

TASK FORCE MEMBER ALFREDO GONZALEZ'S PROPOSAL ON REGULATION OF RIDESHARE SERVICES

Recommendation: The Miami-Dade County Home Rule Charter currently empowers the Board of County Commissioners to license and regulate traditional passenger vehicles for hire in Miami-Dade County. The proposed amendment would update this provision to include rideshare services.

PROPOSED AMENDMENT TO THE CHARTER

SECTION 1.01. – POWERS.

A. The Board of County Commissioners shall be the legislative and the governing body of the county. The County shall have the power to carry on a central metropolitan government. The Board's powers shall include but shall not be restricted to the powers to:

* * *

3. License and regulate taxis, jitneys, limousines for hire, rental cars, >>rideshare services<< and other passenger vehicles for hire operating in the county.
