Section 102: County. **County** means the County of San Diego.

Section 103: Board. **Board** means the Board of Supervisors of the County of San Diego.

Section 104: Officers. **Officers** include elective and appointive County officers as specifically designated by general law, by this Charter, or by ordinance of the Board.

Section 105: Employees. **Employees** include deputies and all other persons whose personal services are engaged for compensation by the County, except officers and independent contractors.

Section 106: Departments. **Departments** includes County agencies, departments, offices, institutions, boards, commissions, committees, and all other branches and divisions of County administration.

ARTICLE II INITIATIVE, REFERENDUM, AND RECALL

Section 200: Initiative, Referendum, and Recall. The people of the County may exercise the initiative, referendum, and recall provisions of general law.

ARTICLE III COUNTY POWERS

Section 300: County Powers. As a political subdivision of the State, the County has all the powers specifically stated and necessarily implied in general law and this Charter, including the power to assess, levy, and collect taxes.

Section 301: County Authority. The County may exercise its powers only through a five-member Board of Supervisors or through persons authorized by general law, this Charter, County ordinance, or by resolution, policy or order approved by the Board. (Amended, effective 9-11-06)

ARTICLE IV BOARD OF SUPERVISORS

Section 400: Number and Apportionment of Districts. For the purpose of electing Supervisors, the County is divided into five legally apportioned districts.

Section 400.1: After each Federal decennial census, the districts of the County shall be reapportioned by the Board in the manner specified by general law and in such a way that the area of at least two districts is as substantially outside the City of San Diego as the population will permit. Failure of the Board to so redistrict within one year constitutes misconduct in office.

Section 401: Election and Appointment of Supervisors. The voters in each of the County's five districts nominate and elect one Supervisor from their district to serve on the Board for a four-year term, beginning at noon on the first Monday after January first following election, and to hold office until the qualification of a successor.

Section 401.1: Elections of Supervisors occur every two years: Supervisors for the first, second and third districts are elected at one general election; Supervisors for the fourth and fifth districts are elected at the alternate general election.

Section 401.2: A candidate for election or appointment as Supervisor shall fulfill residency and elector requirements established by general law.

Section 401.3: A candidate who receives a majority of all votes in the primary election is elected. When no candidate is so elected, the two candidates who receive the highest number of votes in the primary are the candidates in the general election, and the one who receives the higher number of votes in the general election is elected. In the event there are no more than two candidates for one office, the office shall be voted upon at the primary election. Write-in candidates are permitted in the primary election in accordance with state general law. However, no write-in candidates are permitted to participate in the general election. (Amended, effective 12-31-80, Operative 7-1-81) (Amended, effective 9-11-06)

Section 401.4: In the event a vacancy occurs in the office of supervisor, the remaining members of the Board shall within thirty (30) days of the vacancy fill the vacancy either by appointment for the unexpired term, by appointment until the qualification of a successor elected at a special election or by calling a special election. If the remaining members of the Board fail to fill the vacancy within such thirty (30) day period, the remaining members of the Board shall immediately cause a special election to be held to fill such vacancy. A special election to fill a vacancy in the office of Supervisor shall consist of a special primary election and if necessary, a special general election. A special primary election shall be held in the Supervisorial district in which the vacancy occurred on a Tuesday, at least 56 days, but not more than 63 days, following the adoption of the resolution calling the special election, except that any such special primary election may be conducted within 180 days following the adoption of such resolution in order that the special primary election or special general election may be consolidated with the next regularly scheduled statewide election.

Candidates at the special primary election shall be nominated in the manner set forth in the Elections Code for the nomination of candidates for a nonpartisan office for a direct primary election, except that nomination papers shall not be circulated prior to the adoption of the resolution calling the special election and shall be filed with the Registrar of Voters for examination not less than 43 days before the special primary election.

If only one candidate qualifies for the special primary election, that candidate shall be appointed to the vacancy by the remaining members of the Board for the unexpired term, shall serve exactly as if elected to such vacancy, and no special primary election or special general election to fill the vacancy shall be held. A candidate who receives a majority of all votes in the special primary election is elected to fill the vacancy for the unexpired term, and no special election shall be held. In the event there are no more than two candidates for a vacancy, the office shall be voted upon at the special primary election, and no special general election shall be held.

When no candidate receives a majority of all votes in the special primary election, a special general election shall be held on the fourth Tuesday after the special primary election. The two candidates who received the highest number of

votes in the special primary election shall be the candidates in the special general election, and the one who receives the higher number of votes in the special general election is elected to fill the vacancy for the unexpired term. Write-in candidates are permitted in the special primary election in accordance with state general law. However, no write-in candidates are permitted to participate in the special general election.

In a special election to fill a vacancy in the office of supervisor, the Board may authorize either the special primary election or the special general election, or both, to be conducted wholly by mail, provided that the special primary election or the special general election to be conducted by mail does not occur on the same date as the statewide election with which it has been consolidated. In no event may a special primary election or a special general election be conducted on the day after a state holiday. (Repealed and new Section 401.4 added, effective 12-17-82) (Amended, effective 8-7-86) (Amended, effective 9-11-06)

Section 402: Compensation. Salaries of Supervisors are established by ordinance of the Board.

Section 402.1: While holding office and for one year after a Supervisor is ineligible for appointment to or employment in any other County position providing compensation.

Section 403: Election of Presiding Officer. At its first meeting following the first Monday after January first, or within thirty (30) days thereafter, the Board shall elect a Chairperson, Vice-Chairperson, and Chairperson Pro Tem. The Vice-Chairperson has full authority to act as the Chairperson if the Chairperson is absent or unable to act. The Chairperson Pro Tem has full authority to act as the Chairperson if both the Chairperson and Vice-Chairperson are absent or unable to act. (Amended, effective 9-11-06)

Section 404: Quorum. Three Supervisors constitute a quorum for the transaction of business. Acts of the Board are invalid unless three Supervisors concur.

The successor is elected at the next primary election, or at the next primary and general elections, to complete the term, if it does not expire the following January, or to begin a new term of office. For all elections involving the elective offices specified under Section 600 (a) through (d), write-in candidates are permitted in the primary election in accordance with state general law. The Chief Administrative Officer shall establish a procedure for responding to requested information from members of the Board and the staff.

(Amended, effective 12-31-80, Operative 7-1-81)

Section 1000.1: Avoidance of Conflicts of Interest.

(a) Intent. State law allows members of the Board of Supervisors to accept gifts and campaign contributions from potential and existing contractors and their offices, owners, and lobbyists. Public disclosure of these gifts and campaign contributions is required, but there is no requirement in State law that disclosure be made immediately prior to the time the Board of Supervisors considers approval, amendment or extension of service contracts. This Charter section is intended to require public disclosure of gifts and campaign contributions to members of the Board of Supervisors by potential and existing contractors and their registered lobbyists prior to Board consideration of the service contracts. If the required disclosure is not complete and accurate, the contract will be voidable. This Charter section is intended to protect against actual and perceived conflicts of interests by requiring timely public disclosure of the gifts and campaign contributions from contractors and their registered lobbyists when service contracts are being considered by the Board. This section is also intended to allow contracting to be conducted outside of the political arena.

(b) Disclosure. Any person or entity whose service contract is to be considered by the Board of Supervisors for approval, amendment, or extension, and the registered lobbyists of such person or entity, must make a public disclosure of gifts and campaign contributions made to members of the Board of Supervisors prior to the Board’s decision. Hereinafter, reference to “contractor” within this section shall mean any person or entity whose service contract is to be considered for approval, amendment, or extension by the Board of Supervisors, and reference to “registered lobbyist” shall mean any person who is registered as a lobbyist with the County of San Diego. At least four (4) calendar days before the day of the meeting of the Board of Supervisors at which the approval,

amendment or extension of the service contract is to be considered by the Board, the contractors and their registered lobbyists shall disclose in writing the following:

- (1) All gifts that are reportable pursuant to the provisions of the Political Reform Act of 1974, as amended, given by contractors and their registered lobbyists to any member of the Board of Supervisors or to the immediate family of such member during the year preceding the date of the disclosure.
- (2) All federal, State and local campaign contributions made by the contractors and their registered lobbyists to any member of the Board of Supervisors or his or her controlled committees during the year preceding the date of the disclosure.

If there are no gifts or campaign contributions to disclose, that fact shall be disclosed in writing by the contractors or their registered lobbyists within the time limit set forth above.

(c) Disclosure Requirement and Definitions.

- (1) The contractor's disclosure shall include gifts and all campaign contribution from:
 - (i) any natural person or legal entity constituting the contractor, and
 - (ii) Any principal owner or principal officer of the contractor.
- (2) The registered lobbyist's disclosure shall include gifts and all campaign contributions from the registered lobbyist.
- (3) "Principal owner" of a limited partnership shall include all general partners but not the limited partners.
- (4) "Principal owner" of a corporation, trust or joint venture shall include all persons and entities who own directly, indirectly or beneficially a ten percent (10%) interest or greater.
- (5) "Principal officer" includes any member or a chairperson of a board of directors, president, any vice president, secretary, treasurer, chief financial officer, general manager, trustee and any person performing substantially the same functions associated with the above titles, regardless of their actual titles.
- (6) "principal officer" shall also include the person or persons employed by the contractor and in charge of contracting with the County on behalf of the contractor, including but not limited to, regional managers and regional division heads.

(d) Filing and Dissemination. The required written disclosure by the contractors and their registered lobbyists shall be filed with the Clerk of the Board of Supervisors on a form prescribed by the Clerk and shall be open to inspection by all members of the public. In addition, the Clerk of the Board shall make all disclosures available to the public on the County's internet site after they are filed with the Clerk and prior to the day on which the Board acts on the service contract. The County's cost of implementing the disclosure required by this section in respect to any specific contractor shall be paid by that contractor at the time of the required initial disclosure of the contractor or the contractor's registered lobbyist.

(e) Supplemental Disclosures. Gifts or campaign contributions from contractors or their registered lobbyists to members of the Board of Supervisors made subsequent to the required written disclosure, but prior to the Board's decision to approve, amend or extend the service contract, and any gift or campaign contribution inadvertently not included in the initial written disclosure, shall be disclosed in writing at the meeting of the Board of Supervisors to consider the contract and announced by the Clerk of the Board prior to the Board's decision to approve, amend, or extend the contract.

(f) Exclusion of Contracts with Governmental Entities. This section shall not apply to contracts between the County of San Diego and other government entities.

- (g) Voidability of Contracts. If, subsequent to Board approval, amendment or extension of a service contract, the disclosure required by this Charter section is found by the Board of Supervisors to be substantially incomplete or inaccurate due to intentional misconduct or gross negligence of the contractor or the contractor's registered lobbyist, the contract may be voided at the discretion of the Board of Supervisors. All service contracts approved by the Board on or after January 1, 2001 shall include a provision stating that the contract is voidable as provided above. In addition, the contractor shall submit a written certification that the contractor and the contractor's registered lobbyist have complied with the disclosure requirements imposed by this Charter section.
- (h) Delegation. In accordance with applicable law, and the provisions of this Charter, the Board of Supervisors may continue to delegate to the County's Purchasing Agent or to other appropriate County officers the authority to approve service contracts in order to permit the Purchasing Agent and other appropriate County officers to continue to approve service contracts outside the political arena.
- (i) No additional disclosure. This Charter section sets forth the complete disclosure requirements to be applied specifically to the County's contracting process. No additional disclosure in the specific context of the County's contracting process shall be required, except as may be required by State legislation or a Charter amendment which is adopted subsequent to the effective date of this section.
- (j) Construction. This section shall be interpreted and construed in accordance with the provisions and definitions contained in the California Political Reform Act of 1974, as amended, and the regulations of the Fair Political Practices Commission adopted pursuant thereto.

(Added, operative date and operative effect 1/1/2001)

Based upon the conflict between these two measures, if each measure is approved by a majority vote of those voting on each measure, then the measure with the highest affirmative vote shall prevail, and the measure with the lowest affirmative vote shall be deemed disapproved and shall have no force or effect.
