference.

Upon the County Mayor or County Mayor designee's approval, the County shall enter into negotiations with the recommended proposer(s).

3.4 NEGOTIATIONS:

The County reserves the right to enter into contract negotiations with the selected proposer(s). Memorandum

Date: April 4, 2014
To: Department Directors
From: Carlos A. Gimenez
Mayor
Subject: Contractor Due Diligence Affidavit

On January 22, 2014, the Board of County Commissioners (Board) adopted R-63-14, which directed the Administration to require certain affidavits as part of the due diligence conducted by the County with respect to the responsibility of potential vendors and contractors prior to contract award. This resolution is applicable as a condition of award for any contract that exceeds \$1 million, or that is otherwise subject to Board approval.

In accordance with R-63-14, the Procurement Management Division of the Internal Services Department developed the attached affidavit that requires contractors to attest to the following under oath:

- All of the lawsuits that have been filed against that entity, its directors, partners, principals, and/or board members, based on breach of contract by that entity in the five years prior to bid or proposal submittal, including the case name and number and the disposition of the case;
- Any instances in the five years prior to bid or proposal submittal where that entity has been defaulted and a brief description of the circumstances; and
- All of the instances in the five years prior to bid or proposal submission where that entity has been debarred or received a formal notice of non-compliance or non-performance, such as a notice to cure or a suspension from participating or bidding for contracts, whether related to Miami-Dade County or not.

In order to implement this resolution, the attached Contractor Due Diligence Affidavit must be included with all solicitation packages meeting the criteria discussed above. It is the responsibility of the vendor/contractor to return the fully executed Affidavit at the time of bid or proposal submittal. This affidavit will be used as an additional measure of due diligence prior to award of a contract.

Should you have any questions or concerns, please do not hesitate to contact ISD Assistant Director Miriam Singer at (305) 375-5893.
