Any soil groundwater or surface water contaminants exceeding standards or criteria outlined in local, state, and/or federal law, shall be disclosed. Furthermore, any portion of the of the property to be conveyed (including right-of-way) must be identified, and the receiving entity must be made aware of the contamination and accept the conveyance. Documentation of acceptance from each entity shall be provided with the plat application.

Be advised that Miami-Dade County will not accept the conveyance of contaminated property for right-of-way: right-of-way areas must be fully restored to applicable local, state, and/or federal standards or criteria.

Please note nothing stated herein may be interpreted to limit or restrict an engineer's or other professional's responsibility to prepare plans accurately and completely for proposed right-of-way as well as any other projects or plans. For proposed dedications of non-right-of-way properties, any soil, groundwater or surface water contaminants must be disclosed to the County Department at the earliest stage possible. The presence of any such contamination or delay in disclosure of such contamination could result in the County declining the acceptance of the proposed dedication, the need for the developer to reconfigure or change previously approved site plans, or conduct changes to the proposed development may be required. The applicant may contact the DERM Environmental Monitoring and Restoration Division at 305-372-6700 for additional information.
