ARTICLE 45. BANKRUPTCY

The County reserves the right to terminate this contract, if, during the term of any contract the Contractor has with the County, the Contractor becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the Contractor under federal bankruptcy law or any state insolvency law.

ARTICLE 47. COUNTY USER ACCESS PROGRAM (UAP)**a) User Access Fee**

Pursuant to Section 2-8.10 of the Miami-Dade County Code, this Contract is subject to a user access fee under the County User Access Program (UAP) in the amount of two percent (2%). All sales resulting from this Contract, or any contract resulting from the solicitation referenced on the first page of this Contract, and the utilization of the County Contract price and the terms and conditions identified herein, are subject to the two percent (2%) UAP. This fee applies to all Contract usage whether by County Departments or by any other governmental, quasi-governmental or not-for-profit entity.

The Contractor providing goods or services under this Contract shall invoice the Contract price and shall accept as payment thereof the Contract price less the 2% UAP as full and complete payment for the goods and/or services specified on the invoice. The County shall retain the 2% UAP for use by the County to help defray the cost of the procurement program. Contractor participation in this invoice reduction portion of the UAP is mandatory.

b) Joint Purchase

Only those entities that have been approved by the County for participation in the County's Joint Purchase and Entity Revenue Sharing Agreement are eligible to utilize or receive County Contract pricing and terms and conditions. For all ordering entities located outside the geographical boundaries of Miami-Dade County, the Contractor shall be entitled to ship goods on an "FOB Destination, Prepaid and Charged Back" basis. This allowance shall only be made when expressly authorized by a representative of the ordering entity prior to shipping the goods.

The County shall have no liability to the Contractor for the cost of any purchase made by an ordering entity under the UAP and shall not be deemed to be a party thereto. All orders shall be placed directly by the ordering entity with the Contractor and shall be paid by the ordering entity less the 2% UAP.

c) Contractor Compliance

If a Contractor fails to comply with this Article, that Contractor may be considered in default by the County in accordance with Article 32 of this Contract.

ARTICLE 48. SURVIVAL

The parties acknowledge that any of the obligations in this Agreement will survive the term, termination and cancellation hereof. Accordingly, the respective obligations of the Contractor and the County under this Agreement, which by nature would continue beyond the termination, cancellation or expiration thereof, shall survive termination, cancellation or expiration hereof.

ARTICLE 49. ANNUAL APPROPRIATION

The County's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Board of County Commissioners. Cancellation will not cause any penalty or expense to the County, except as to the portions of payments agreed upon and for which funds have been appropriated and budgeted. Service/Maintenance can be cancelled at any time that the Contractor is notified in writing, at least thirty (30) days prior to cancellation. There will be no early termination charges from the Contractor for canceling service/maintenance during the year.

ARTICLE 50. FORCE MAJEURE

Except as otherwise expressly provided herein, neither party hereto shall be considered in default in the performance of its obligations hereunder to the extent that such performance is prevented or delayed by any cause, existing or future, which is not within the reasonable control of such party including, but not limited to, acts of God or the public enemy, fires, explosions, riots, strikes (not including strikes of the Contractor's staff personnel), terrorism or war. Notwithstanding the foregoing, the failures of any of the Contractor's suppliers, subcontractors, or the like shall not excuse the Contractor's performance except to the extent that such failures are due to any cause without the fault and reasonable control of such suppliers, subcontractors, or the like including, but not limited to, acts of God or the public enemy, fires, explosions, riots, strikes (not including

strikes of the Contractor's staff personnel), terrorism or war.

ARTICLE 51. LIQUIDATED DAMAGES

The County and Contractor hereby agree that the delivery of completion of project milestones as outlined in Appendix A, "Scope of Services" are the essence of this Contract. Should the completion date described in Appendix C, "Implementation Timeline," not be achieved by the time specified (or as subsequently modified by mutual agreement of the parties), there may be deducted at the County's election, not as a penalty but as liquidated damages of One Thousand Five Hundred Dollars (\$1,500.00) per day for each and every calendar day of delay beyond the duration outlined in Appendix C.

Except with respect to defaults of Contractor's Subcontractors, the Contractor shall not be liable for liquidated damages when delays arise out of causes beyond the control and without the default or negligence of the Contractor, including delays resulting from the action or inaction of the County.

ARTICLE 52. TECHNICAL SUPPORT PERFORMANCE PENALTIES

The County has the option of assessing performance penalties for failure of the Contractor to meet the response and repair times required. Performance penalties will be applied at the following rates:

<u>Solution Issues</u> <i>(POF/PIL/CPCC)</i>	<u>Hourly Charge Per Facility</u>	<u>Peak Period Hourly Charge Per Facility</u>
Response Time	\$100	\$200
Repair/Replacement Time	\$200	\$300

Peak period shall be defined as Monday through Friday between the hours of 8 AM and 5 PM. The peak period resolution time requirement will be dependent upon the required repair, the circumstances affecting the Solution equipment, and the ability to perform the repairs without closing the lanes to traffic. The County will advise the Contractor in writing of its intent to assess performance penalties within 5 days of becoming aware of occurrence of any delay. The time frame for measurement of response time and the resolution time shall begin at the exact time the problem was reported to the Contractor. The time frame for the repair shall begin as soon as the Contractor arrives at the site or begins work on the problem. Partial hours may be treated as whole hours at the discretion of County, and performance penalty amounts may be withheld from payments.

ARTICLE 53. ACTUAL DAMAGES

In conditions in which the parking revenue losses cannot be recovered from transactions from the customers, the Contractor will be held responsible for the greater of lost revenue or performance penalties due to equipment failure. The Contractor will be held responsible for these lost revenues when (1) the Contractor has been informed of the problem and does not respond and/or repair within the specified time periods, or (2) when it is determined that the equipment failure is a result of Contractor negligence or intentionally wrongful act. The County reserves the right to estimate the amount of lost revenue and invoice the Contractor for that amount.

ARTICLE 54. SECURITY

Contractor shall implement commercially reasonable measures to protect the security of the County's data and to prohibit unauthorized access to such data, which will include allowing access to the System only through 128-bit SSL connections.

ARTICLE 55. PROJECTS AND SERVICES

Each SOW executed hereunder shall automatically incorporate the terms and conditions of this Agreement.

- B. Escrow Agent withdraws or is unable or unwilling to continue serving in that capacity without appointment by Owner of an equally qualified and insured escrow agent, and acceptance of that appointment by the Escrow Agent within 30 days of withdrawal of the predecessor escrow agent.
- C. Any other circumstance that places the source code at risk or otherwise subject to exposure, release or loss and/or potentially jeopardizes the integrity or current status of the Miami-Dade County operation requiring access to a current source code.

ARTICLE 58. PARTS AND EQUIPMENT INVENTORY

Contractor shall maintain an inventory of parts and/or replacement equipment sufficient for completing repairs and providing replacements and for expansion of the implementation in place at the County for the term of the Agreement, including any option or extension periods, so long as the County remains current on Maintenance and Support fees as outlined in Appendix B, "Price Schedule". Should the Contractor be unable to provide repair and/or replacement services due to insufficient Parts and Equipment Inventory, Contractor shall exercise best business practices to either 1) begin salvage activities to provide sufficient parts for County's required repairs, at Contractor's expense, or 2) provide a refurbished / replacement hardware or replacement in lieu of the repair.

ARTICLE 59 FIRST SOURCE HIRING REFERRAL PROGRAM

Pay on Foot Parking Access and Revenue Solution

2.1 BACKGROUND

The Miami-Dade Facilities and Utilities Management Division (FUMD) is responsible for the operation and management of all County-owned multilevel parking garages and surface lots located throughout downtown Miami and Civic Center vicinities. FUMD parking operations provide County employees, local residents, and visitors with comprehensive parking management services over 5,000 parking spaces at approximately twelve parking locations.

The goal of FUMD is to provide clean, safe and convenient parking for County employees, local residents, and visitors. The County desires to automate the Cultural Center Garage, Hickman Garage, and Overtown Transit Village Garage via the installation of Pay-on-Foot Pay Stations throughout the facilities in phases which will in turn enable operation of the garages with little human intervention. Exit verifiers and access control devices at the exit lanes shall assure automobiles leaving the facility have paid the correct parking fee or have been granted access to the parking garage. The implementation of these parking systems shall be conducted in phases to minimize operational disruption and will be required to be fully implemented, tested, and accepted within six months of contract award.

The Cultural Center Garage, Hickman Garage, and Overtown Transit Village Garage have legacy parking systems in place that are not fully automated and not equipped to accept credit card payments. These garages are currently operational and furnished with various stand-alone, obsolete cashier-at-exit based systems that present several cost and customer-related deficiencies.

The equipment utilized within these locations consists of older systems comprised of different manufacturer components and software. Each garage has the following legacy equipment and operates independent of one another:

- Bar code technology manufactured by Magnetic Systems;
- Parking attendant fee computers manufactured by Magnetic Systems;
- Proximity key card readers issued by Toye System;
- Barrier gates manufactured by Federal APD System.

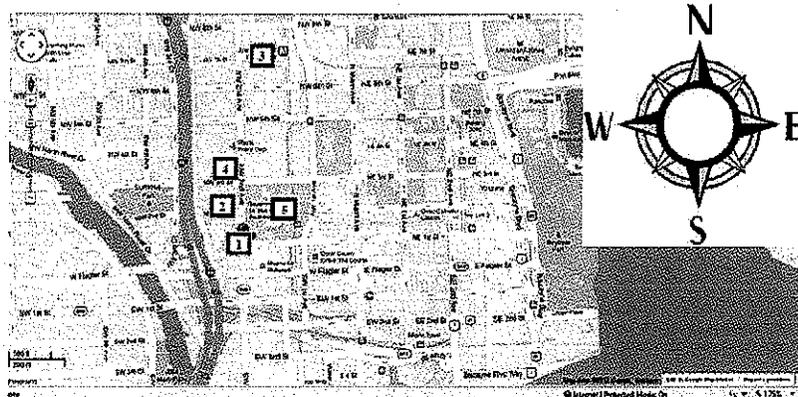

2.2 FACILITY OVERVIEW / OPERATING ENVIRONMENT

The following facilities, require a phased in implementation approach and integration to County systems. All locations combined offer a total of 3,474 parking spaces that serve a mix of monthly and daily parkers.

LOC #	Name of Facility	Physical Address <i>(open link for area map)</i>	Hours of Operation	Current Rates Monthly/Hourly	Parking Capacity <i>(numbers fluctuate monthly)</i>

Downtown Miami and Vicinity

- Parking Locations:**
- # 1 Cultural Center Garage
 - # 2 Hickman Garage
 - # 3 Overtown Transit Village
 - # 4 West Lot Garage and Central Parking Management Office
 - # 6 Stephen P. Clark Government Center (after hours response location)

West Lot Garage (G4)

The West Lot Garage is equipped with a new stand-alone Pay-on-Foot parking access and revenue control system. This is the only parking facility currently equipped to accept both cash and credit card payments. The system implemented within the West Lot Garage will continue to be utilized. The Solution will be required to be interfaced with the existing software to provide near real time information in one centralized system. Additionally, the central parking management office is located within this facility. The Solution is required to provide FUMD with the ability to manage and monitor all four locations from one centralized point. Any required cameras, equipment, or devices required to provide this functionality from one centralized point, should be included with the Proposer response.

Central Parking Office / Central Parking Command Center (G4)

The central parking office is located within the west lot office building on the second floor. This location shall service as the Central Parking Command Center (CPCC) and will be required to be built out to meet the operational needs of FUMD.

Contractor shall provide FUMD with all essential desktop workstations, servers, monitors, intercoms, cameras, and associated Solution equipment and/or components to operate and manage garage locations 1 through 4 from a centralized point. It is anticipated that there will be a total of eleven (11) parking operations staff and approximately four (4) system administrators that will be charged with support of the proposed Solution.

At a minimum, the following functionality and equipment is to be provided as part of the overall turn-key project:

- a) Solution infrastructure equipment and telecommunication connectivity – includes but is not limited to Solution servers, data connectivity, electrical wiring, and associated components.
- b) Eleven desktop computers for 11 staff for operation of the proposed Solution.
- c) Software licenses that allow for concurrent use of the Solution.
- d) All required Uninterruptable Power Supply (UPS) units for support of the Solution infrastructure equipment and desktops.
- e) VOIP two-way cameras and intercom systems – inclusive of the central base intercom system with all applicable licenses required to allow for communication with all locations
- f) Installed monitors for monitoring of CCTV and two-way cameras.
- g) Data conversion and upload into the Proposed Solution – includes initial migration of data from the IBM AS400 Parking Application to the vendor's software database including all current monthly parkers in existing parking software database to eliminate dual data entry duplication.

2.3 **MINIMUM SOLUTION REQUIREMENTS**

Contractor's Solution shall be network based and fully integrated providing FUMD with comprehensive monitoring, revenue control, reporting, and auditing capability to facilitate and optimize user and customer functionality. FUMD parking operations require the use of a reliable, proven state-of-the art technology for all of the components of the Solution.

Contractor shall remove the existing parking equipment, install, and implement a new POF parking access and revenue management Solution that is integrated with the CPCC. The Solution requires connectivity to each of the identified garages and should be linked via fiber to the CPCC with a central operating console to interact with the revenue control equipment and provide customer service to parking patrons. All four (4) locations will require full retrofit of cameras, intercom systems, and equipment. The County will work with the Contractor and coordinate all telecommunication, conduits, and data cabling needs. This work will be managed by the FUMD project manager and the Information Technology Department.

Contractor's Solution, at a minimum, shall include these six principal components to support the described operational needs of FUMD:

- i. Entry lane sets each comprising a ticket dispenser and traffic control barrier

2.4 SERVICES TO BE PROVIDED

The County desires an innovative, turn-key Solution that will meet the operational needs of FUMD and provide streamlined automation for all facilities to be implemented with the new technology.

The Contractor shall be responsible for delivery of a fully functioning Solution inclusive of all components required. The Contractor must comply with all applicable local, state, and federal laws, electrical and building codes and obtain all required permits based on the County's final signoff on the design drawings and plans. The Contractor is also responsible for all site work and obtaining all permits required to complete the installation of a fully functional Solution. This includes but is not limited to: islands/cement work, electrical wire pulls and conduit run, equipment mounting, cabling, etc. and shall follow all national, state, county, and local codes, as well as manufacturers installation requirements (Refer to "as built" site plans).

As part of the turn-key Solution, the Contractor will also be responsible for removal of the existing equipment and some booths from the property and proper disposal of the equipment and debris in compliance with all local, state, and federal laws.

The Contractor's Solution shall also provide the CPCC with all required workstations, services, and monitoring equipment required to operate and manage the facilities. The Solution shall provide CPCC staff real-time monitoring of the parking operations and allow for report generation for daily transient parker's, monthly parker's, validation parkers and all free transactions that include disabled transactions. The required infrastructure cabling, equipment, servers, and backup drives are to be included with the delivered Solution.

2.5 CREDIT CARD PROCESSING REQUIREMENTS AND ASSOCIATED HARDWARE

The Solution's servers, computers, or other associated devices handling payment card transaction processing need to be configured to go through the County's payment gateway and be physically located at the ITD data center. The ITD data center is located at 5680 SW 87th Ave, Miami, FL 33173.

It is required that the Contractor provide proof that all the Solution's devices/applications/processes used meet PCI compliance requirements. Contractor must submit the following official compliance documentation (wherever applicable) with their final design documents to demonstrate their Solution's compliance:

1. Vendor's current annual Payment Card Industry Attestation of Compliance (PCI-AOC).
2. Payment Card Industry Payment Application Data Security Standard (PCI PA-DSS) certification for any payment applications used in the process.

3. Payment Card Industry PIN Transaction Security (PCI PTS) certification for any device processing cardholder PIN transaction.

Annual resubmission of the passing, updated, completed and signed documents shall be provided to the County within 30 days of completion by the Contractor throughout the term of the resultant contract.

2.6.1 Processing Requirements

Miami-Dade County does not process PIN numbers for security reasons, so debit card transactions must be processed as credit card transactions. Credit card numbers should not be stored by the vendor application, and should not be unmasked. POS (Point of Sale) transactions may be routed through Miami-Dade County's Payment Gateway, or directly to Miami-Dade County's clearing house.

Miami-Dade County's Payment Gateway provides three (3) basic services that allow vendor applications to interact with the Payment Gateway: Web-based Transaction Service, Retail Transaction Service, and Recurring Payment Service.

A. Web-based Transaction Service

Contractor's application will interface directly with Miami-Dade County's Payment Gateway via a plain HTTPS/XML interface. The County will provide the XML schemas to all basic services: web payment processing, void, and refund. The XML schema and other XML samples will be provided to the Proposer by the County. The County will also provide all the necessary URLs for these services as well as documentation detailing fields and response error codes. All services will respond with the same XML receipt.

This Solution will require the client application to fully interact with Miami-Dade County's Payment Gateway, reacting to processing and system errors. Even though this Solution requires more development and integration from the Contractor, it will offer the greatest flexibility and customization level.

It is also required for the Contractor's application to be hosted on a server inside the County's MetroNet since Miami-Dade County's Payment Gateway is not accessible from the Internet.

B. Retail Transaction Service

For face-to-face transactions two (2) services are available. These services are meant to be used with credit card present transactions whether swiped or keyed in by a clerk. The County will provide the XML schemas to all basic services: Track-2 payment processing (when the credit card is swiped), Keyed payment processing (when the credit card info is keyed in by a clerk), void, and refund. The XML schema and other XML samples will be provided to the Contractor by the County. Miami-Dade County will also provide all the necessary URLs for these services as well as documentation detailing fields and response error codes. All services will respond with the same XML receipt. These services are fully PCI compliant.

C. Recurring Payment Service

This service will allow merchants to setup recurring credit card payments on behalf of their users. The service is PCI compliant with all the sensitive credit card data stored off-site in

the county's current clearinghouse. The XML schema and other XML samples will be provided to the Contractor by the County. The County will also provide all the necessary URLs for these services as well as documentation detailing fields and response error codes.

2.6 INTEGRATION WITH COUNTY SYSTEMS REQUIREMENTS

A. Web Application Interface Requirements

Contractor's Solution must be capable of interfacing to the County's Payment Gateway. Please refer to Section 2.6.1 for all processing requirements.

The Solution must be flexible enough to provide the feed in a standard fixed width format that Miami-Dade County can use to create the required interface format for FAMIS and/or the Oracle PeopleSoft ERP Financial General Ledger. Preferable formats are: TEXT, XML, ASCII etc. The method of providing this feed must meet County's security standards.

APPENDIX C- ACCEPTANCE CRITERIA

APPENDIX C – ACCEPTANCE CRITERIA**DELIVERABLE ACCEPTANCE PROCEDURES**

The parties intend for the Solution to be brought into Production Mode, as defined below, in stages, as each of the functional components of the System are deployed as set forth in Appendix A "Scope of Services" project timeline. Each functional component will be subjected to its own testing and Final Acceptance will be deemed to have occurred for that component upon the component (i) satisfying the Final Acceptance Criteria (which will be agreed to by the parties and (ii) module being used in Production Mode.

Contractor will notify County in writing (via email) when the Deliverables for a functional component of the System are ready for acceptance testing. County will commence testing on such Deliverables within three (3) County Work Days of being notified by Contractor, provided County has been given access to such Deliverables. County will have up to five (5) days, in its own discretion, to conduct its first round of acceptance tests and will use reasonable measures to determine whether the Deliverables are in conformance with the Final Acceptance Criteria for the applicable functional component, and will notify Contractor in writing as to any deficiency, in list form (to be incorporated by mutual agreement into a punch list during the System acceptance periods described in Appendix C "Project Timeline"). Contractor will promptly commence work on resolving such punch list issues and will, as necessary, redeliver such Deliverables for further testing, which County will commence within two (2) days of receiving Contractor's notice that the Deliverables are ready for such further testing. The parties shall agree, upon such redelivery, as to the time County requires to complete the additional acceptance testing. The process will be repeated until either the functional component has substantially conformed to the Final Acceptance Criteria or County decides to accept the functional component as is and the functional component is put into Production Mode.

The above process will be repeated for each functional component delivered hereunder provided that functional components may be tested in tandem as set forth in Appendix C "Project Timeline."

Final Acceptance of the System will be deemed to have occurred on the Deliverables meeting the Final Acceptance Criteria (which the parties will mutually agree to and develop from the functional and technical requirements as set forth in the contract documents, provided that the parties recognize that the development of the CCS Documents may result in the parties clarifying such requirements). Such Final Acceptance shall be evidenced by (i) a written acknowledgement by the County Project Manager (which acknowledgement shall not be arbitrarily or unreasonably withheld) that the System meets all such functional and technical requirements or (ii) County's use of the System in a Production Mode. "Production Mode" means any use by the County of the System or any of its modules to process any day-to-day business activity on behalf of the County.

*Effective Date and Deposit Account Number to be supplied by Iron Mountain only.	

Three-Party Escrow Service Agreement

1. Introduction

This Three Party Escrow Service Agreement (the "**Agreement**") is entered into by and between Consolidated Parking Equipment (the "**Depositor**"), and by Miami-Dade County (the "**Beneficiary**") and by Iron Mountain Intellectual Property Management, Inc. ("**Iron Mountain**"). Depositor, Beneficiary, and Iron Mountain may be referred to individually as a "Party" or collectively as the "Parties" throughout this Agreement.

- (a) The use of the term services in this Agreement shall refer to Iron Mountain services that facilitate the creation, management, and enforcement of software or other technology escrow accounts as described in Exhibit A attached hereto ("**Services**"). A Party shall request Services under this Agreement by submitting a work request for certain Iron Mountain Services ("**Work Request**") via written instruction or the online portal maintained at the website located at www.ironmountainconnect.com or other websites owned or controlled by Iron Mountain that are linked to that website (collectively the "**Iron Mountain Website**").
- (b) The Beneficiary and Depositor have, or will have, entered into a license agreement or other agreement ("**License Agreement**") conveying intellectual property rights to the Beneficiary, and the Parties intend this Agreement to be considered as supplementary to such agreement, pursuant to Title 11 United States [Bankruptcy] Code, Section 365(n).

2. Depositor Responsibilities and Representations

- (a) Depositor shall make an initial deposit that is complete and functional of all proprietary technology and other materials covered under this Agreement ("**Deposit Material**") to Iron Mountain within thirty (30) days of the Effective Date. Depositor may also update Deposit Material from time to time during the Term (as defined below) of this Agreement provided a minimum of one (1) complete and functional copy of Deposit Material is deposited with Iron Mountain at all times. At the time of each deposit or update, Depositor will provide an accurate and complete description of all Deposit Material sent to Iron Mountain using the form attached hereto as Exhibit B.
- (b) Depositor represents that it lawfully possesses all Deposit Material provided to Iron Mountain under this Agreement and that any current or future Deposit Material liens or encumbrances will not prohibit, limit, or alter the rights and obligations of Iron Mountain under this Agreement. Depositor warrants that with respect to the Deposit Material, Iron Mountain's proper administration of this Agreement will not violate the rights of any third parties.
- (c) Depositor represents that all Deposit Material is readable and useable in its then current form; if any portion of such Deposit Material is encrypted, the necessary decryption tools and keys to read such material are deposited contemporaneously.
- (d) Depositor agrees, upon request by Iron Mountain, in support of Beneficiary's request for verification Services, to promptly complete and return the Escrow Deposit Questionnaire attached hereto as Exhibit Q. Depositor consents to Iron Mountain's performance of any level(s) of verification Services described in Exhibit A attached hereto and Depositor further consents to Iron Mountain's use of a subcontractor to perform verification Services. Any such subcontractor shall be bound by the same confidentiality obligations as Iron Mountain and shall not be a direct competitor to either Depositor or Beneficiary. Iron Mountain shall be responsible for the delivery of Services of any such subcontractor as if Iron Mountain had performed the Services. Depositor represents that all Deposit Material is provided with all rights necessary for Iron Mountain to verify such proprietary technology and materials upon receipt of a Work Request for such Services or agrees to use commercially reasonable efforts to provide Iron Mountain with any necessary use rights or permissions to use materials necessary to perform verification of the Deposit Material. Depositor agrees to reasonably cooperate with Iron Mountain by providing reasonable access to its technical personnel for verification Services whenever reasonably necessary.

3. Beneficiary Responsibilities and Representations

- (a) Beneficiary acknowledges that, as between Iron Mountain and Beneficiary, Iron Mountain's obligation is to maintain the Deposit Material as delivered by the Depositor and that, other than Iron Mountain's inspection of the Deposit Material (as described in Section 4) and the performance of any of the optional verification Services listed in Exhibit A, Iron Mountain has no other obligation regarding the completeness, accuracy, or functionality of the Deposit Material.
- (b) Beneficiary may submit verification Work Request to Iron Mountain for one or more of the Services defined in Exhibit A

attached hereto and consents to Iron Mountain's use of a subcontractor if needed to provide such Services. Beneficiary warrants that Iron Mountain's use of any materials supplied by Beneficiary to perform the verification Services described in Exhibit A is lawful and does not violate the rights of any third parties.

4. Iron Mountain Responsibilities and Representations

- (a) Iron Mountain agrees to use commercially reasonable efforts to provide the Services requested by Authorized Person(s) (as identified in the "**Authorized Person(s)/Notices Table**" below) representing the Depositor or Beneficiary in a Work Request. Iron Mountain may reject a Work Request (in whole or in part) that does not contain all required information at any time upon notification to the Party originating the Work Request.
- (b) Iron Mountain will conduct a visual inspection upon receipt of any Deposit Material and associated Exhibit B. If Iron Mountain determines that the Deposit Material does not match the description provided by Depositor represented in Exhibit B, Iron Mountain will notify Depositor of such discrepancy.
- (c) Iron Mountain will provide notice to the Beneficiary of all Deposit Material that is accepted and deposited into the escrow account under this Agreement.
- (d) Iron Mountain will follow the provisions of Exhibit C attached hereto in administering the release of Deposit Material.
- (e) Iron Mountain will work with a Party who submits any verification Work Request for Deposit Material covered under this Agreement to either fulfill any standard verification Services Work Request or develop a custom Statement of Work ("**SOW**"). Iron Mountain and the requesting Party will mutually agree in writing to an SOW on terms and conditions that include but are not limited to: description of Deposit Material to be tested; description of verification testing; requesting Party responsibilities; Iron Mountain responsibilities; Service Fees; invoice payment instructions; designation of the paying Party; designation of authorized SOW representatives for both the requesting Party and Iron Mountain with name and contact information; and description of any final deliverables prior to the start of any fulfillment activity. After the start of fulfillment activity, each SOW may only be amended or modified in writing with the mutual agreement of both Parties, in accordance with the change control procedures set forth therein. If the verification Services extend beyond those described in Exhibit A, the Depositor shall be a necessary Party to the SOW governing the Services.
- (f) Iron Mountain will hold and protect Deposit Material in physical or electronic vaults that are either owned or under the control of Iron Mountain, unless otherwise agreed to by all the Parties.
- (g) Upon receipt of written instructions by both Depositor and Beneficiary, Iron Mountain will permit the replacement or removal of previously submitted Deposit Material. The Party making such request shall be responsible for getting the other Party to approve the joint instructions. Any Deposit Material that is removed from the deposit account will be either returned to Depositor or destroyed in accordance with Depositor's written instructions.
- (h) Should transport of Deposit Material be necessary in order for Iron Mountain to perform Services requested by Depositor or Beneficiary under this Agreement, Iron Mountain will use a commercially recognized overnight carrier such as Federal Express or United Parcel Service. Iron Mountain will not be responsible for any loss or destruction of, or damage to, such Deposit Material while in the custody of the common carrier.

5. Payment

The Party responsible for payment designated in Exhibit A ("**Paying Party**") shall pay to Iron Mountain all fees as set forth in the Work Request ("**Service Fees**"). All Service Fees are due within thirty (30) calendar days from the date of invoice in U.S. currency and are non-refundable. Iron Mountain may update Service Fees with a ninety (90) calendar day written notice to the Paying Party during the Term of this Agreement (as defined below). The Paying Party is liable for any taxes (other than Iron Mountain income taxes) related specifically to Services purchased under this Agreement or shall present to Iron Mountain an exemption certificate acceptable to the taxing authorities. Applicable taxes shall be billed as a separate item on the invoice. Any Service Fees not collected by Iron Mountain when due shall bear interest until paid at a rate of one percent (1%) per month (12% per annum) or the maximum rate permitted by law, whichever is less. Notwithstanding the non-performance of any obligations of Depositor to deliver Deposit Material under the License Agreement or this Agreement, Iron Mountain is entitled to be paid all Service Fees that accrue during the Term of this Agreement.

6. Term and Termination

- (a) The term of this Agreement is for a period of one (1) year from the Effective Date ("**Initial Term**") and will automatically renew for additional one (1) year terms ("**Renewal Term**") (collectively the "**Term**"). This Agreement shall continue in full force and effect until one of the following events occur: (i) Depositor and Beneficiary provide Iron Mountain with sixty (60) days' prior written joint notice of their intent to terminate this Agreement; (ii) Beneficiary provides Iron Mountain and Depositor with sixty (60) days' prior written notice of its intent to terminate this Agreement; (iii) the Agreement terminates under another provision of this Agreement; or (iv) any time after the Initial Term, Iron Mountain provides sixty (60) days' prior written notice to the Depositor and Beneficiary of Iron Mountain's intent to terminate this Agreement. Effective Date and Deposit Account Number to be supplied by Iron Mountain only. The Effective Date supplied by Iron Mountain and specified above shall be the date Iron Mountain sets up the escrow account.

- (b) Unless the express terms of this Agreement provide otherwise, upon termination of this Agreement, Iron Mountain shall return the Deposit Material to the Depositor. Unless otherwise directed by Depositor, Iron Mountain will use a commercially recognized overnight common carrier such as Federal Express or United Parcel Service to return the Deposit Material to the Depositor. Iron Mountain will not be responsible for any loss or destruction of, or damage to, such Deposit Material while in the custody of the common carrier. If reasonable attempts to return the Deposit Material to Depositor are unsuccessful, Iron Mountain shall destroy the Deposit Material.
- (c) In the event of the nonpayment of undisputed Service Fees owed to Iron Mountain, Iron Mountain shall provide all Parties to this Agreement with written notice of Iron Mountain's intent to terminate this Agreement. Any Party to this Agreement shall have the right to make the payment to Iron Mountain to cure the default. If the past due payment is not received in full by Iron Mountain within thirty (30) calendar days of the date of such written notice, then Iron Mountain shall have the right to terminate this Agreement at any time thereafter by sending written notice to all Parties. Iron Mountain shall have no obligation to perform the Services under this Agreement (except those obligations that survive termination of this Agreement, which includes the confidentiality obligations in Section 9) so long as any undisputed Service Fees due Iron Mountain under this Agreement remain unpaid.

7. Infringement Indemnification

Anything in this Agreement to the contrary notwithstanding, Depositor at its own expense shall defend and hold Iron Mountain fully harmless against any claim or action asserted against Iron Mountain (specifically including costs and reasonable attorneys' fees associated with any such claim or action) to the extent such claim or action is based on an assertion that Iron Mountain's proper administration of this Agreement infringes any patent, copyright, license or other proprietary right of any third party. When Iron Mountain has notice of a claim or action, it shall promptly notify Depositor in writing. At its option, Depositor may elect to control the defense of such claim or action and may elect to enter into a settlement agreement, provided that no such settlement or defense shall include any admission or implication of wrongdoing on the part of Iron Mountain without Iron Mountain's prior written consent, which consent shall not be unreasonably delayed or withheld. Iron Mountain shall have the right to employ separate counsel and participate in the defense of any claim at its own expense.

8. Warranties

- (a) IRON MOUNTAIN WARRANTS ANY AND ALL SERVICES PROVIDED HEREUNDER SHALL BE PERFORMED IN A WORKMANLIKE MANNER CONSISTENT WITH THE MEASURES IRON MOUNTAIN TAKES TO PROTECT ITS OWN INFORMATION OF A SIMILAR NATURE, BUT IN NO CASE LESS THAN A REASONABLE LEVEL OF CARE. EXCEPT AS SPECIFIED IN THIS SECTION, ALL CONDITIONS, REPRESENTATIONS, AND WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, OR ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE, ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW. AN AGGRIEVED PARTY MUST NOTIFY IRON MOUNTAIN PROMPTLY UPON LEARNING OF ANY CLAIMED BREACH OF ANY WARRANTY AND, TO THE EXTENT ALLOWED BY APPLICABLE LAW, SUCH PARTY'S REMEDY FOR BREACH OF THIS WARRANTY SHALL BE SUBJECT TO THE LIMITATION OF LIABILITY AND CONSEQUENTIAL DAMAGES WAIVER IN THIS AGREEMENT. THIS DISCLAIMER AND EXCLUSION SHALL APPLY EVEN IF THE EXPRESS WARRANTY AND LIMITED REMEDY SET FORTH ABOVE FAILS OF ITS ESSENTIAL PURPOSE.
- (b) Depositor warrants that all Depositor information provided hereunder is accurate and reliable and undertakes to promptly correct and update such Depositor information during the Term of this Agreement.
- (c) Beneficiary warrants that all Beneficiary information provided hereunder is accurate and reliable and undertakes to promptly correct and update such Beneficiary information during the Term of this Agreement.

9. Confidential Information

Iron Mountain shall have the obligation to implement and maintain safeguards designed to protect the confidentiality of the Deposit Material. Except as provided in this Agreement Iron Mountain shall not use or disclose the Deposit Material. Iron Mountain shall not disclose the terms of this Agreement to any third party other than its financial, technical, or legal advisors, or its administrative support service providers. Any such third party shall be bound by the same confidentiality obligations as Iron Mountain. If Iron Mountain receives a subpoena or any other order from a court or other judicial tribunal pertaining to the disclosure or release of the Deposit Material, Iron Mountain will promptly notify the Parties to this Agreement unless prohibited by law. After notifying the Parties, Iron Mountain may comply in good faith with such order. It shall be the responsibility of Depositor or Beneficiary to challenge any such order; provided, however, that Iron Mountain does not waive its rights to present its position with respect to any such order. Iron Mountain will cooperate with the Depositor or Beneficiary, as applicable, to support efforts to quash or limit any subpoena, at such Party's expense. Any Party requesting additional assistance shall pay Iron Mountain's standard charges or as quoted upon submission of a detailed request.

10. Limitation of Liability

EXCEPT FOR: (I) LIABILITY FOR DEATH OR BODILY INJURY; (II) PROVEN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT; OR (III) THE INFRINGEMENT INDEMNIFICATION OBLIGATIONS OF SECTION 7, ALL OTHER LIABILITY RELATED TO THIS AGREEMENT, IF ANY, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, OF ANY PARTY TO THIS AGREEMENT SHALL BE LIMITED TO THE AMOUNT EQUAL TO ONE YEAR OF FEES PAID TO IRON MOUNTAIN UNDER THIS AGREEMENT. IF CLAIM OR LOSS IS MADE IN RELATION TO A SPECIFIC DEPOSIT OR DEPOSITS, SUCH LIABILITY SHALL BE LIMITED TO THE FEES RELATED SPECIFICALLY TO SUCH DEPOSITS.

11. Consequential Damages Waiver

IN NO EVENT SHALL ANY PARTY TO THIS AGREEMENT BE LIABLE TO ANOTHER PARTY FOR ANY INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, LOST PROFITS, ANY COSTS OR EXPENSES FOR THE PROCUREMENT OF SUBSTITUTE SERVICES (EXCLUDING SUBSTITUTE ESCROW SERVICES), OR ANY OTHER INDIRECT DAMAGES, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE EVEN IF THE POSSIBILITY THEREOF MAY BE KNOWN IN ADVANCE TO ONE OR MORE PARTIES.

12. General

In the event that the Paying Party issues a purchase order or other instrument used to pay Service Fees to Iron Mountain, any terms and conditions set forth in the purchase order which constitute terms and conditions which are in addition to those set forth in this Agreement or which establish conflicting terms and conditions to those set forth in this Agreement are expressly rejected by Iron Mountain.
- (c) Right to Make Copies. Iron Mountain shall have the right to make copies of all Deposit Material as reasonably necessary to perform the Services. Iron Mountain shall copy all copyright, nondisclosure, and other proprietary notices and titles contained on Deposit Material onto any copies made by Iron Mountain. Iron Mountain may request Depositor's reasonable cooperation in promptly copying Deposit Material in order for Iron Mountain to perform this Agreement.
- (d) Choice of Law. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the Commonwealth of Massachusetts, USA, as if performed wholly within the state and without giving effect to the principles of conflicts of laws.
- (e) Authorized Person(s). Depositor and Beneficiary must each authorize and designate one person whose actions will legally bind such Party ("Authorized Person" who shall be identified in the Authorized Person(s) Notices Table of this Agreement or such Party's legal representative) and who may manage the Iron Mountain escrow account through the Iron Mountain website or written instruction. The Authorized Person for each the Depositor and Beneficiary will maintain the accuracy of their name and contact information provided to Iron Mountain during the Term of this Agreement.
- (f) Right to Rely on Instructions. With respect to release of Deposit Material or the destruction of Deposit Material, Iron Mountain shall rely on instructions from a Party's Authorized Person(s). In all other cases, Iron Mountain may act in reliance upon any instruction, instrument, or signature reasonably believed by Iron Mountain to be genuine and from an Authorized Person(s), officer, or other employee of a Party. Iron Mountain may assume that such representative of a Party to this Agreement who gives any written notice, request, or instruction has the authority to do so. Iron Mountain will not be required to inquire into the truth of, or evaluate the merit of, any statement or representation contained in any notice or document reasonably believed to be from such representative.
- (g) ForceMajeure. No Party shall be liable for any delay or failure in performance due to events outside the defaulting Party's reasonable control, including without limitation acts of God, earthquake, labor disputes, shortages of supplies, riots, war, acts of terrorism, fire, epidemics, or delays of common carriers or other circumstances beyond its reasonable control. The obligations and rights of the excused Party shall be extended on a day-to-day basis for the time period equal to the period of the excusable delay.
- (h) Notices. All notices regarding Exhibit C (Release of Deposit Material) shall be sent by commercial express mail or other commercially appropriate means that provide prompt delivery and require proof of delivery. All other correspondence, including invoices, payments, and other documents and communications, may be sent electronically or via regular mail. The Parties shall have the right to rely on the last known address of the other Parties. Any correctly addressed notice to the last known address of the other Parties that is refused, unclaimed, or undeliverable shall be deemed effective as of the first date that said notice was refused, unclaimed, or deemed undeliverable by electronic mail, the postal authorities, or through messenger or commercial express delivery service.
- (i) No Waiver. No waiver of any right under this Agreement by any Party shall constitute a subsequent waiver of that or any other right under this Agreement.
- (j) Assignment. No assignment of this Agreement by Depositor or Beneficiary or any rights or obligations of Depositor or Beneficiary under this Agreement is permitted without the written consent of Iron Mountain, which shall not be unreasonably withheld or delayed. Iron Mountain shall have no obligation in performing this Agreement to recognize any successor or assign of Depositor or Beneficiary unless Iron Mountain receives clear, authoritative and conclusive written

- (k) **Severability.** In the event any of the terms of this Agreement become or are declared to be illegal or otherwise unenforceable by any court of competent jurisdiction, such term(s) shall be null and void and shall be deemed deleted from this Agreement. All remaining terms of this Agreement shall remain in full force and effect. If this paragraph becomes applicable and, as a result, the value of this Agreement is materially impaired for any Party, as determined by such Party in its sole discretion, then the affected Party may terminate this Agreement by written notice to the other Parties.
- (l) **Independent Contractor Relationship.** Depositor and Beneficiary understand, acknowledge, and agree that Iron Mountain's relationship with Depositor and Beneficiary will be that of an independent contractor and that nothing in this Agreement is intended to or should be construed to create a partnership, joint venture, or employment relationship.

- (p) **Regulations.** Depositor and Beneficiary are responsible for and warrant, to the extent of their individual actions or omissions, compliance with all applicable laws, rules and regulations, including but not limited to: customs laws; import; export and re-export laws; and government regulations of any country from or to which the Deposit Material may be delivered in accordance with the provisions of this Agreement. With respect to Deposit Material containing personal information and data, Depositor agrees to (i) procure all necessary consents in relation to personal information and data; and (ii) otherwise comply with all applicable privacy and data protection laws as they relate to the subject matter of this Agreement. Notwithstanding anything in this Agreement to the contrary, if an applicable law or regulation exists or should be enacted which is contrary to the obligations imposed upon Iron Mountain hereunder, and results in the activities contemplated hereunder unlawful, Depositor and/or Beneficiary will notify Iron Mountain and Iron Mountain will be relieved of its obligations hereunder unless and until such time as such activity is permitted.
- (q) **No Third Party Rights.** This Agreement is made solely for the benefit of the Parties to this Agreement and their respective permitted successors and assigns, and no other person or entity shall have or acquire any right by virtue of this Agreement unless otherwise agreed to by all the Parties hereto.
- (r) **Entire Agreement.** The Parties agree that this Agreement, which includes all the Exhibits attached hereto and all valid Work Requests and SOWs submitted by the Parties, is the complete agreement between the Parties hereto concerning the subject matter of this Agreement and replaces any prior or contemporaneous oral or written communications between the Parties. There are no conditions, understandings, agreements, representations, or warranties, expressed or implied, which are not specified herein. Each of the Parties herein represents and warrants that the execution, delivery, and performance of this Agreement has been duly authorized and signed by a person who meets statutory or other binding approval to sign on behalf of its business organization as named in this Agreement. This Agreement may only be modified by mutual written agreement of all the Parties.
- (s) **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument.
- (t) **Survival.** Sections 6 (Term and Termination), 7 (Infringement Indemnification), 8 (Warranties), 9 (Confidential Information), 10 (Limitation of Liability), 11 (Consequential Damages Waiver), and 12 (General) of this Agreement shall survive termination of this Agreement or any Exhibit attached hereto.
