**Part #2: Contract Information**

**CONTRACT ROADMAP INSTRUCTIONS**
Each Solicitation shall be consistent with AO No.3-38, “Master Procurement Administrative Order” and the Terms and Conditions outlined within Request to Qualify No. RTQ-00004.

**Applicable Ordinances and Contract Measures**

- The two percent User Access Program provision applies and will be collected on all purchases.
- The Small Business Enterprise (SBE) Bid Preference and Local Preference Ordinances will be applied at the time of spot market competition. A SBE set-aside also applies for spot market competition up to $100,000 when there are three or more certified SBE firms available.
- The Living Wage Ordinance does not apply.

Funding sources exempted from any of the above mentioned ordinances need to clearly articulate within the RFQ that the program fees are not applicable.

**Local Preference Consideration**

The evaluation of competitive solicitations is subject to Section 2-8.5 of the Miami-Dade County Code, which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to local businesses. A local business, for the purposes of this Section, shall be defined as a Proposer which meets all of the following:

1. a business that has a valid occupational license, issued by Miami-Dade County at least one year prior to bid or proposal submission, that is appropriate for the goods, services or construction to be purchased;
2. a business that has physical business address located within the limits of Miami-Dade County from which the vendor operates or performs business (Post Office Boxes are not verifiable and shall not be used for the purpose of establishing said physical address.); and
3. a business that contributes to the economic development and well-being of Miami-Dade County in a verifiable and measurable way. This may include but not be limited to the retention and expansion of employment opportunities and the support and increase in the County’s tax base. To satisfy this requirement, the vendor shall affirm in writing its compliance with either of the following objective criteria as of the proposal submission date stated in the solicitation:
   a. vendor has at least ten (10) permanent full time employees, or part time employees equivalent to 10 FTE ("full-time equivalent" employees working 40 hours per week) that live in Miami-Dade County, or at least 25% of its employees that live in Miami-Dade County, or
   b. vendor contributes to the County’s tax base by paying either real property taxes or tangible personal property taxes to Miami-Dade County, or
   c. some other verifiable and measurable contribution to the economic development and well-being of Miami-Dade County.

When the above circumstances occur, user departments are to send out a best and final offer request to all bidders remaining in consideration.

Please note that the determination of the responsibility and responsiveness of all vendors that are to be included in the best and final process must take place prior to requesting the BAFO. This is to avoid a situation where a violation of the local preference ordinance to conduct a best and final process could take place. Even if low bidder, a non-responsive local vendor should not be included in this process.

Vendors are eligible for Local Preference if affirmed within the RFQ submittal.

**Small Business Contract Measures**

A Small Business Enterprise (SBE) bid preference applies to this solicitation.

A 10% percent bid preference shall apply to contracts $1 million or less and 5% percent on contracts greater than $1 million. A SBE/Micro Business Enterprise must be certified by the Department of Business Development (DBD) for the type of goods and/or services the Enterprise provides in accordance with the applicable Commodity Code(s) for this solicitation. A SBE set-aside also applies for spot market competition up to $100,000 when there are three or more certified SBE firms available.

The SBE/Micro Business Enterprise must be certified by bid submission deadline, at contract award and for the duration of the contract to remain eligible for the preference.
Departments are responsible for verifying eligibility status based on the RFQ submittal submitted in response to the RFQ. Firms are only eligible for the SBD preference if they are certified in the commodities authorized under Request to Qualify No. RTQ-00004.

To verify eligibility, please visit the Small Business Development website: http://www.miamidade.gov/business/business-certification-programs.asp

Should a vendor’s insurance policy lapse during the term of this agreement, the vendor will be suspended from the contract until a new valid insurance certificate is approved by Risk Management. Upon approval, the vendor will be reinstated back onto the contract and allowed to work on County premises.

**Part #3: Instructions for each solicitation**

Request to Qualify No. RFQ-00004 requires each acquisition to go through a competitive, spot market Request for Quote (RFQ), prior to the award of a Work Order (WO). The RFQ shall be written with sufficient detail to ensure the vendors can adequately assess and provide the best price in response to the RFQ.
