WITNESSETH:

A. Landlord owns approximately 9,000 square feet of vacant real property located in Miami-Dade County, Florida, with a current Folio No. of 01-0210-060-1191, commonly referred to as Parcel A, as more particularly described on Schedule 1.1, attached hereto, and generally depicted on Schedule 1.2, attached hereto, and made a part hereof (the "Land") adjacent to the Metromover right-of-way.

B. Landlord desires to lease to Tenant, and Tenant desires to lease from Landlord the Demised Premises (as hereinafter defined) as part of the Tenant's development of the Project (as hereinafter defined).

C. Landlord recognizes the potential for public and private benefit through a joint use development of the Demised Premises in order to promote public transit usage and to further economic development in Miami-Dade County.

D. It is hereby mutually covenanted and agreed by and between the parties hereto that this Lease (hereinafter defined) is made upon the agreements, terms, covenants and conditions

hereinafter set forth. Capitalized terms used herein shall have the definitions set forth in Article 2 hereof.

ARTICLE 1

Premises - General Terms of Lease

Section 1.1 Lease. In accordance with (a) Chapter 125, Florida Statutes; (b) the powers granted to Landlord pursuant to authority properly delegated by the Florida legislature; and (c) the authority to lease real property and air rights over real property belonging to Miami-Dade County; and, for and in consideration of the rents, covenants and agreements specified herein, and the easements reserved unto Landlord, its successors and assigns, Landlord agrees, pursuant to the terms of this Lease, and does hereby lease and demise unto Tenant, its successors and assigns, and Tenant does hereby take and hire, upon and subject to the conditions and limitations herein expressed, the Demised Premises, reserving to Landlord the rights described herein, to have and to hold the same unto Tenant, its successors and assigns for the Term.

Section 1.2 Term of Lease.

- (a) The term of this Lease shall be ninety nine (99) years, commencing on the Commencement Date and expiring on the ninety ninth (99th) year thereafter (the "Term").
- (b) Landlord shall deliver possession, to the extent described herein, of the Demised Premises on the Commencement Date at which time Tenant may take possession thereof. Upon the request of either Landlord or Tenant, the Landlord and Tenant shall execute a certificate confirming the Commencement Date.

Section 1.3 Conditions Precedent to Effectiveness of Lease. This Lease shall not become effective unless and until the Board of County Commissioners (the "Board"), the Federal Transit

Administration (FTA) and the Florida Department of Transportation (FDOT) shall have approved the execution of this Lease.

Section 1.4 Conditions Precedent to Commencement of Construction. Landlord accepts Tenant's proposed development as depicted in the Special Area Plan, which describes development of the Brickell CitiCentre project. However, given the proximity of the Demised Premises to the System, the Tenant and Landlord agree that specific construction and development plans for the area of the Demised Premises within thirty (30) feet of the System (the "Affected Area") shall be subject to the review and approval of MDT to assure the public safety and the System's integrity and operation. Precedent to any construction, excavation, demolition, restoration, testing or staging within the Affected Area, Tenant shall submit to the MDT Right-of-Way Division through the MDT Director or the Designated Representative (as hereinafter defined), three (3) copies of drawings and calculations showing the relationship between the proposed activities within the Affected Area and the System. The drawings and calculations shall have sufficient detail to allow MDT to determine if such activities are likely to impact the System and the extent of that impact, if any. The drawings and calculations shall include (if applicable) the following:

- (a) Site plan;
- (b) Drainage area maps and drainage calculations;
- (c) Sheeting and shoring drawings and calculations;
- (d) Architectural drawings (all underground levels through the top floor);
- (e) Sections showing foundations and System structures;
- (f) Structural drawings;
- (g) Column load tables;
- (h) Pertinent drawings detailing possible impacts on the System;

{23685982;1}

- (i) Geotechnical report;
- (j) Settlement monitoring plan, if applicable; and
- (k) Proposed sequence of activities.

Any such proposed construction, excavation, demolition, restoration, testing or staging within the Affected Area may commence only after MDT has completed its review and the MDT Director or the Designated Representative, or their designee(s) have issued written approval of the plans and drawings, which such approval shall be subject to Section 23.17 herein. Notwithstanding anything herein, all construction on the Demised Premises shall be in compliance with the Miami-Dade County Adjacent Construction Safety Manual, or its replacement.

Section 1.5 Performance Bonds. The Parties agree that the Improvements are not a public building or public work as contemplated under Section 255.05, Florida Statutes (2011). The Tenant shall deliver, or cause its contractors to deliver, to MDT executed performance bonds, or their equivalent (including without limitation, the right to deliver alternative security pursuant to Section 713.23, Florida Statutes), to guarantee the construction of the Improvements then being constructed by such contractor on the Land, and which will be delivered to MDT prior to the commencement of construction of the applicable Improvements by such contractor on the Land. The amount of such bond shall be equal to the proportionate share of the applicable hard costs of construction of the applicable Improvements then being constructed on the Land by such contractor. Each bond shall name the Landlord as beneficiary thereof and shall be issued by a surety reasonably acceptable to MDT. Tenant shall have the right from time to time to substitute or replace, or cause its contractors to substitute or replace, such bonds as deemed necessary by the Tenant for any portion of the work on the Land then being done. Any such performance bonds, or the equivalent, and Tenant's obligations thereunder, shall terminate upon payment of such work as required under the Tenant's

{23685982;1}

construction contract. In any event, Tenant's obligations to maintain any performance bond shall terminate at DBO. Notwithstanding anything in the foregoing, the Landlord acknowledges that the entire Project is not being constructed on the Property and the performance bond is not and shall not be based on the amount of the hard construction costs of the entire Project or any portion of the Project that is not located on the Demised Premises.

In no event shall a delay by the County or the Landlord in issuing an approval, consent, joinder, Permit or certificate be deemed an Unavoidable Delay by which the Landlord may benefit or receive an extension of time.

ARTICLE 3

Rent

Section 3.1 Initial Rent. During the period from the Commencement Date until the Date of Beneficial Occupancy (the "DBO"), Tenant shall pay the sum of Fifty Thousand and 04/100 Dollars (\$50,000.04) per annum, payable by Tenant to Landlord in monthly installments of Four Thousand One Hundred Sixty Six and 67/100 Dollars (\$4,166.67) on or before the 5th business day of each month of such Lease Year (the "Initial Rent"). Upon the request of either Landlord or Tenant, the Landlord and Tenant shall execute a certificate confirming the DBO.

Section 3.2 Guaranteed Rent. The Tenant shall cease paying Initial Rent the first full calendar month after the DBO at which time Tenant shall commence payment of Guaranteed Rent (the "Guaranteed Rent Commencement Date"). Commencing on the Guaranteed Rent Commencement Date, the "Guaranteed Rent" shall be payable from Tenant to Landlord as follows: (i) an initial sum in the amount of One Million One Hundred Thousand Dollars (\$1,100,000.00) payable within five (5) business days after the DBO (the "Advanced Rent"), and thereafter (ii) commencing on the first anniversary after the Guaranteed Rent Commencement Date and continuing for the remainder of the Term, annual installments of Two Thousand One Hundred and No/100 Dollars (\$2,100.00) due on or before the 5th business day, subject to an Unavoidable Delay, following the respective anniversary of {23685982;1}

Tenant shall not be required to pay any additional Rent, other than the Guaranteed Rent, on the Building or Improvements constructed or caused to be constructed by Tenant during the Term.

Section 3.3 Late Payments. In the event that any payment of Initial Rent or Guaranteed Rent due Landlord shall remain unpaid for a period of twenty (20) days beyond their due date, a late charge of five percent (5%) of the amount of such payment shall be added to such delinquent payment. All Rent and other payments due Landlord under this Lease shall be paid to Landlord at the address specified herein for notice to Landlord.

Section 3.4 Approved Restriction Adjustments. Landlord and Tenant acknowledge that the Initial Rent and Guaranteed Rent established in this Lease were based on the understanding that Tenant would be able to develop the Project in substantially the form described in the Proposal and the Special Area Plan. In the event, due to Laws and Ordinances and/or Unavoidable Delays, the Tenant is not able to build the Project as originally described in the Proposal and the Special Area Plan or Tenant cannot obtain its Permits (as reasonably determined by Tenant), then in addition to any other rights Tenant has hereunder, (a) Tenant shall have the right to terminate this Lease and its obligations hereunder by giving written notice to Landlord within six (6) months after such inability becomes known to Tenant, and the obligations of Tenant to pay Rent under this Lease shall be abated as of the date of the giving of such notice, and in such event this Lease shall terminate as of the date

{23685982;1}

ARTICLE 4

Development of Land and Construction of Buildings

Section 4.1 Land Uses.

- (a) Tenant and Landlord agree, for themselves and their successors and assigns, to devote the Demised Premises to the uses specified in this Lease, or for other or additional uses, which subject to Section 1.4, are consistent with the Proposal and the Special Area Plan.
- (b) The parties recognize and acknowledge that the manner in which the Demised Premises and Improvements are developed, used and operated are matters of critical importance to Landlord and to the general welfare of the community. Tenant agrees that during the Term, Tenant will use reasonable efforts to create a development on the Demised Premises consistent with the Proposal and the Special Area Plan, the intent of which is to (i) enhance the ridership and usage of the System and (ii) create a mixed use center with a quality of character and operation consistent with similar comparable projects of this nature.
- (c) Tenant shall establish such reasonable rules and regulations governing the use and operation as Tenant shall deem necessary or desirable in order to assure the level or quality and character of

operation of the Demised Premises required herein; and Tenant will use reasonable efforts to enforce such rules and regulations.

Section 4.2 Development Rights and Construction. Tenant shall have the right to develop the Demised Premises and to construct the applicable portion of the Improvements and the Project required in connection with such development, subject to the terms and conditions of this Lease, including the following:

- (a) Development Rights of Land. It is intended that the Demised Premises will be developed pursuant to the Proposal and the Special Area Plan. Except as provided in Section 1.4 and subject to the terms set forth in this Section 4.2, in connection with the construction of the Project, the Landlord will join in such Permits or other permits, licenses, approvals, declaration of condominium or other administrative documents, including but not limited to non-disturbance and attornment agreements as provided in this Lease, as may be necessary for Tenant to develop and use the Demised Premises in accordance with the Special Area Plan and Proposal and in a manner otherwise permitted hereunder, provided that (i) such joinder by Landlord shall be at no cost to Landlord other than its costs of review; (ii) the location, terms, and form of any such Permits or other permits, licenses, approvals or other administrative documents shall be reasonably acceptable to Landlord; and (iii) the Landlord agrees to use best efforts to review and approve (or disapprove with an explanation for such disapproval) any such requests within seven (7) business days of such request from the Tenant (the "Administrative Review Period"), except in the event that Board approval is required under applicable Laws and Ordinances for such approval, in which case Section 23.17 shall prevail. In the event that Board approval is not required under applicable Laws and Ordinances, Landlord agrees that if Landlord has not provided the Tenant with written notice of its approval

{23685982;1}

or disapproval within the Administrative Review Period, then Tenant shall have the right to deliver written notice to Landlord advising Landlord that Landlord has not responded to Tenant within the Administrative Review Period and Landlord shall have an additional three (3) business days' thereafter to respond to Tenant with such approval or disapproval (the "Additional Notice Period"). In the event that Landlord fails to respond after the expiration of the Additional Notice Period, the Landlord shall be deemed to have consented to the applicable request of Tenant that is then at issue under such request.

- (b) Easements, Rights to Land. Notwithstanding anything in Section 4.2(a) to the contrary, nothing herein shall be construed to limit the rights of the Landlord under Section 4.2(c) herein or to require the Landlord, subject to Section 23.17, to agree to any easements, restrictive covenants, easement vacations or modifications or such other documents that require the consent of the Board pursuant to applicable Laws and Ordinances.
- (c) Miami-Dade County's rights as sovereign. It is expressly understood that notwithstanding any provision of this Lease and Miami-Dade County's status as Landlord thereunder:
 - (i) Miami-Dade County retains all of its sovereign prerogatives and rights as a county under Florida laws (but not in regard to its status as Landlord and the performance of its contractual duties hereunder) and shall in no way be estopped from withholding or refusing to issue any approvals of applications for building or zoning; from exercising its planning or regulatory duties and authority; and from requiring development under present or future Laws and Ordinances of whatever nature applicable to the design, construction and development of the Buildings and improvements provided for in this Lease; and

(ii) Miami-Dade County shall not by virtue of this Lease be obligated to grant Tenant, the Demised Premises or the Project any approvals of applications for building, zoning, planning or development under present or future (as applicable) Laws and Ordinances of whatever nature applicable to the design, construction and development of the Buildings and other Project improvements provided for in this Lease.

(d) Submission to Condominium. Landlord agrees that it will join in and consent to a declaration of condominium or similar declaration of covenants, conditions and restrictions submitting the Demised Premises, or any portion thereof as required by Tenant, to the condominium form of ownership.

Section 4.3 Conformity of Plans. Construction Plans and all work by Tenant with respect to the Demised Premises and to Tenant's construction of or installation thereon shall be in conformity with this Lease, applicable building codes, and all other applicable federal, state, county and local laws, all as subject to Section 1.4.

Section 4.4 Tenant Obligations. MDT approval of any concept plans pursuant to this Article 4 and Section 1.4 hereof shall not relieve Tenant of its obligations under applicable Laws and Ordinances to file such plans with any other department of Miami-Dade County or any other governmental authority having jurisdiction over the issuance of building or other Permits and to take such steps as are necessary to obtain issuance of such Permits. Landlord agrees to cooperate pursuant to the terms of Section 23.17 and join in (if applicable), with Tenant in connection with the obtaining of such approvals and Permits, and that Tenant shall have the right to execute any and all applications, approvals and consents for any Permits relating to the Improvements of the Demised Premises and the Project without any further joinder, consent or approval from Landlord as long as the contemplated Improvements are consistent with the Proposal and the Special Area Plan, but in

{23685982;1}

the event that Landlord's authorization or signature is required for any Permit and Board approval thereof is not required under applicable Laws and Ordinances, Landlord agrees to execute any such Permit, approval or consent within the Administrative Review Period. By execution of this Lease, Landlord agrees that Tenant may unify the Land with property adjacent to the Land through a unity of title, covenant in lieu of a unity of title or any other similar agreement, such agreement to be in substantially the form as set forth on Schedule 4.4, which may be executed and recorded in the public records of Miami-Dade County, Florida, and Landlord agrees that no further consent of Landlord shall be required therefor, but in the event that Landlord's authorization or signature is required on such agreement to effectuate same, Landlord agrees to execute any such agreement within the Administrative Review Period. Tenant acknowledges that any approval given by MDT, as Landlord pursuant to this Article 4, shall not constitute an opinion or agreement by MDT that the plans are structurally sufficient or in compliance with any Laws or Ordinances, and no such approval shall impose any liability upon MDT.

Section 4.5 Facilities to be Constructed. Landlord shall not be responsible for any costs or expenses of construction or installation of the Improvements, except as otherwise provided herein or agreed to by the parties.

Section 4.6 Progress of Construction. Subsequent to the delivery of possession of the Demised Premises to Tenant and until Completion of Construction, upon written request of the Designated Representative, which such request shall not occur more than quarterly, Tenant shall submit a report to the Designated Representative of the progress of Tenant with respect to development and construction of the Project. Tenant, by executing this Lease, represents it has visited the site, is familiar with local conditions under which the construction and development is to be performed, will perform all test borings and subsurface engineering generally required at the site under sound and

{23685982;1}

prudent engineering practices, and will correlate the results of the test borings and subsurface engineering and other available studies and its observations with the requirements of the construction and development of the Improvements.

Section 4.7 Ownership of Improvements. All Improvements and all material and equipment provided by Tenant or on its behalf which are incorporated into or become a part of the Project (excepting all of the System facilities) shall, upon being added thereto or incorporated therein, and the Project itself, be and remain the property of Tenant, but subject to the same (not including personal property of Tenant, Sublessees or Space Lessees) becoming the property of Landlord at the expiration or termination of this Lease. Landlord agrees that all or a portion of the Project may be submitted to the condominium form of ownership and may, as a result of such submission, be subdivided into condominium units and parcels to be conveyed to individual unit owners.

Section 4.8 Mutual Covenants of Non-Interference. Tenant's development and construction of the Project and its use and operation of the Demised Premises shall not materially and adversely interfere with Landlord's customary and reasonable operation of the System, unless prior arrangements have been made in writing between Landlord and Tenant. Similarly, Landlord's use of the Station area and the System shall not materially and adversely interfere with Tenant's development and construction of the Project and its use and operation of the Demised Premises and the Improvements to be constructed thereon, unless prior arrangements have been made in writing between Landlord and Tenant. Landlord may at any time during the term of this Lease, stop or slow down construction by Tenant, but only upon Landlord's reasonable determination that the safety of the System, or of the users of the System or of any employees, agents, licensees and permittees of Landlord is jeopardized. Any such slowdown or stoppage shall be deemed to be an Unavoidable Delay and shall entitle Tenant to appropriate extensions of time hereunder, and an abatement of

{23685982;1}

Rent, if applicable, for such period of time, provided that such safety hazard which caused the slowdown or stoppage is not the result of Tenant's negligence or willful act.

Section 4.9 Connection of Buildings to Utilities. Tenant, at its sole cost and expense, may install or cause to be installed all necessary connections between the Improvements constructed or erected by it on the Demised Premises, and the water, sanitary and storm drain mains and mechanical and electrical conduits and other utilities, whether or not owned by Landlord. Tenant shall pay for the additional cost, if any, of locating and installing new facilities for sewer, water, electrical, and other utilities as needed to service the Demised Premises. Landlord shall cooperate with Tenant to the extent Tenant needs Landlord to join in any agreements or documents for installation of any connections necessary for the Project or required by Tenant.

Section 4.10 Designation of Landlord's Representative. The Miami-Dade Transit Director or his/her designee, or such person as subsequently designated by the Miami-Dade Transit Director upon written notice to Tenant, shall have the power, authority and right, on behalf of the Landlord, in its capacity as Landlord hereunder, and without any further resolution or action of the Board, FTA or FDOT, to the extent allowed by applicable Laws and Ordinances, to:

- (a) If, by law, any Imposition (for which Tenant is liable hereunder) may, at the option of Landlord or Tenant be paid in installments (whether or not interest shall accrue on the unpaid balance of such Imposition), Tenant may exercise the option to pay the same, including any accrued interest on the unpaid balance of such Imposition, in installments and, in such event, shall pay such installments as may become due during the Term (and provided further, that those installments which are to become due and payable after the expiration of the Term, but relating to a fiscal period fully included in the Term, shall be paid in full by Tenant);

- (a) Tenant shall have the right to contest the amount or validity, in whole or in part, of any Imposition, for which Tenant is or is claimed to be liable, by appropriate proceedings diligently conducted in good faith but only after payment of such Imposition, unless such payment or payment thereof under protest would operate as a bar to such contest or interfere materially with the prosecution thereof, in which event, notwithstanding the provisions of Section 5.1 herein, Tenant may postpone or defer payment of such Imposition if:
- (i) Neither the Demised Premises nor any part thereof would by reason of such postponement or deferment be in danger of being forfeited or lost; and
 - (ii) Upon the termination of any such proceedings, Tenant shall pay the amount of such Imposition or part thereof, if any, as finally determined in such proceedings, together with any costs, fees, including counsel fees, interest, penalties and any other liability in connection therewith.

- (b) No covenant, agreement, lease, Sublease, Space Lease, Mortgage, conveyance or other instrument shall be effected or executed by Tenant, or any of its successors or assigns, whereby the Demised Premises or any portion thereof is restricted by Tenant, or any successor in interest, upon the basis of race, color, religion, sexual orientation, sex or national origin in the sale, lease, use or occupancy thereof. Tenant shall comply with all applicable Laws and Ordinances, in effect from time to time, prohibiting discrimination or segregation by reason of race, color, religion, sexual orientation, sex, or national origin in the sale, lease or occupancy of the Demised Premises.
- (c) Except as otherwise specified, Tenant may use the Demised Premises for any lawful purpose or use authorized by this Lease and allowed under the Ordinance establishing the zoning for the Demised Premises, including, without limitation, the use of the Demised Premises for the Project and the use of the Demised Premises as a condominium and for condominium type of ownership.

Section 13.2 Dangerous Liquids and Materials. Tenant shall not knowingly permit its subtenants or other person or entity in contractual privity with Tenant to carry flammable or combustible liquids into or onto the Demised Premises during or following completion of construction except as such substances are used in the ordinary course of business, and shall prohibit the storage or manufacture of any flammable or combustible liquid or dangerous or explosive materials in or on the Demised Premises; provided that this restriction shall not apply to prevent

- (a) the entry and parking of motor vehicles carrying flammable or combustible liquids solely for the purpose of their own propulsion,

{23685982;1}

- (b) the maintaining retail inventories for sale to retail customers of motor oils and similar types of products,
- (c) the use of normal cleaning and maintenance liquids and substances, or
- (d) their use in construction of Improvements in the Demised Premises.

Section 13.3 Tenant's Duty and Landlord's Right of Enforcement Against Tenant and

Successor and Assignee. Tenant, promptly upon learning of the occurrence of actions prohibited by

Section 13.1 and 13.2; shall take reasonable steps to terminate same, including the bringing of a suit

in Circuit Court, if necessary, but not the taking or defending of any appeal therefrom. In the event

Tenant does not promptly take steps to terminate a prohibited action, Landlord or Miami-Dade

County may seek appropriate injunctive relief against the party or parties actually engaged in the

prohibited action in the Circuit Court of Miami-Dade County without being required to prove or

establish that Landlord or Miami-Dade County have inadequate remedies at law. The provisions of

this Section shall be deemed automatically included in all Subleases, Mortgages and Space Leases,

and any other conveyances, transfers and assignments under this Lease, and any transferee who

accepts such Sublease, Mortgage, Space Lease or any other conveyance, transfer or assignment

hereunder shall be deemed by such acceptance to adopt, ratify, confirm and consent to the provisions

of Sections 13.1, 13.2 and 13.3 and to Landlord's and Miami-Dade County's rights to obtain the

injunctive relief specified therein. Notwithstanding anything to the contrary herein, Tenant's breach

of Sections 13.1, 13.2 and 13.3 of the Lease shall not constitute an Event of Default or a breach of

lease sufficient to permit Landlord to terminate this Lease.

Section 13.4 Designation of Improvements by Name. Tenant shall have the right and privilege

of designating name(s) by which all or any portion of the Improvements or the Project shall be

known.

{23685982;1}

ARTICLE 14

Entry on Premises by Landlord

Section 14.1 Inspection by Landlord of Demised Premises. Landlord and its authorized representatives, upon reasonable notice and in the presence of a representative of Tenant, shall have the right to enter the Demised Premises at reasonable times during normal business hours for the purpose of inspecting the same to insure itself of compliance with the provisions of this Lease.

Section 14.2 Limitations on Inspection. Landlord, in its exercise of the right of entry granted to it in Section 14.1 herein, shall (a) not unreasonably disturb the occupancy of Tenant, the Association, Sublessees or Space Lessees nor disturb their business activities; and (b) with respect to any condominium ownership or residential Sublessee or Space Lessee, shall comply with all laws, rules and regulations governing or applicable to the Landlord of residential premises.

ARTICLE 15

Limitation of Liability

Section 15.1 Limitation of Liability of Landlord. Landlord shall not be liable to Tenant for any incidental or consequential loss or damage whatsoever arising from the rights of Landlord hereunder.

Section 15.2 Limitation of Liability of Tenant. Tenant shall not be liable to Landlord for any incidental or consequential loss or damage whatsoever arising from rights of Tenant hereunder. Excluding damage to the System caused by Tenant, any liability of Tenant hereunder shall be limited to the Fair Market Value of the Improvements located on the Land.

ARTICLE 16

Damage and Destruction

Section 16.1 Tenant's Right to Restore. If, at any time during the Term, the Demised Premises or any part thereof shall be damaged or destroyed by fire or other casualty, Tenant shall have the

{23685982;1}

right, at Tenant's sole option, (a) to terminate this Lease and its obligations hereunder by giving written notice to Landlord within six (6) months after such damage or destruction; (b) to terminate this Lease and its obligations hereunder by giving written notice to Landlord within six (6) months after Tenant's receipt of notice that that the insurance proceeds are not being made available or Tenant's determination that the insurance proceeds are inadequate, in Tenant's discretion, to replace or rebuild the Premises to the condition prior to such casualty; or (c) to repair, alter, restore, replace or rebuild the Improvements, or any portion thereof, subject to the terms of Section 1.4 hereof. Provided Tenant otherwise complies with the terms of this Lease, including, without limitation, Section 1.4 hereof, and the Tenant elects the option in this Section 16.1(c) above, Tenant may construct Improvements which are larger, smaller or different in design, function or use and which represent a use comparable to prior use or compatible with uses of property in the immediate geographical area, to the extent such construction and improvement are allowed by applicable Laws and Ordinances. A notice by Tenant terminating this Lease under Section 16.1(a) or Section 16.1(b) shall be referred to herein as a "Casualty Termination Notice."

Section 16.2 Loss Payees of Tenant-Maintained Property Insurance. With respect to all policies of property insurance required to be maintained by Tenant in accordance with Schedule 7 attached, (a) Landlord shall be named as an additional insured as its interest may appear, which such interest shall be limited to the Land and shall not be applicable to the Improvements or the Project, and (b) the loss thereunder shall be payable to Tenant and to any Leasehold Mortgagee under a standard mortgage endorsement. Neither Landlord nor any Lender shall unreasonably withhold its consent to a release of the proceeds of any fire or other casualty insurance for any loss which shall occur during the Term for repair or rebuilding. Any proceeds remaining after completion of rebuilding or repair under this Article, shall be paid to Tenant

{23685982;1}

Section 16.3 Abatement of Rent.

- (a) In the event that Tenant sends Landlord a Casualty Termination Notice, the following provisions shall be applicable:
- (i) Landlord shall have thirty (30) days from the date of receipt of the Casualty Termination Notice to deliver to Tenant written notice that Landlord desires the Tenant surrender the Demised Premises to Landlord in a vacant condition as a requirement to such termination;
 - (ii) if the Casualty Termination Notice is delivered to Landlord prior to the date that is ten (10) years from the DBO (the "Refund Expiration Date") and (A) the insurance proceeds are not available or are not adequate to reimburse Tenant for the Fair Market Value of the Project and (B) such casualty is not a result of the negligence or misconduct of Landlord, or its agents, employees or representatives, then the Advanced Rent shall be prorated (such proration to be based on the period from the DBO to the Refund Expiration Date and not the entire Term) as of the date of the Casualty Termination Notice, and Landlord shall return such prorated amount to Tenant within thirty (30) days of request therefor;
 - (iii) if the Casualty Termination Notice is delivered to Landlord on or after the Refund Expiration Date and such casualty is not a result of the negligence or misconduct of Landlord, or its agents, employees or representatives, then the Landlord shall be entitled to retain the Advanced Rent and such Advanced Rent shall not be prorated or required to be refunded to Tenant; and
 - (iv) if the Casualty Termination Notice is delivered to Landlord at any time during the Term and (A) the insurance proceeds are not available or are not adequate to reimburse Tenant for the Fair Market Value of the Project and (B) such casualty is a result of the

{23685982;1}

negligence or misconduct of Landlord, or its agents, employees or representatives, then the Advanced Rent shall be prorated over the then remaining Term and Landlord shall return such prorated amount to Tenant within thirty (30) days of request therefor; provided, that nothing in the foregoing shall limit any other rights or remedies of the Tenant hereunder.

- b) Tenant shall be entitled to a proportionate abatement, allowance, reduction or suspension of any Rent or other payments due to Landlord under this Lease beginning on the date of such casualty and, if Tenant elects to rebuild, continuing for the period necessary, if applicable, to reconstruct the Improvements. If Tenant elects to restore or rebuild the Improvements under Section 16.1(c), then the Term of this Lease shall be extended for each day of such restoration or rebuilding until completion thereof.

ARTICLE 17

Mortgages, Transfers, Subleases, Transfer of Tenant's Interest, New Lease and Lease in Reversion

Section 17.1 Right to Transfer Leasehold. During the Term, Tenant shall have the right and privilege from time to time to sell, assign or otherwise transfer all or any portion of its rights under this Lease (if the portion sold, assigned or transferred is less than all of the Demised Premises, such instrument is a "Sublease"), to an Association or such other persons, firms, corporations, general or limited partnerships, unincorporated associations, joint ventures, estates, trusts, any Federal, State, County or Municipal government bureau, department or agency thereof, or any other entities as Tenant shall select; subject, however, to the following:

- (a) In the event of a transfer of all of Tenant's rights hereunder, Tenant shall deliver written notice to Landlord of such transfer, together with a copy of the transfer agreement (if applicable) and the address for the transferee thereunder; provided, however, in no event will the Tenant or the

Association to which any portion of the Project may be transferred be required to deliver notices to Landlord of any transfers to any condominium unit owners, Sublessees or Space Lessees;

- (b) Upon the transfer by Tenant, Tenant shall be released and discharged from all of its duties and obligations hereunder which pertain to the portion of the Demised Premises transferred for the then unexpired Term, including the payment of Rent and Impositions which are not then due and payable; it being the intention of this Lease that the tenant then in possession shall be liable for the payment of said Rent and Impositions becoming due and payable during the term of its possession of the Demised Premises, and that there shall be no obligation on the part of such tenant (or any transferor) for the payment of any such Rent or other Impositions which shall become due and payable with respect to the portion of the Demised Premises transferred subsequent to the termination of its possession of any portion of the Demised Premises under the terms of this Lease;
- (c) Any sale, assignment or transfer of all or any part of Tenant's interest in the Lease and the Demised Premises shall be made expressly subject to the terms, covenants and conditions of this Lease, and such assignee or transferee shall expressly assume all of the obligations of Tenant under this Lease applicable to that portion of the Demised Premises being sold, assigned or transferred, and agree to be subject to all conditions and restrictions to which Tenant is subject, but only for matters accruing while such assignee or transferee holds, and only related to, the sold, assigned, or transferred interest. However, nothing in this subsection or elsewhere in this Lease shall abrogate (i) Landlord's right to payment of all Rent and other amounts due Landlord which accrued prior to the effective date of such transfer, and Landlord shall always have the right to enforce collection of such Rent or other sums due in accordance

{23685982;1}

with the terms and provisions of this Lease; and (ii) the obligation for the development, use and operation of every part of the Demised Premises to be in compliance with the requirements of this Lease; and

- (d) Tenant shall not have the right to assign this Lease or its rights and obligations under this Lease to a party that is on the Miami-Dade County Delinquent Vendor List or Disbarment List, or its then equivalent, without the prior consent of the Landlord. Nothing in the foregoing shall prevent any such party from acquiring a condominium unit in the Building.

Section 17.2 Right to Mortgage Leasehold. Notwithstanding Section 17.1 to the contrary, Tenant, any Sublessees and any Association shall have the right from time to time, and without prior consent of Landlord, to mortgage and otherwise encumber their rights under this Lease, a Sublease thereof, its condominium unit, the common elements of the condominium and/or the leasehold estate, in whole or in part, as applicable. Such mortgages or encumbrances shall be expressly subject to the terms, covenants and conditions of this Lease. The granting of a Mortgage against all or part of the leasehold estate in the Demised Premises shall not operate to make such Lender thereunder liable for performance of any of the covenants or obligations of Tenant, the Association or Sublessee under this Lease or a Sublease, except in the case of a Lender which owns or is in possession of all or a portion of the Demised Premises, and then only for the applicable portion of the Demised Premises, and its period of ownership or possession, but Landlord shall always have the right to enforce the Lease obligations against such portion of the Demised Premises, including such obligations accruing prior to such period of ownership or possession, subject to the terms hereof. The amount of any such Mortgage may be increased whether by an additional mortgage and agreement consolidating the liens of such Mortgage or by amendment of the existing Mortgage, and may be permanent or temporary, replaced, extended, increased, refinanced, consolidated or renewed

{23685982;1}

on all or any portion of the Demised Premises without the consent of Landlord. Such Mortgage may contain a provision for an assignment of any rents, revenues, monies or other payments due to Tenant, Sublessee or the Association, as a landlord or under any declaration of condominium (but such Mortgage shall not contain a provision for an assignment of rents, revenues, monies or other payments due from the Tenant, Sublessee or the Association to Landlord) from Tenant, a Sublessee or the Association to the Lender, and a provision therein that the Lender in any action to foreclose the same shall be entitled to the appointment of a receiver.

Section 17.3 Notice to Landlord of Mortgage. In order for a Lender to be entitled to receive any notices from the Landlord under this Lease, such Mortgagee shall be required to deliver a notice to the Landlord specifying the name and address of such Lender to which notices under this Lease from the Landlord shall be sent. For the benefit of any such Lender who shall have become entitled to notice as hereinafter provided in this Article 17, Landlord agrees, subject to all the terms of this Lease, not to accept a voluntary surrender, termination or modification of this Lease at any time while such Lender shall remain a lien on Tenant's, Sublessee's or the Association's leasehold estate. No sale or transfer of Landlord's fee simple interest in the Land or any portion thereof to Tenant shall terminate this Lease by merger or otherwise so long as the lien of the Lender remains undischarged. The foregoing is not meant to prohibit a sale of the fee to Tenant.

Section 17.4 Notices to Lenders, Sublessee(s) and the Association. No notice of default under Section 19.1 or notice of failure to cure a default under Section 19.2(a) shall be deemed to have been given by Landlord to Tenant unless and until a copy has been given to each Lender, Sublessee and Association who shall have notified Landlord pursuant to Sections 17.3 or 17.5 of its name, address and its interest in the Demised Premises prior to Landlord's issuance of such notice. Landlord agrees to accept performance and compliance by any such Lender, Sublessee or Association of and with any

{23685982;1}

of the terms of this Lease with the same force and effect as though kept, observed or performed by Tenant, provided such act or performance is timely under Sections 17.5 or 19.3. Nothing contained herein shall be construed as imposing any obligation upon any such Lender, Sublessee or Association to so perform or comply on behalf of Tenant.

Section 17.5 Right to Cure Default of Tenant.

(a) In addition to any rights a Lender, Sublessee or the Association may have by virtue of Article 19 herein, if, within ninety (90) days after the mailing of any notice of termination or such later date as is thirty (30) days following the expiration of the cure period, if any, afforded Tenant (the "Mortgagee Cure Period"), such Lender, Sublessee or Association shall pay, or arrange to the satisfaction of Landlord for the payment of, a sum of money equal to any and all rents or other payments due and payable by Tenant hereunder with respect to the portion of the Demised Premises to which such Lender, Sublessee or Association claims an interest as of the date of the giving of notice of termination, in addition to their pro rata share of any and all expenses, costs and fees, including reasonable attorneys' fees, incurred by Landlord in preparation for terminating this Lease and in acquiring possession of the Demised Premises, then, upon the written request of such Lender, Sublessee or Association made any time prior to the expiration of the Mortgagee Cure Period, Landlord and the party making such request (or its nominee) shall mutually execute prior to the end of such Mortgagee Cure Period a new Lease of the Demised Premises (or such portion thereof as they have an interest in or mortgage on) for the remainder of the Term and on the same terms and conditions, and with the same priority over any encumbrances created at any time by Landlord, its successors and assigns which Tenant has or had by virtue of this Lease; provided, however, that in addition to the above payments such Lender, Sublessee or Association shall have paid to Landlord a sum of

{23685982;1}

money equal to the rents and other payments for such portion of the Demised Premises accruing from the date of such termination to the date of the commencement of the term of such new Lease, together with their pro rata share of all expenses, including reasonable attorneys' fees, incident to the preparation, printing, execution, delivery and recording of such new lease. Such priority shall exist by virtue of the notice created by this Lease to any transferee of Landlord or person receiving an encumbrance from Landlord, and the priority shall be self-operative and shall not require any future act by Landlord. Such new Lease(s) shall contain the same clauses subject to which this demise is made, and shall be at the rents and other payments for such portion of the Demised Premises due Landlord and upon the terms as are herein contained. Tenant(s) under any such new Lease(s) shall have the same right, title and interest in and to and all obligations accruing thereafter under this Lease with respect to the applicable portion of the Demised Premises as Tenant has under this Lease.

- (b) If, within the Mortgagee Cure Period, more than one (1) request for a new lease shall have been received by Landlord for the same portion of the Demised Premises, priority shall be given (regardless of the order in which such requests shall be made or received) to the Lender, Sublessee or Association making such a request in order of their priority of interest in said portion of the Demised Premises. It shall be a condition of the effectiveness of any request for a new lease that a copy of such request be sent (with receipt for delivery) by the Sublessee, Association, Subleasehold Mortgagee or Association Mortgagee, as the case may be, to the Leasehold Mortgagee.
- (c) Simultaneously with the making of such new lease(s), the party obtaining such new lease and all other parties junior in priority of interest in the Demised Premises shall execute, acknowledge and deliver such new instruments, including new mortgages and a new Sublease,

{23685982;1}

as the case may be, and shall make such payments and adjustments among themselves, as shall be necessary and proper for the purpose of restoring to each of such parties as nearly as reasonably possible, the respective interest and status with respect to the Demised Premises which was possessed by the respective parties prior to the termination of this Lease as aforesaid.

- (d) Nothing herein contained shall be deemed to impose any obligation on the part of Landlord to deliver physical possession of the Demised Premises to such Lender, Sublessee or Association or to their respective nominee until the new lease(s) has been executed by all pertinent parties. Landlord agrees, however, that Landlord will, at the cost and expense of such Lender, Sublessee or Association or respective nominee, cooperate in the prosecution of judicial proceedings to evict the then defaulting Tenant or any other occupants of the Demised Premises.
- (e) If such Lender, Sublessee or Association or respective nominee shall acquire a new lease pursuant to this Article 17 and if, upon the termination of this Lease, Tenant, but for such termination, would have been entitled to receive any amount pursuant to the provisions of this Lease, then Landlord agrees that the same shall be paid to the new tenant, in the same manner and to the same extent as it would have been paid or applied the same to or for the benefit of Tenant as if this Lease had not terminated; subject however to Landlord's right to offset any damages accrued as a result of said termination.
- (f) Nothing contained in this Lease shall require any Leasehold or Subleasehold Mortgagee or its nominee as a condition to its exercise of its right to enter into a new lease to cure any default of Tenant or Sublessee not reasonably susceptible of being cured by such Leasehold or Subleasehold Mortgagee or its nominees, in order to comply with the provisions of this

Section 17.5.

(g) The provisions of this Section 17.5 shall survive any termination of this Lease.

Section 17.6 Rights to Sublease and Non-Disturbance to Sublessees and/or Space Lessees.

Tenant shall have the right to enter a Sublease or Space Lease without any approval or consent of Landlord.

Section 17.7 Estoppel Certificates from Landlord. Upon request of Tenant, any Lender, any Sublessee or any Association, Landlord agrees to give such requesting party an estoppel certificate in accordance with Section 22.2 herein.

Section 17.8 Limited Waiver of Landlord Lien. In order to enable Tenant, its Sublessees and Space Lessees and the Association to secure financing for the purchase of fixtures, equipment, and other personalty to be located on or in the Demised Premises, whether by security agreement and financing statement, mortgage or other form of security instrument, Landlord does waive and will from time to time, upon request, execute and deliver an acknowledgment that it has waived its "landlord's" or other statutory or common law liens securing payment of rent or performance of Tenant's other covenants under this Lease as to such fixtures, equipment or other personalty.

Section 17.9 No Subordination or Mortgaging of Landlord's Fee Title. There shall be no subordination of Landlord's fee simple interest in the Land to the lien of any Mortgage financing nor shall Landlord be required to join in such mortgage financing. No Lender may impose any lien upon the Landlord's fee simple interest in the Demised Premises.

Section 17.10 Transfers by Landlord; Right of First Refusal; Right of First Offer.

- (a) Transfer by Landlord. During the Term, the Landlord's right to transfer the Demised Premises or any portion thereof; to assign any of its rights and obligations under this Lease, shall be subject to the following:

{23685982;1}

- (i) Prior to any transfer or assignment by the Landlord, Landlord shall comply with the terms of Sections 17.10(b) herein;
- (ii) In the event that Tenant does not elect to proceed with its purchase rights under Sections 17.10(b) herein and/or Landlord otherwise transfers the Demised Premises or any portion thereof or any of its rights and obligations under this Lease, then:
 - (A) Landlord shall deliver written notice to Tenant of such transfer, together with a copy of the transfer agreement (if applicable) and the address for the transferee thereunder;
 - (B) Upon the transfer by Landlord pursuant to the terms of this Lease, Landlord shall be released and discharged from all of its duties and obligations hereunder from and after the effective date of such transfer and only those which pertain to the portion of the Demised Premises transferred;
 - (C) Any sale, assignment or transfer of all or any part of Landlord's interest in the Lease and/or to the Demised Premises or any portion thereof shall be made expressly subject to the terms, covenants and conditions of this Lease, and such assignee or transferee shall expressly assume all of the obligations of Landlord under this Lease applicable to that portion of the Demised Premises being sold, assigned or transferred, and agree to be subject to all conditions and restrictions and obligations to which Landlord is subject, but only for matters accruing while such assignee or

transferee holds, and only related to, the sold, assigned, or transferred interest; and

(D) Any successor, assignee or transferee of Landlord shall be prohibited from using the Demised Premises, any portion thereof or any adjacent land to the Project owned by the County for any of the prohibited uses as described in Article 18 herein or in a manner that will adversely impact Tenant or the Project.

(b) Right of First Refusal. During the Term and provided that there is not then any Event of Default of Tenant beyond all applicable grace and cure periods, Tenant shall have the continuous right to exercise a right of first refusal to purchase the Demised Premises or an applicable portion thereof from Landlord pursuant to the terms set forth in this Section 17.10(b) and provided, that such right is not expressly prohibited by applicable Laws and Ordinances. In the event that Landlord shall receive a bona fide written offer to purchase the Demised Premises, or any portion thereof, from a third party (the "Offer to Purchase"), then Landlord shall deliver to Tenant a copy of any such Offer to Purchase to which Landlord desires or intends to agree, which such Offer to Purchase shall set forth detailed terms and condition under which the proposed purchaser intends to acquire the Demised Premises, or any portion thereof, (the "Offered Property"). Tenant shall have a reasonable time period, which such time period shall be set forth in the Offer to Purchase notice from Landlord, to review the Offer to Purchase (the "Review Period") and to send Landlord notice if Tenant desires to purchase the Offered Property, on the same terms and conditions as set forth in the Offer to Purchase or does not elect to exercise its rights of first refusal to

acquire same (the "Acceptance Notice"). If the Tenant does not deliver the Acceptance Notice to Landlord within the Review Period, then Tenant shall be deemed to have waived its right of first refusal to purchase the Offered Property pursuant to the specific Offer to Purchase delivered to Tenant. If, for any reason, Landlord's proposed purchaser under the Offer to Purchase fails to purchase the Offered Property, or any portion of the Offer to Purchase is modified, the Tenant's right of first refusal herein shall be revived and be of the same force and effect as if no bona fide Offer to Purchase was ever received by Tenant and Landlord shall be required to resubmit any revised Offer to Purchase to Tenant and Tenant shall have the rights set forth above with respect to such revised Offer to Purchase.

ARTICLE 18

Eminent Domain

Section 18.1 Taking of Entire Premises. If at any time during the Term the power of eminent domain shall be exercised by any federal or state sovereign or their proper delegates, by condemnation proceeding (a "Taking"), to acquire the entire Demised Premises, such Taking shall be deemed to have caused this Lease to terminate and expire on the date of such Taking. Tenant shall have the right to recover, subject to Landlord's limited right below, the award for a Taking, including, without limitation, the fair market value of the Improvements, plus the value of Tenant's interest in the unexpired Term of the leasehold estate created pursuant to this Lease, plus the damages caused by such Taking on the Project as a whole, but in no event shall Tenant be entitled to compensation for any fee interest in the Land. Landlord acknowledges that the Demised Premises are a part of a larger project commonly referred to as Brickell CitiCentre, that the Demised Premises are intended to be unified pursuant to the covenant in lieu of unity of title in substantially the form

{23685982;1}

attached hereto as Exhibit H adjacent property currently owned by the Tenant and that a taking of all or a part of the Demised Premises would materially damage the Project . Subject to the foregoing, Landlord shall be entitled to receive from the condemning authority the appraised value of the Land, subject to the Lease, and as if vacant and assuming no improvements existed on the Property, at the time of the Taking; but in no event shall such award to the Landlord reduce the award to which Tenant is entitled. For the purpose of this Article 18, the date of Taking shall be deemed to be either the date on which actual possession of the Demised Premises or a portion thereof, as the case may be, is acquired by any lawful power or authority pursuant to the Taking or the date on which title vests therein, whichever is earlier. All Rents and other payments required to be paid by Tenant under this Lease shall be paid up to the date of the notice of such Taking. Tenant and Landlord shall, in all other respects, keep, observe and perform all the terms of this Lease up to the date of such Taking.

Section 18.2 Proceeds of Taking. In the event following any such Taking as aforesaid, this Lease is terminated, or in the event following a Taking of less than the whole of the Demised Premises this Lease is terminated as provided for in Section 18.3 herein, the proceeds of any such Taking (whole or partial) shall be distributed as described in Section 18.1. Lenders shall be entitled to participate in any proceedings in connection with a Taking, and to receive directly from the taking authority any sums to which they are found to be entitled.

Section 18.3 Partial Taking; Termination of Lease. If, in the event of a Taking of less than the entire Demised Premises, the remaining portion of the Demised Premises not so taken cannot be adequately restored, repaired or reconstructed as required by Tenant, in Tenant's sole discretion, then Tenant shall have the right, to be exercised by written notice to Landlord to terminate this Lease by written notice to Landlord on a date to be specified in said notice, and Tenant shall be entitled to the award as described in Section 18.1 and Section 18.2.

{23685982;1}

Section 18.4 Partial Taking; Continuation of Lease. If following a partial Taking this Lease is not terminated as hereinabove provided then, this Lease shall terminate as to the portion of the Demised Premises taken in such condemnation proceedings; and, as to that portion of the Demised Premises not taken Tenant shall have the right, but not the obligation, to proceed at its own cost and expense either to make an adequate restoration, repair or reconstruction or to rebuild Improvements upon the Demised Premises affected by the Taking. In such event, Tenant's share of the award shall be determined in accordance with Section 18.1 herein. Such award, at Tenant's option, may be used by Tenant for its reconstruction, repair or rebuilding, and in such event, any excess award after such reconstruction, repair or rebuilding, may be retained by Tenant. In the event, the partial Taking results in making it impossible or unfeasible to reconstruct, restore, repair or rebuild Improvements, as determined by Tenant, Tenant's share of the award shall be determined in accordance with Section 18.1 herein. In such event, if Tenant elects not to terminate this Lease, then the Rent shall be partially abated on an equitable basis to be agreed to by Tenant and Landlord.

Section 18.5 Temporary Taking. If the whole or any part of the Demised Premises or of Tenant's interest under this Lease be taken or condemned by any competent authority for its or their temporary use or occupancy, Tenant shall have the right to terminate this Lease. If Tenant does not so terminate this Lease, the Rent shall abate for the period of time of such partial Taking Lease and Tenant shall have the right to extend the Term of this Lease for the period of time of such temporary use or occupancy. Further, in the event of any such temporary Taking, Tenant shall be entitled to receive the entire amount of any award made for such temporary Taking (attributable to the period within the Term) as described in Section 18.1, other than any portion of Rent which was abated by Landlord pursuant to this Lease, which amount Landlord shall be entitled to claim from the taking authority, whether paid by way of damages, rent or otherwise.

{23685982;1}

Section 18.6 Additional Takings. In case of a second, or any additional partial Taking or Takings from time to time, the provisions in Section 18.5 shall apply to each such partial Taking. In the event any federal or state sovereign or their proper delegates with the power of eminent domain appropriates or condemns all or a portion of the Demised Premises, and Landlord is a beneficiary of such Taking, the award shall be divided in accordance with the provisions of this Article 18.

Section 18.7 Inverse Condemnation or Other Damages. In the event of damage to the value of the Demised Premises or the Project as a whole by reason of change of grade, access rights, street alignments or any other governmental or quasi-governmental act (not involving Landlord) which constitutes an inverse condemnation of any portion of the Demised Premises creating a right to full compensation therefor, then Landlord and Tenant shall each be entitled to claim and receive from the net payment or award made on account thereof, the compensation for their respective estates and interests as set forth in Section 18.1.

Section 18.8 Taking by Landlord. Subject to the terms and provisions set forth below in this Section 18.8, should Landlord condemn the Demised Premises or any portion thereof within the Term, it is expressly agreed by Landlord that full compensation to Tenant shall be:

- (a) Those factors set forth in Section 18.1 above;
- (b) The costs expended by Tenant in the development of the condemned portion of the Demised Premises and the Project as it is impacted as a whole by such condemnation; and
- (c) Any and all penalties, taxes (including penalties and interest thereon).

The costs referred to in clause (b) above include but are not limited to legal fees; architectural, engineering, surveying, planning, and other consulting fees; accounting fees; brokerage fees in connection with leasing and financing or otherwise; other financing costs; costs of infrastructure such as water, sewer, other utilities and road, drainage and other land improvements; Tenant's

{23685982;1}

overhead costs related to the portion of the Demised Premises taken and such Takings impact on the Project as a whole; and interest from the date such costs were expended to the date of compensation at the prime rate from time to time in effect of Wells Fargo Bank, N.A. or its successor, but which in no event shall be less than eight percent (8%). The following provisions shall apply if any one or more of the following "Event(s) of Default of Tenant" shall happen:

- (a) Default is made in the due and punctual payment of any Rents or other monies payable to Landlord under this Lease when and as the same shall become due and payable and such default shall continue for a period of thirty (30) days after written notice thereof from Landlord to Tenant, subject to applicable extensions for Unavoidable Delays, with copies thereof to each Lender, Sublessee and Association who shall have notified Landlord of its name, address and interest prior to such notice; or
- (b) Default is made by Tenant in keeping, observing or performing any of the duties imposed upon Tenant pursuant to the terms of this Lease, excepting the obligation to pay Rents or other

{23685982;1}

monies due Landlord, and such non-monetary default shall continue for a period of sixty (60) days after written notice thereof from Landlord to Tenant setting forth with reasonable specificity the nature of the alleged breach, with copies thereof to each Lender, Sublessee and Association who shall have notified Landlord of its name, address and interest prior to such notice; or in the case of such default or contingency which cannot with due diligence and in good faith be cured within sixty (60) days, Tenant fails within said sixty (60) day period to proceed promptly and with due diligence and in good faith to pursue curing said default, subject to applicable extensions for Unavoidable Delays,.

Section 19.2 Failure to Cure Default by Tenant.

- (a) If an Event of Default of Tenant shall occur, Landlord, at any time after the periods set forth in Section 19.1 (a) or (b) and provided Tenant has failed to cure such Event of Default within such applicable period, shall give written notice to Tenant and to any Lender, Sublessee or Association who has notified Landlord in accordance with Article 17, specifying such Event(s) of Default of Tenant and stating that this Lease and the Term hereby demised shall expire and terminate on the date specified in such notice, which shall be at least sixty (60) days after the giving of such notice, during which time Tenant and/or the Lender, Sublessee or Association shall have the right to cure such default, and upon the date specified in such notice if the Event of Default has not been cured, then, subject, however, to the provisions of Sections 17.5 and 19.3 herein, this Lease and the Term hereby demised and all rights of Tenant under this Lease, shall expire and terminate.
- (b) If an Event of Default of Tenant shall occur and the rights of Lender, Sublessee or Association shall not have been exercised as provided within this Lease, then Landlord at any time after the

periods for exercise of rights as set forth under Sections 17.5, 19.1 and 19.3 herein shall have the following rights and remedies which are cumulative:

- (i) Landlord shall be entitled to sue Tenant for the Rent or monies due and the costs and expenses arising from Tenant's committing an Event of Default hereunder and to recover all such damages, costs and expenses, including reasonable attorneys' fees at both trial and appellate levels, all of which shall be limited by Section 15.2; and
- (ii) to restrain, by injunction, the commission of or attempt or threatened commission of an Event of Default and to obtain a decree specifically compelling performance of any such term or provision of the Lease.

Landlord agrees and acknowledges that notwithstanding anything herein to the contrary, that the Tenant intends to construct a condominium tower as part of the Project and that pursuant to Section 718.401, Florida Statutes, the Landlord shall not have any right to terminate this Lease or evict the Association or any owners of condominium units.

Section 19.3 Rights of Lenders, Sublessees and Association.

- (a) If Landlord shall have given notice to any Lender, Sublessee or Association, as required by Sections 17.3 and 19.2(a) herein, such Lender, Sublessee or Association shall, have, and be subrogated to, any and all rights of Tenant with respect to the curing of any such Event of Default but shall also have the right to extend the period of time for curing of any such Event of Default for an additional period of ninety (90) days from the date contained in the notice given pursuant to Sections 17.3 and 19.2 herein, or in the case of an Event of Default which cannot be cured within said ninety (90) day period, for such additional period as, with all due diligence and in good faith, is necessary to cure the Event of Default.

(b) Irrespective of any other right a Lender may have to maintain this Lease free from default and in the meantime to foreclose its Mortgage, such Lender, as to any Event of Default of Tenant that may not be cured by the payment of money and which is not susceptible to curing by entry upon the Demised Premises or otherwise, shall have the right to further extend the period of time within which to cure such Event of Default of Tenant for such additional period as, with all due diligence and in good faith will enable such Lender to institute foreclosure proceedings, apply for the appointment of a receiver for the purpose, among other things, of curing such Event of Default, if such is susceptible to curing, and to acquire by foreclosure Tenant's or Sublessee's interest in this Lease, to effect a removal of Tenant or Sublessee from the Demised Premises and, in the meantime and at the earliest opportunity, to cure such Event of Default if such is susceptible to curing. In the event the leasehold estate created by this Lease or by a Sublease hereunder shall have been duly acquired by such Lender or any purchaser at a foreclosure sale (hereinafter referred to as "Foreclosure Purchaser") and such Event of Default of Tenant shall have been duly cured, then the notice of termination of this Lease based upon Tenant's, Sublessee's or the Association's failure to timely cure such Event of Default of Tenant shall be deemed withdrawn, terminated and of no further force or effect. In the event, however, that such Lender or any Foreclosure Purchaser fails to cure such Event of Default of Tenant within the time periods set forth in this Section 19.3, Landlord reserves the right to (and must do so to effect a termination) give such Lender or any Foreclosure Purchaser, an additional thirty (30) days' written notice of termination of this Lease due to such failure by the Lender or any Foreclosure Purchaser to cure such prior Event of Default by Tenant. All such Notices shall be sent by: (a) United States registered or certified mail, return receipt requested, (b) hand delivery, (c) nationally recognized overnight courier, or (d) telefacsimile,

{23685982;1}

provided the transmitting telefacsimile electronically confirms receipt of the transmission by the receiving telefacsimile and the original of the Notice is sent by one of the foregoing means of transmitting Notice within 24 hours of the transmission by telefacsimile. All postage or other charges incurred for transmitting of Notices shall be paid by the party sending same. Such Notices shall be deemed served or given on (a) the date received, (b) the date delivery of such Notice was refused or unclaimed, or (c) the date noted on the return receipt or delivery receipt as the date delivery thereof was determined impossible to accomplish because of an unnoticed change of address.

After the giving of such notice of termination to such Lender or any Foreclosure Purchaser and upon the expiration of said thirty (30) days, during which time such Lender or Foreclosure Purchaser shall have failed to cure such default, this Lease and the term thereof shall end and expire as fully and completely as if the date of expiration of such thirty (30) day period were the day herein definitely fixed for the end and expiration of this Lease or Sublease and the term thereof. If Tenant, Sublessee, Leasehold Mortgagee (or Subleasehold Mortgagee), or any Foreclosure Purchaser is in possession either personally or by a receiver, Tenant, Sublessee, Leasehold Mortgagee (or Subleasehold Mortgagee) or any Foreclosure Purchaser or such receiver as the case may be, shall then quit and peacefully surrender the Demised Premises to Landlord, subject to the rights of the Association or any condominium unit owners. Notwithstanding anything contained herein to the contrary, such Leasehold Mortgagee (or Subleasehold Mortgagee) shall not be required to institute foreclosure proceedings if it is able to acquire and does acquire Tenant's or Sublessee's interest in the leasehold estate by any other means so long as such Leasehold or Subleasehold Mortgagee fulfills all other requirements of this Article 19 and of Section 17.5.

Section 19.4 Surrender of Demised Premises. Upon any expiration or termination in accordance with the terms and conditions of this Lease, Tenant and all Sublessees and Space Lessees shall quit and peacefully surrender the Demised Premises to Landlord, except as provided under any non-disturbance agreement provided by Landlord to any Sublessee or Space Lessees, and subject to the rights of the Association and any condominium unit buyers.

Section 19.5 Rights of Landlord After Termination. Subject to Section 718.401, Florida Statutes and Section 17.5 of this Lease, at any time or from time to time after such termination, Landlord may relet the Demised Premises or any part thereof, for such term or terms (which may be greater or less than the period which would otherwise have constituted the balance of the Term) and on such conditions (which may include concessions or free rent) as Landlord, in its reasonable discretion, may determine; provided, that any such party to which the Demises Premises may be transferred will be subject, if applicable, to the rights of the condominium unit owners and the Association, under any declaration of condominium affecting the Demised Premises, and may collect and receive the rents therefor, so long as Landlord uses normal and customary commercial practices in attempting to relet the Demised Premises or any part thereof, and in collecting rent due from such reletting during the balance of the term of the Lease or any renewal thereof. Landlord shall in no way be responsible or liable for any failure to relet the Demised Premises or any part thereof, or for any failure to collect any rent due for any such reletting.

Section 19.6 No Waiver by Landlord. No failure by Landlord to insist upon the strict performance of any of the terms of this Lease or to exercise any right or remedy consequent upon a breach thereof, and no acceptance by Landlord of full or partial Rent during the continuance of any such breach, shall constitute a waiver of any such breach or of any of the terms of this Lease. None of the terms of this Lease to be kept, observed or performed by Tenant, and no breach thereof, shall

{23685982;1}

be waived, altered or modified except by a written instrument executed by Landlord. No waiver of any default shall affect or alter this Lease, but each of the terms of this Lease shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. No waiver of any default of Tenant hereunder shall be implied from any omission by Landlord to take any action on account of such default, and no express waiver shall affect any default other than the default specified in the express waiver and then only for the time and to the extent therein stated. One or more waivers by Landlord shall not be construed as a waiver of a subsequent breach of the same covenant, term or conditions.

Section 19.7 Events of Default of Landlord. The provisions of Section 19.8 shall apply if any of the following "Events of Default of Landlord" shall happen: if default shall be made by Landlord in keeping, observing or performing any of the duties imposed upon Landlord pursuant to the terms of this Lease, excepting the obligation to for Landlord to comply with the terms of the Administrative Review Period and the Additional Notice Period, it being agreed that the notice and time periods set forth in this Section 19.7 are not intended to extend such Administrative Review Period and Additional Notice Period time frames, and such default shall continue for a period of sixty (60) days after written notice thereof from Tenant to Landlord setting forth with reasonable specificity the nature of the alleged breach; or, in the case of any such default or contingency which cannot, with due diligence and in good faith, be cured within sixty (60) days, Landlord fails within said sixty (60) day period to proceed promptly after such notice and with due diligence and in good faith to cure said Event of Default, subject to applicable extensions for Unavoidable Delays.

Section 19.8 Failure to Cure Default by Landlord. If an Event of Default of Landlord shall occur, Tenant, at any time after the period set forth in Section 19.7 shall have the following rights and remedies which are cumulative:

- (a) In addition to any and all other remedies, in law or in equity, that Tenant may have against Landlord, Tenant shall be entitled to sue Landlord for all damages (as limited by Section 15.1 above), costs and expenses arising from Landlord's committing an Event of Default hereunder and to recover all such damages, costs and expenses, including reasonable attorneys' fees at both trial and appellate levels.
- (b) To restrain, by injunction, the commission of or attempt or threatened commission of an Event of Default of Landlord and to obtain a decree specifically compelling performance of any such term or provision of the Lease.
- (c) To terminate any and all obligations that Tenant may have under this Lease, in which event Tenant shall be released and relieved from any and all liability under this Lease and shall surrender possession of the Demised Premises to Landlord.

Section 19.9 No Waiver by Tenant. Failure by Tenant to insist upon the strict performance of any of the terms of this Lease or to exercise any right or remedy upon a breach thereof, shall not constitute a waiver of any such breach or of any of the terms of this Lease. None of the terms of this Lease to be kept, observed or performed by Landlord, and no breach thereof, shall be waived, altered or modified except by written instrument executed by Tenant. No waiver of any default of Landlord hereunder shall be implied from any omission by Tenant to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver and then only for the time and to the extent therein

stated. One or more waivers by Tenant shall not be construed as a waiver of a subsequent breach of the same covenant, term or condition.

1. Recitals: The recitals and findings set forth in this Covenant are hereby adopted by reference thereto and incorporated herein as if fully set forth in this section.
2. Covenant in Lieu of Unity of Title: The Owners of the Property hereby agree and declare that for the purposes of determining compliance with the Zoning Ordinance of the City of Miami (the "City"), as amended, including without limitation, any future zoning designations (e.g. "Special Area Plans" or similar designations), the Property shall be considered as one plot and parcel of land so long as this instrument shall remain in effect, any and all conveyances or transfers of all or any portion of the Property by the Owners shall be subject to the terms and conditions of this Covenant as if any such grantee, successor or assign were a party hereto or a signatory hereof.
