Good Morning James,

I am in receipt of the subject package for review and approval. Please correct the cover memo to remove references to the CBE program and reflect that you are requesting CSBE goals to be approved as opposed to CBE as this project's CBE component under Project No. E08-PW-05 has already been awarded and completed. TCBJPA-2008.02 was the construction component's project number as presented to SBD for the initial review and approval of this project, so I believe that your cover memo should reflect this project number.
