PART #2: INSTRUCTIONS FOR EACH SOLICITATION

This contract requires each acquisition to go through a competitive, spot market Request for Quote (RFQ), or Work Order Proposal Request (WOPR), prior to the award of a Work Order (WO).

Departments are to utilize the above vendor contact information for the issuance of all RFQ's. These contacts listed above are authorized to respond to all County requests and are to be included in each RFQ issued against the contract. Failure to utilize the above contacts for the vendors listed, may result in cancellation or rejection of a RFQ solicitation. It is highly recommended that the RFQ's be issued via e-mail for tracking and reporting purposes. For the issuance of all WOPR's, departments shall contact the Procurement Contracting Officer listed above. Departments are not to issue WOPRs directly.

QUOTATION DIRECTIVES

- Each quotation must be open and competitive.
- Quotes may be issued for the completion of IT Consulting projects that have been pre-approved by the Board of County Commissioners.
- Departments interested in procuring the pool's services should first contact ITD. If it is confirmed that the proposed project has been pre-approved, and can be carried out through the pool, ITD will assist the user department in preparing a solicitation instrument including scope of services and appropriate selection criteria.
- Request additional and/or revised insurance requirements from Risk Management, as applicable.

METHOD OF AWARD

RFQ's may be awarded to the vendors with the lowest price, who meets the minimum requirements of the RFQ.

Prior to award, the User Department shall:

- Request a copy as proof of applicable license and/or certification (if, applicable).
- Request a copy of applicable insurance compliance, and forward to Procurement Contracting Officer for assistance with processing.

USER DEPARTMENT RESPONSIBILITY

It is the responsibility of the user Department to ensure compliance with the above-mentioned procedures. Purchase under this contract will be subject to random review or audit by County authorities, including the Procurement Management Services Division, Audit and Management, and the Office of the Inspector General.

RECORD RETENTION

For each purchase order issued under this contract, the user department shall maintain a record of the purchase including: market research performed, all quotes sought, all quotes obtained, required exception forms, and any other documentation supporting each purchase to ensure compliance and to establish the necessary accountability for audit. The record shall be maintained by the user department in a location (either electronic or paper) easily accessible for review or audit in accordance with the County Records Retention regulations.

PART #4: APPLICABLE ORDINANCES

Each Solicitation shall be consistent with the Master Procurement Implementing Order (I.O.) NO.3-38.

The following ordinances shall be applicable to each solicitation issued under this contract: Local Preference, SBE, Cone of Silence, County User Access Program (UAP), and Office Inspector General.

Departments using Federal Funds

The County uses a variety of funding sources, including grants to pay for products and services that may prohibit the application of measures (Section 2.2); local preference (Section 1.10); IG (Section 1.26) and; UAP (Section 2.21). When a issuing a Request to Quote, (RTQ) you must identify the section(s) that are not applicable to the product and / or service being purchased in the form.
