**Product Control Advisory  
Shutters Stimulus Submittal Fees for  
Shutter Association Members**

The Product Control Division would like to announce a temporary policy change within our department to take effect on January 04, 2010. The change is designed to stimulate the shutter industry and will affect the submittals of New Shutter Association Members seeking to obtain an NOA.

The policy will allow member applicants to file for new approval with a fee of \$1500. The approval will follow all other existing guidelines and requirements.

This program will sunset September 30, 2010.

Please contact our office if you have any question or concerns.
