Is **14.00** the only one for the "Prime" (typically) **14.00 & 18.00** are identified for the Prime? You are correct, 14.00 and 18.00 are Prime.

Are the requirements listed, applicable to the Prime only? (or to the subs as well – typically the prime carries the experience unless there are sub-consultant scopes of work that rises to the same level...) Requirements do not apply to 11.00, 13.00, and 20.00. Yes, to all others.

Thanks,

John,

Please address the memo to RER's Director. Also, if there is no scope of services involving 11.00 (General Structural),  
Just remove it from the breakdown. Will do

What is the "**Construction Value**"? Approximately \$1.2 Million

Are there any County Dollars being dispensed? None
