Contract Title: Forensic Video Equipment Solution Hardware, Software Maintenance and Support Agreement

Contractor: Dynamic Technologies, Inc., D/B/A Ocean Systems
4016 Blackburn Lane
Burtonsville, MD 20866

This Contract Amendment No. 1 ("Amendment") amends the original Contract No. SS9621-0/17 ("Contract"), dated March 22, 2012, between Miami-Dade County ("County") and Dynamic Technologies, Inc., D/B/A Ocean Systems ("Contractor").

The Contract provides the Miami-Dade Police Department (MDPD) with hardware, software, maintenance and support services for their Forensic Video Equipment Solution (Solution). The Solution allows for MDPD forensic analysts to better capture, clarify, and enhance evidentiary video in a forensically sound manner to support MDPD investigators as well as investigators from other federal, state and local jurisdictions in investigations involving video evidence. In case of any conflict between the terms of the Contract and this Amendment, the terms of this Amendment shall prevail.

Whereas the County and Contractor mutually desire to amend the Contract as set forth below;

Now therefore, the County and Contractor agree as follows:

1. ARTICLE 16, "ADDITIONAL HARDWARE, SOFTWARE, AND ASSOCIATED MAINTENANCE SUPPORT SERVICES" is hereby added to the terms of the Contract to read as follows:

Although this Contract states a specific or an estimated number of items or units to be purchased by the County, it is understood and agreed that the County may purchase additional hardware, software, and associated maintenance and support services in support of the Forensic Video Equipment Solution.

Upon the County's request for such additional hardware, software, and associated maintenance support services, the Contractor shall prepare a Statement of Work ("SOW") for the specific goods or services to be purchased. The Contractor shall submit a cost proposal including all costs pertaining to furnishing the County with the required goods or services.

After the SOW has been accepted by the County, a final Proposal shall be submitted to the County illustrating the complete financial terms that govern the SOW, proposed Project staffing (if applicable), anticipated Project schedule, and other information relevant to the Project as applicable. Each SOW executed hereunder shall automatically incorporate the terms and conditions of this Contract.

Pricing shall be offered at the Contractor's most competitive rates, which shall be the same pricing offered to Federal agencies.

ALL TERMS, COVENANTS AND CONDITIONS OF THE ORIGINAL CONTRACT SHALL REMAIN IN FULL FORCE AND EFFECT, EXCEPT TO THE EXTENT HEREIN AMENDED.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment No. 1 to be executed by their duly authorized representatives as of the date indicated below.
