

FY 2021 - 22 Adopted Budget and Multi-Year Capital Plan

Homeless Trust

The Miami-Dade County Homeless Trust (Homeless Trust) serves as the coordinating entity for the provision of housing and services to individuals and families experiencing homelessness throughout Miami-Dade County. The Homeless Trust advises the Board of County Commissioners (BCC) on issues related to homelessness and serves as the identified "Collaborative Applicant" for the United States Department of Housing and Urban Development's (U.S. HUD) Continuum of Care Program and the Florida Department of Children and Families Office on Homelessness. The Homeless Trust implements Miami-Dade County's Community Homeless Plan: Priority Home and administers the one percent Food and Beverage Tax proceeds in furtherance of the plan. Eighty-five percent (85%) of Food and Beverage Tax proceeds are dedicated to homeless housing and services and leveraged with federal, state, local and other resources dedicated to providing housing and services for the homeless, including survivors of domestic violence. The Homeless Trust also provides administrative, contractual and policy formulation assistance related to homeless and domestic violence housing and services. The Homeless Trust also assists in coordinating and monitoring the construction and operations of domestic violence centers in Miami-Dade County, which are funded through the remaining 15 percent of the Food and Beverage Tax.

As part of the Health and Society strategic area, the Homeless Trust funds and monitors homeless prevention services, temporary and permanent housing, and supportive services for the homeless, including homeless outreach. Each area is specifically designed to meet the unique needs of homeless individuals and families when they first enter the system and as their needs develop and evolve over time. This blend of housing and services comprises what is known as the homeless continuum of care. Over 8,600 emergency, transitional and permanent housing beds have been developed by or through the Homeless Trust since its inception in 1993. A Board of Trustees, comprised of 27 members, governs the Homeless Trust. Membership consists of appointed leadership, including County and City commissioners, representatives from the Judiciary, the Superintendent of Schools, the Florida Department of Children and Families Regional Administrator and the City of Miami Manager. The Board also includes representation from Miami Homes for All; business, civic and faith-based community groups; homeless service providers; homeless individuals; and formerly homeless individuals. To fulfill its mission of assisting homeless individuals and families, the Homeless Trust relies on the services offered by provider agencies within the community, including its private sector partner, Chapman Partnership.

FY 2021 - 22 Adopted Budget and Multi-Year Capital Plan

DIVISION COMMENTS

- COVID-19 continues to impact the homeless Continuum of Care; measures remain in place to protect and support both sheltered and unsheltered populations in congregate emergency shelter facilities and on the streets; homeless prevention efforts remain in demand as renters and property owners face pre- and post-COVID hardships
- A slow recovery is expected for FY 2021-22; Food and Beverage Tax revenues suffered unprecedented impacts in FY 2019-20 and into FY 2020-21; in FY 2021-22, revenues of \$28.103 million are projected; these projections are commensurate with FY 2015-16 actuals
- The American Rescue Plan and Coronavirus Aid, Relief, and Economic Security Act has provided new resources beginning in July 2020 to support homeless and at-risk households, including Emergency Solutions Grants (ESG) funding and Emergency Housing Vouchers, as well as additional HOME Investment Partnerships and Community Development Block Grant funds; the Trust has worked with entitlement jurisdictions and the state of Florida to coordinate use of these funds to best serve vulnerable persons experiencing homelessness; the Trust was directly awarded nearly \$8.7 million in ESG directly from the Department of Children and Families' Office on Homelessness; these funds are being used to provide rental assistance and enhance street outreach, with an emphasis on persons in encampments and those on the streets with Substance Use Disorders (SUD)
- In January 2021, U.S. HUD announced it was renewing funding for all homeless Continuum of Care projects totaling \$35.33 million; funded projects include street outreach, rapid rehousing, permanent supportive housing and joint transitional housing/rapid rehousing, as well as a planning grant
- During the 2021 State Legislative Session, the Homeless Trust secured a special appropriation of \$562,000 for low barrier, single-site permanent supportive housing allowing for quick placement of individuals coming directly from the streets who would likely not do well in a congregate living facility, such as an emergency shelter; this new housing serves as a bridge to other permanent housing within the homeless continuum**
- The Homeless Trust continues to partner and leverage the resources of area public housing agencies to provide housing to homeless households; preferences and set-asides are providing housing to extremely vulnerable clients experiencing homelessness; programs essential to preventing and ending homelessness include newly leveraged Tenant and Project Based Rental Assistance Programs, including Section 8, Mainstream, Family Unification and Foster Youth to Independence vouchers; Section 202/811 supportive housing programs, public housing, the HOME Investment Partnerships Program, the Emergency Solutions Grants Program and Community Development Block Grants; nearly half of the Homeless Trust's budget relies on direct federal funding, not including indirect partnerships with housing authorities, HUD-assisted property owners and entitlement jurisdictions
- In FY 2021-22, Homeless Trust Capital Reserves for future infrastructure acquisition and renovations are \$4.838 million; Tax Equalization Reserves which are essential to maintaining service levels and adding needed capacity have been reduced to \$1.226 million as a result of the pandemic; the Trust is working to replenish these reserves to offset declines in Food and Beverage revenues and manage unbudgeted emergency events

ADDITIONAL INFORMATION

- The FY 2021-22 Adopted Budget includes an allocation in the General Fund Health and Society Community-based Organizations to the Sundari Foundation, Inc. operators of the Lotus House Women's Shelter, for emergency shelter to provide evidence-based, trauma informed housing and services for homeless women, youth and children with special needs (\$520,000)

CAPITAL BUDGET HIGHLIGHTS AND OPERATIONAL IMPACTS

- In FY 2020-21, construction was completed on the Empowerment Center, which became the second domestic violence center constructed and operated using fifteen percent of the revenues collected from the 1% Food and Beverage Tax for Homeless and Domestic Violence; the facility opened in October 2021 and will be operated by the Miami-Dade Community Action and Human Services Department
