Documentation of acceptance from each entity shall be provided with the plat application.

Be advised that Miami-Dade County will not accept the conveyance of contaminated property for right-of-way: right-of-way areas must be fully restored to applicable local, state, and/or federal standards or criteria.

Please note nothing stated herein may be interpreted to limit or restrict an engineer's or other professional's responsibility to prepare plans accurately and completely for proposed right-of-way as well as any other projects or plans. For proposed dedications of non-right-of-way properties, any soil, groundwater or surface water contaminants must be disclosed to the County Department at the earliest stage possible. The presence of any such contamination or delay in disclosure of such contamination could result in the County declining the acceptance of the proposed dedication, the need for the developer to reconfigure or change previously approved site plans, or conduct changes to the proposed development may be required. The applicant may contact the DERM Environmental Monitoring and Restoration Division at 305-372-6700 for additional information.

I HEREBY CERTIFY that I am the owner of the parcel(s) described in Item 5 and that the information contained in this application is true and correct to the best of my knowledge and belief. If applicable, attached is a list of all the restrictions/ restrictive covenants and declarations in favor of Miami-Dade County. Attached is a copy of the recorded deed showing my acquisition of this land. In addition, I agree to furnish additional items as may be necessary such as abstract or Opinion of Title to determine accurate ownership information. Furthermore, I am aware that the use of a public water supply and/or public sewer system may be required for this development. If so required, I recognize that engineering drawings for the extension of these utilities must be approved by the appropriate utility entity and by D.R.E.R. prior to the approval of the final plat.

**Pursuant to Florida Statutes 837.06, whoever knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his duty shall be guilty of a misdemeanor of the second degree, punishable as provided in FS. 775.082 or FS. 775.083.**
