In the event that a Proposer wishes

to take an exception to any of the terms of this Solicitation, the Proposer shall clearly indicate the exception in its proposal. No exception shall be taken where the Solicitation specifically states that exceptions may not be taken. Further, no exception shall be allowed that, in the County's sole discretion, constitutes a material deviation from the requirements of the Solicitation. Proposals taking such exceptions may, in the County's sole discretion, be deemed nonresponsive. The County reserves the right to request and evaluate additional information from any respondent regarding respondent's responsibility after the submission deadline as the County deems necessary.

In the event that the Proposer submits information to the County in violation of this restriction, either inadvertently or intentionally, and clearly identifies that information in the proposal as protected or confidential, the County may, in its sole discretion, either (a) communicate with the Proposer in writing in an effort to obtain the Proposer's written withdrawal of the confidentiality restriction or (b) endeavor to redact and return that information to the Proposer as quickly as possible, and if appropriate, evaluate the balance of the proposal. Under no circumstances shall the County request the withdrawal of the confidentiality restriction if such communication would in the County's sole discretion give to such Proposer a competitive advantage over other proposers. The redaction or return of information pursuant to this clause may render a proposal non-responsive.

Any Proposer who, at the time of proposal submission, is involved in an ongoing bankruptcy as a debtor, or in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the Proposer under federal bankruptcy law or any state insolvency law, may be found non-responsive. 2. oral communications at pre-proposal conferences, oral presentations before selection committees, contract negotiations during any duly noticed public meeting, public presentations made to the Board of County Commissioners during any duly noticed public meeting; or
3. communications in writing at any time with any county employees, official or member of the Board of County Commissioners unless specifically prohibited by the applicable RFP or RFQ documents.

When the Cone of Silence is in effect, all potential vendors, service providers, bidders, lobbyists and consultants shall file a copy of any written correspondence concerning the particular RFP or RFQ with the Clerk of the Board, which shall be made available to any person upon request. The County shall respond in writing (if County deems a response necessary) and file a copy with the Clerk of the Board, which shall be made available to any person upon request. 1.6 Lobbyist Contingency Fees

- a) In accordance with Section 2-11.1(s) of the Code of Miami-Dade County, after May, 16, 2003, no person may, in whole or in part, pay, give or agree to pay or give a contingency fee to another person. No person may, in whole or in part, receive or agree to receive a contingency fee.
- b) A contingency fee is a fee, bonus, commission or non-monetary benefit as compensation which is dependent on or in any way contingent upon the passage, defeat, or modification of: 1) any ordinance, resolution, action or decision of the County Commission; 2) any action, decision or recommendation of the County Mayor or any County board or committee; or 3) any action, decision or recommendation of any County personnel during the time period of the entire decision-making process regarding such action, decision or recommendation which foreseeably will be heard or reviewed by the County Commission or a County board or committee.

1.7 Collusion

In accordance with Section 2-8.1.1 of the Code of Miami-Dade County, where two (2) or more related parties, as defined herein, each submit a proposal for any contract, such proposals shall be presumed to be collusive. The foregoing presumption may be rebutted by the presentation of evidence as to the extent of ownership, control and management of such related parties in preparation and submittal of such proposals. Related parties shall mean Proposer or the principals thereof which have a direct or indirect ownership interest in another Proposer for the same contract or in which a parent company or the principals thereof of one Proposer have a direct or indirect ownership interest in another Proposer for the same contract. Proposals found to be collusive shall be rejected. Proposers who have been found to have engaged in collusion may be considered non-responsible, and may be suspended or debarred, and any contract resulting from collusive bidding may be terminated for default.

1.8 Expedited Purchasing Program

Pursuant to Ordinance 07-49, the County has created a pilot program for expedited purchasing, subject to terms and conditions as outlined in Section 2-8.1.6 of the Code of Miami-Dade County. The program shall be referred to as the Expedited Purchasing Program (EPP). Due to the expedited nature of County projects issued under the EPP, participating vendors should anticipate a shortened solicitation timeline for responding.

Technical, professional and legal staff may be used to determine best value as set forth in the solicitation documents without the need to utilize the formal Selection Committee process established by the County. The County Mayor's or designee's written recommendation to award a contract under the EPP shall be sufficient to commence the bid protest period and terminate the Cone of Silence. Any legislation contrary to the provisions of the EPP shall be deemed suspended or amended as necessary to give effect to the intent of this ordinance during its effective term.

2.0 SCORE OF SERVICES

2.1 Background

MDAPP, a program of the County's Department of Cultural Affairs, is one of the first public art programs in the Country, established in 1973. The program serves the community through the commissioning and acquisition of artworks dedicated to making public buildings great, enriching the public environment and developing and promoting the artistic and civic pride of Miami-Dade County. MDAPP promotes collaboration and creative art projects that improve the visual quality of public spaces. The selected Proposer shall submit the results of each appraisal to the County in one (1) hard copy and one (1) digital copy in a format approved by the County. For each work of art, the selected Proposer shall provide, at a minimum, the following four components for each Appraisal:

1. A Certificate of Appraisal (signed by Appraiser).

A detailed list of all works of art in the collection, to include respective location and pertinent information, can be found in Exhibit A (Miami-Dade Art in Public Places Collection). A reasonable extension of an Appraisal timeline, at no additional cost to the County, may be granted by the Director of CUA, in the event there is a delay on the part of the County, or should conditions beyond the Contractor's control or Acts of God render performance of its duties impossible. Where such conditions arise, the selected Proposer shall notify the Director in writing with an explanation describing the circumstances that prevents the selected Proposer from completing the services. In such event, the parties hereto understand and agree that the Director shall be the sole judge of what constitutes beyond the selected Proposer's control. (See **Form A-2** regarding registering speakers in the proposal for oral presentations) Upon completion of the oral presentation(s), the Review Team will re-evaluate, re-rate and re-rank the proposals remaining in consideration based upon the written documents combined with the oral presentation.

4.4 Selection Factor

This Solicitation includes a selection factor for Miami-Dade County Certified Small Business Enterprises (SBE's) as follows. A SBE/Micro Business Enterprise is entitled to receive an additional ten percent (10%) of the total technical evaluation points on the technical portion of such Proposer's proposal. An SBE/Micro Business Enterprise must be certified by Small Business Development for the type of goods and/or services the Proposer provides in accordance with the applicable Commodity Code(s) for this Solicitation. For certification information contact Small Business Development at (305) 375-2378 or access <http://new.miamidade.gov/business/business-development.asp>. The SBE/Micro Business Enterprise must be certified by proposal submission deadline, at contract award, and for the duration of the contract to remain eligible for the preference. Firms that graduate from the SBE program during the contract may remain on the contract.

4.5 Local Certified Service-Disabled Veteran's Business Enterprise Preference

This Solicitation includes a preference for Miami-Dade County Local Certified Service-Disabled Veteran Business Enterprises in accordance with Section 2-8.5.1 of the Code of Miami-Dade County. A VBE is entitled to receive an additional five percent (5%) of the total technical evaluation points on the technical portion of such Proposer's proposal. If a Miami-Dade County Certified Small Business Enterprise (SBE) measure is being applied to this Solicitation, a VBE which also qualifies for the SBE measure shall not receive the veteran's preference provided in this section and shall be limited to the applicable SBE preference.

4.6 Price Evaluation

After the evaluation of the technical proposal the County will evaluate the price proposals of those Proposers remaining in consideration.

The price proposal will be evaluated subjectively in combination with the technical proposal, including an evaluation of how well it matches Proposer's understanding of the County's needs described in this Solicitation, the Proposer's assumptions, and the value of the proposed services. The pricing evaluation is used as part of the evaluation process to determine the highest ranked Proposer. The County reserves the right to negotiate the final terms, conditions and pricing of the contract as may be in the best interest of the County.

4.7 Local Preference

The evaluation of competitive solicitations is subject to Section 2-8.5 of the Miami-Dade County Code, which, except where contrary to federal or state law, or any other funding source requirements, provides that preference be given to local businesses (see **Form A-4**). If, following the completion of final rankings by the Review Team, a non-local Proposer is the highest ranked responsive and responsible Proposer, and the ranking of a responsive and responsible local Proposer is within 5% of the ranking obtained by said non-local Proposer, then the Review Team will recommend that a contract be negotiated with said local Proposer.

4.8 Negotiations

The County may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the Proposer's best terms from a monetary and technical standpoint.

The Review Team will evaluate, score and rank proposals, and submit the results of their evaluation to the County Mayor or designee with their recommendation. The County Mayor or designee will determine with which Proposer(s) the County shall negotiate, if any, taking into consideration the Local Preference Section above. In his sole discretion, the County Mayor or designee may direct negotiations with the highest ranked Proposer, negotiations with multiple Proposers, or may request best and final offers.

Notwithstanding the foregoing, if the County and said Proposer(s) cannot reach agreement on a contract, the County reserves the right to terminate negotiations and may, at the County Mayor's or designee's discretion, begin negotiations with the next highest ranked Proposer(s). This process may continue until a contract acceptable to the County has been executed or all proposals are rejected. No Proposer shall have any rights against the County arising from such negotiations or termination thereof.

Any Proposer recommended for negotiations shall complete a Collusion Affidavit, in accordance with Sections 2-8.1.1 of the Miami-Dade County Code. (If a Proposer fails to submit the required Collusion Affidavit, said Proposer shall be ineligible for award.)

Any Proposer recommended for negotiations may be required to provide to the County:

- a) Its most recent certified business financial statements as of a date not earlier than the end of the Proposer's preceding official tax accounting period, together with a statement in writing, signed by a duly authorized representative, stating that the present financial condition is materially the same as that shown on the balance sheet and income statement submitted, or with an explanation for a material change in the financial condition. A copy of the most recent business income tax return will be accepted if certified financial statements are unavailable.

4.9 Contract Award

Any contract, resulting from this Solicitation, will be submitted to the County Mayor or designee for approval. All Proposers will be notified in writing when the County Mayor or designee makes an award recommendation. The Contract award, if any, shall be made to the Proposer whose proposal shall be deemed by the County to be in the best interest of the County. Notwithstanding the rights of protest listed below, the County's decision of whether to make the award and to which Proposer shall be final.

4.10 Rights of Protest
