RESOLUTION AUTHORIZING DESIGNATED PURCHASE PURSUANT TO SECTION 2-8.1(B)(3) OF THE COUNTY CODE BY A TWO-THIRDS VOTE OF THE BOARD MEMBERS PRESENT; AUTHORIZING FOUR YEAR EXTENSION OF INITIAL TERM OF CONTRACT, EXERCISE OF A ONE YEAR OPTION TO RENEW TERM, AND ADDITIONAL EXPENDITURE AUTHORITY IN AN AMOUNT UP TO \$319,912.00, CONSISTING OF \$234,256.00 FOR THE EXTENDED TERM AND \$85,656.00 FOR THE OPTION TO RENEW TERM FOR A MODIFIED TOTAL CONTRACT AWARD OF \$565,475.00 FOR CONTRACT NO. L7204-1/25 FOR THE PURCHASE OF E-NET SOFTWARE MAINTENANCE SUPPORT SERVICES FOR THE INFORMATION TECHNOLOGY DEPARTMENT; AND AUTHORIZING THE COUNTY MAYOR OR COUNTY MAYOR’S DESIGNEE TO EXERCISE ALL PROVISIONS OF THE CONTRACT, INCLUDING ANY RENEWALS, EXTENSIONS OR CANCELLATIONS, PURSUANT TO SECTION 2-8.1 OF THE COUNTY CODE AND IMPLEMENTING ORDER 3-38

**ISSUE/REQUESTED ACTION**

Whether the Board should authorize a designated purchase by a two-thirds vote of the members present for Contract No. L7204-1/25 to extend the initial term by four years, exercise a one-year option to renew term, and increase spending in an amount of \$319,912, consisting of \$234,256 for the extended term and \$85,656 for the option to renew term for a modified contract award of \$565,475, for e-net software maintenance and support services for the Information Technology Department (ITD).

**PROCEDURAL HISTORY**

**Prime Sponsor:**  
**Department/Requester: Internal Services Department (ISD)**

There is no procedural history for this item.

**ANALYSIS**

The purpose of this item is for the Board to approve a four-year extension from the initial term as well as to exercise a one-year option to renew term and additional expenditure authority in an amount of up to \$319,912, consisting of \$234,256 for the extended term and \$85,656 for the option to renew for a modified total contract award of \$565,475 for Legacy Contract No. L7204-1/25, for e-net software maintenance and support services for ITD. This contract is intended for remote recovery and replication of mainframe databases. It is used by ITD to provide the Criminal Justice Information System (CJIS) and the Traffic System (TS) with a reliable method to duplicate their databases. E-Net Corporation is the developer and sole proprietor of the software application and the only vendor that can provide the required maintenance and support services. The software is proprietary to E-Net Corporation, making competition not practicable. This extension is cost-effective, given the County’s investment in the system, while ITD undergoes a competitive procurement of a court case management solution to modernize the CJIS. Once modernization is complete, the County will no longer be reliant on the current system.

The table below is intended to show the life of this legacy contract with Miami-Dade County.

RESOLUTION AUTHORIZING DESIGNATED PURCHASE PURSUANT TO SECTION 2-8.1(B)(3) OF THE COUNTY CODE BY A TWO-THIRDS VOTE OF THE BOARD MEMBERS PRESENT; AUTHORIZING AWARD OF CONTRACT NO. BW-9162-2/25 FOR PURCHASE OF FORENSIC ODONTOLOGY SERVICES TO DR. RICHARD R. SOUVIRON, D.D.S. IN AN AMOUNT NOT TO EXCEED \$539,300.00 FOR THE INITIAL THREE-YEAR TERM AND TWO, ONE-YEAR OPTIONS TO RENEW FOR THE MEDICAL EXAMINER DEPARTMENT; AND AUTHORIZING THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO EXERCISE ALL PROVISIONS OF THE CONTRACT, INCLUDING ANY RENEWAL, CANCELLATION OR EXTENSION PROVISIONS, PURSUANT TO SECTION 2-8.1 OF THE COUNTY CODE AND IMPLEMENTING ORDER 3-38

**ISSUE/REQUESTED ACTION**

Whether the Board should authorize, by a two-thirds vote of the members present, a designated purchase for forensic odontology services to Dr. Richard R. Souviron, D.D.S., under Contract No. BW-9162-2/25, in an amount not to exceed \$539,300 for the initial three-year term plus two, one-year options to renew for the Medical Examiner Department.

**PROCEDURAL HISTORY**

**Prime Sponsor: None**

**Department/Requester: Internal Services Department**

**ANALYSIS**

The purpose of this item is to approve a request for award of Designated Purchase, Contract No. BW-9162-2/25, to Dr. Richard R Souviron D.D.S. for a three-year term with two, one-year options to renew for the Medical Examiner Department to continue to receive forensic odontology services. The contract will replace the existing contract with Dr. Souviron, Contract No. BW9162-4/20, which was awarded under delegated authority on September 8, 2015 for an initial 13-month term, with four one-year options to renew. The contract took effect on September 14, 2015 and is set to expire on November 30, 2020. The current option term had an original expiration date of September 30, 2020 but was extended administratively by two months through November 30, 2020. Dr. Souviron has been providing forensic odontology services to the Medical Examiner Department for over 46 years.

The replacement contract will allow the Medical Examiner Department to continue receiving the services of a forensic odontologist. Forensic odontologists assist with, among other things: the examination and evaluation of dental records and bite-marks, aiding in the identification of human remains and criminal suspects, determining causes of death, acting as expert witnesses, conducting departmental education programs, and providing consultation services to related the State Attorney, Public Defender, and County agencies including the Police and the Public Health Trust. Under the contract, the awardee is specifically responsible for: providing appropriate reports pertaining to the identification of unknown persons or the cause of death; providing dental charts; reviewing x-rays of human jaws; studying and providing reports on skeletonized remains; providing forensic odontology services, at the ME's direction, to law enforcement agencies investigating crimes involving bite mark evidence, sexual battery, child abuse and assault; making an analysis and comparison of bite mark evidence; providing consultation services to the State Attorney, Public Defender and related County agencies including Police and the Public Health Trust as directed by the ME; providing active Board certification and training of new odontologists in preparation for the American Board of Forensic Odontology (ABFO) certification; cooperating with local law enforcement agencies to obtain dental impressions and dental records of subjects in police custody.

Under the original contract BW9162-4/20, the County has allocated Dr. Souviron \$543,622 over the course of five years, two months, and sixteen days. The contract's Blanket Purchase Order shows that \$522,990.94 of the \$543,622 allocated for the initial term and all OTRs has been released (as of July 10, 2020), leaving a balance of \$20,631.06. Under the replacement contract Dr. Souviron will be allocated \$539,300 for a term of three years with two one-year options to renew. The annual allocation under the replacement contract is essentially the same as the current contract. Dr. Souviron will be paid at a rate of 8,988.30 per month for the duration of the contract.

The table below provides a breakdown of the two prior contracts for these services, BW9162-4/14 and BW9162-4/20, including effective dates of initial term through last OTR expiration date and cumulative value (allocation for initial term plus all OTRs). The County has spent a total of \$960,788.67 on these services under the two prior contracts.

Contract No.	Cumulative term	Cumulative value
BW9162-4/14	02/01/2010-08/31/2015	\$417,166.67
BW9162-4/20	09/14/2015-11/30/2020	\$543,622

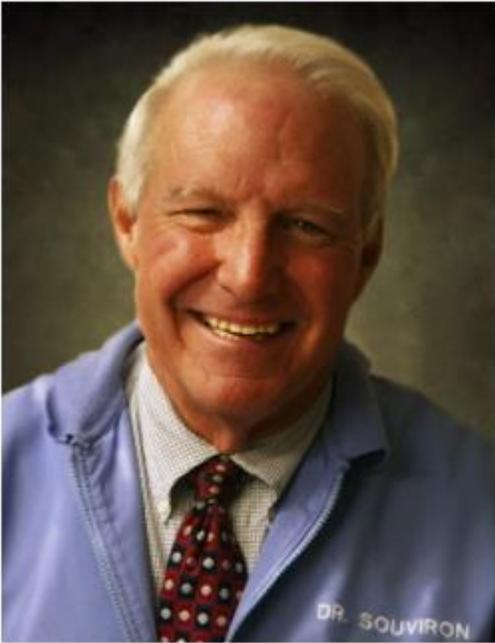

The contract is a designated purchase because competition for forensic odontology services is not practicable given that there is not sufficient competition for specialized forensic odontology services in Miami-Dade County. A Request for Information (RFI) was conducted. This RFI was intended to assist the County in understanding the level of interest and assess the feasibility of establishing a competitively solicited contract for specialized forensic odontology services, on a nonexclusive basis, for the County ME. Zero responses were received to this RFI which was posted on BidSync from January 3 to January 16, 2020. On January 17, a survey was sent out to potential vendors and vendors who viewed the RFI on BidSync inquiring on any barriers that existed in their decision to not respond to the RFI. Three potential vendors responded, their responses did not indicate interest, availability, or feasibility of competition. This RFI confirmed that competition for forensic odontology services is not practicable at the time. Through market research, it was found that the Florida Department of Law Enforcement has identified Board Certified Odontologists by Medical Examiner District (MED) in the state of Florida. There are only two odontologists listed in the MED corresponding to Miami-Dade County, MED No. 11. They are: Dr. Richard Souviron and Dr. Brad Lewis. The American Board of Forensic Odontology lists Dr. Souviron as Chief and Dr. William Silver as Deputy Chief of the Forensic Odontology section for the Miami-Dade district. Dr. Silver remains firm on his response to the County that he will not bid if a solicitation were to become available for these services and a response from Dr. Lewis was not received. Dr. Richard Souviron was thus selected to provide forensic odontology services to the Medical Examiner Department.

Dr. Richard Souviron D.D.S. is a member of the following professional organizations: American Dental Association, Florida Dental Association, South Florida District Dental Society, International College of Dentists (Fellow), American Academy of Forensic Sciences (Fellow), and American Board of Forensic Odontology (Founding Member and Diplomat). Dr. Souviron has been practicing in the field of forensic odontology for over 60 years and is one of the foremost authorities in forensic dentistry in the United States. Dr. Souviron is world renowned for his determinations and presentations of bite mark evidence to assist law enforcement and child welfare agencies. He is the Chief Forensic Dentist for Dade County, Florida, and is a Forensic Consultant to numerous crime labs and police agencies throughout the State of Florida. He has served five years in the Ethics Committee of the East Coast Dental Society and the Florida Bar Grievance Committee, 11th Judicial Circuit.

The fiscal impact of this item is \$2,462,000 for a five-year term. The replacement group award is \$6,306,000 lower, or a decrease of 71.9%, from the current contract and pool; as noted in the mayoral memorandum, this reduction is due to the projected usage by the six user departments: Aviation, Community Action and Human Services, Internal Services, Library System, PortMiami, and Public Housing and Community Development.

OCA reviewed the Bid Tracking System on July 14, 2020 pertaining current *Contract No. FB-00277* and *Prequalification Pool No. 5101-1/21-1*. *Contract No. FB-00277* expires November 30, 2020 and has been depleted; meanwhile, *Prequalification Pool No. 5101-1/21-1*, which expires December 31, 2021, showed an allocation of \$4,340,907, a released amount of \$405,332, and a blanket purchase order of \$3,942,100.

A solicitation for this item was issued under full and open competition on November 18, 2019 with a due date of December 5, 2019. Five vendors responded to the solicitation, of which four have a local address, two are SBE and two are incumbents. As per the requestor Department, solicitations for Groups C and D remain open to allow for additional vendors that meet the prequalification criteria to be added during the pool's term.

OCA performed a search for commodity codes 87035 (Shutters Inside and Outside Types) and 90678 (Security Systems; Intruder and Smoke Detection) on the Business Management Workforce System's Certified Vendor Directory on July 14, 2020. Listed below are the local SBEs identified:

- JSA Group, Inc. Miami, FL SBE-G&S
- KVH Architects, P.A. Doral, FL SBE-G&S
- Ford Shutters Shades & Draperies Inc. North Miami, FL SBE-G&S

Whether these vendors have the capacity to participate in any aspect of the contract's scope of services is beyond the scope of this research note. None of the vendors listed above submitted proposals for the subject contract and prequalification pool.

OCA conducted due diligence on the awarded vendors on July 12, 2020; the findings are shown below. The respective groups for the contract and prequalification pool, as well as the SBE and incumbents are identified accordingly.

### **The Office of the Commission Auditor, Miami-Dade Board of County Commissioners**

The Office of the Commission Auditor (OCA) was established in September 2002 by Ordinance 03-2 to provide support and professional analysis of the policy, service, budgetary and operational issues before the Miami-Dade Board of County Commissioners. The Commission Auditor's duties include reporting to the Board of County Commissioners on the fiscal operations of County departments, as well as whether the fiscal and legislative policy directions of the Commission are being efficiently and effectively implemented

These research notes, prepared in collaboration with the Miami Dade County departments as subject matter experts, is substantially less detailed in scope than an audit in accordance with the Generally Accepted Auditing Standards (GAAS). The OCA plans and performs the review to obtain sufficient, appropriate evidence to provide a reasonable basis for its findings and conclusions based on its objectives; accordingly, the OCA does not express an opinion on the data gathered by the subject matter expert(s).
