### What is your position with the municipality?

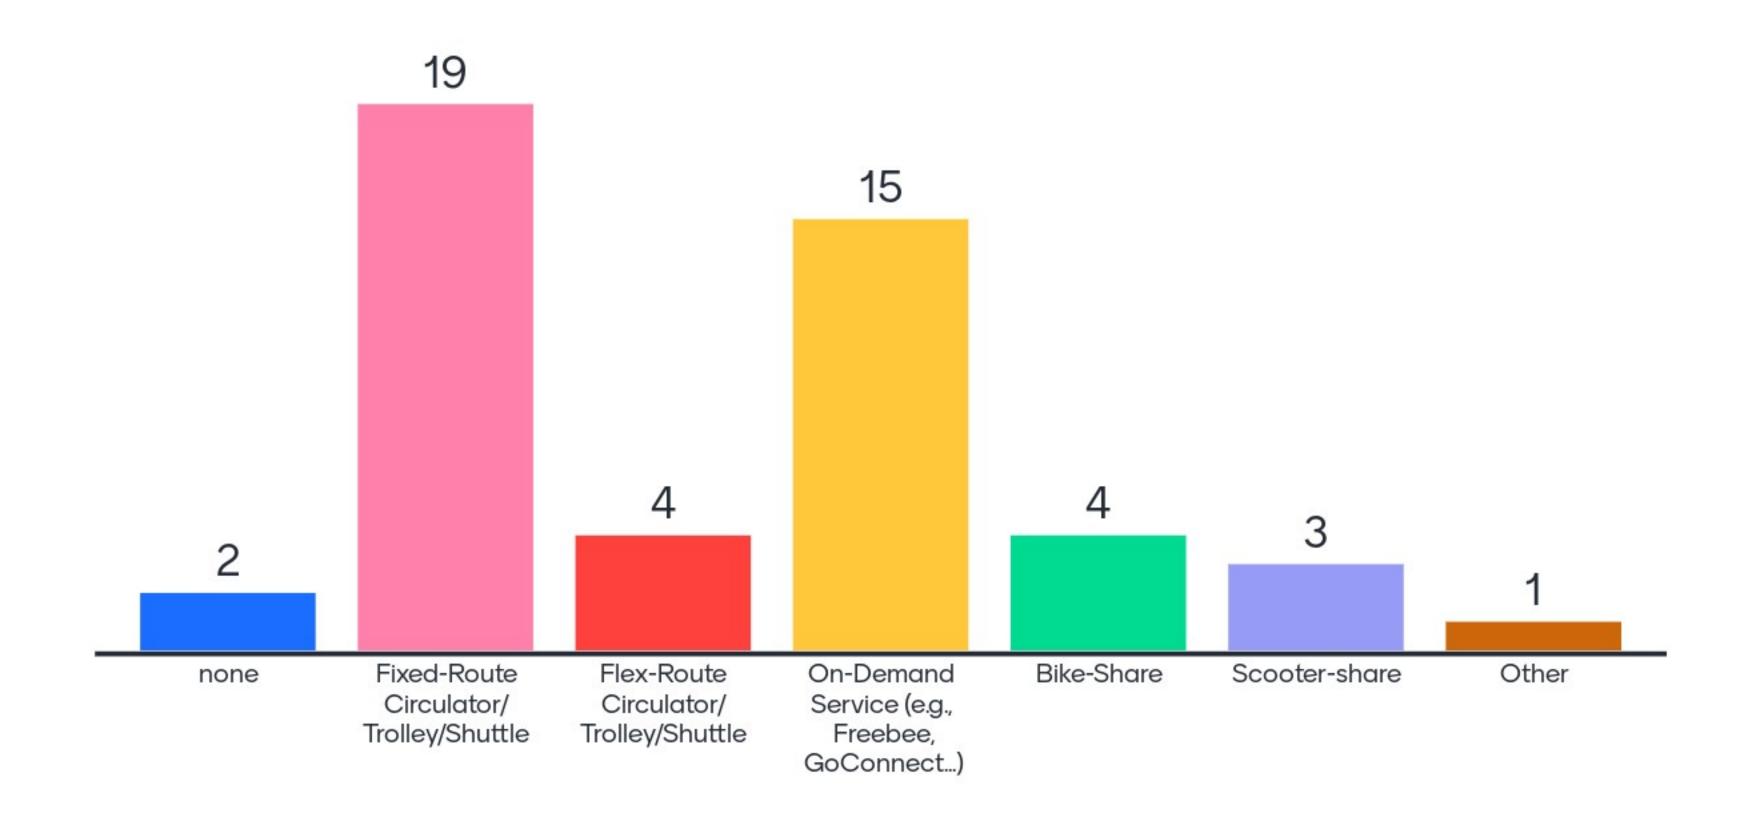

### What is the % of your municipality's surtax dollars currently dedicated to transit?

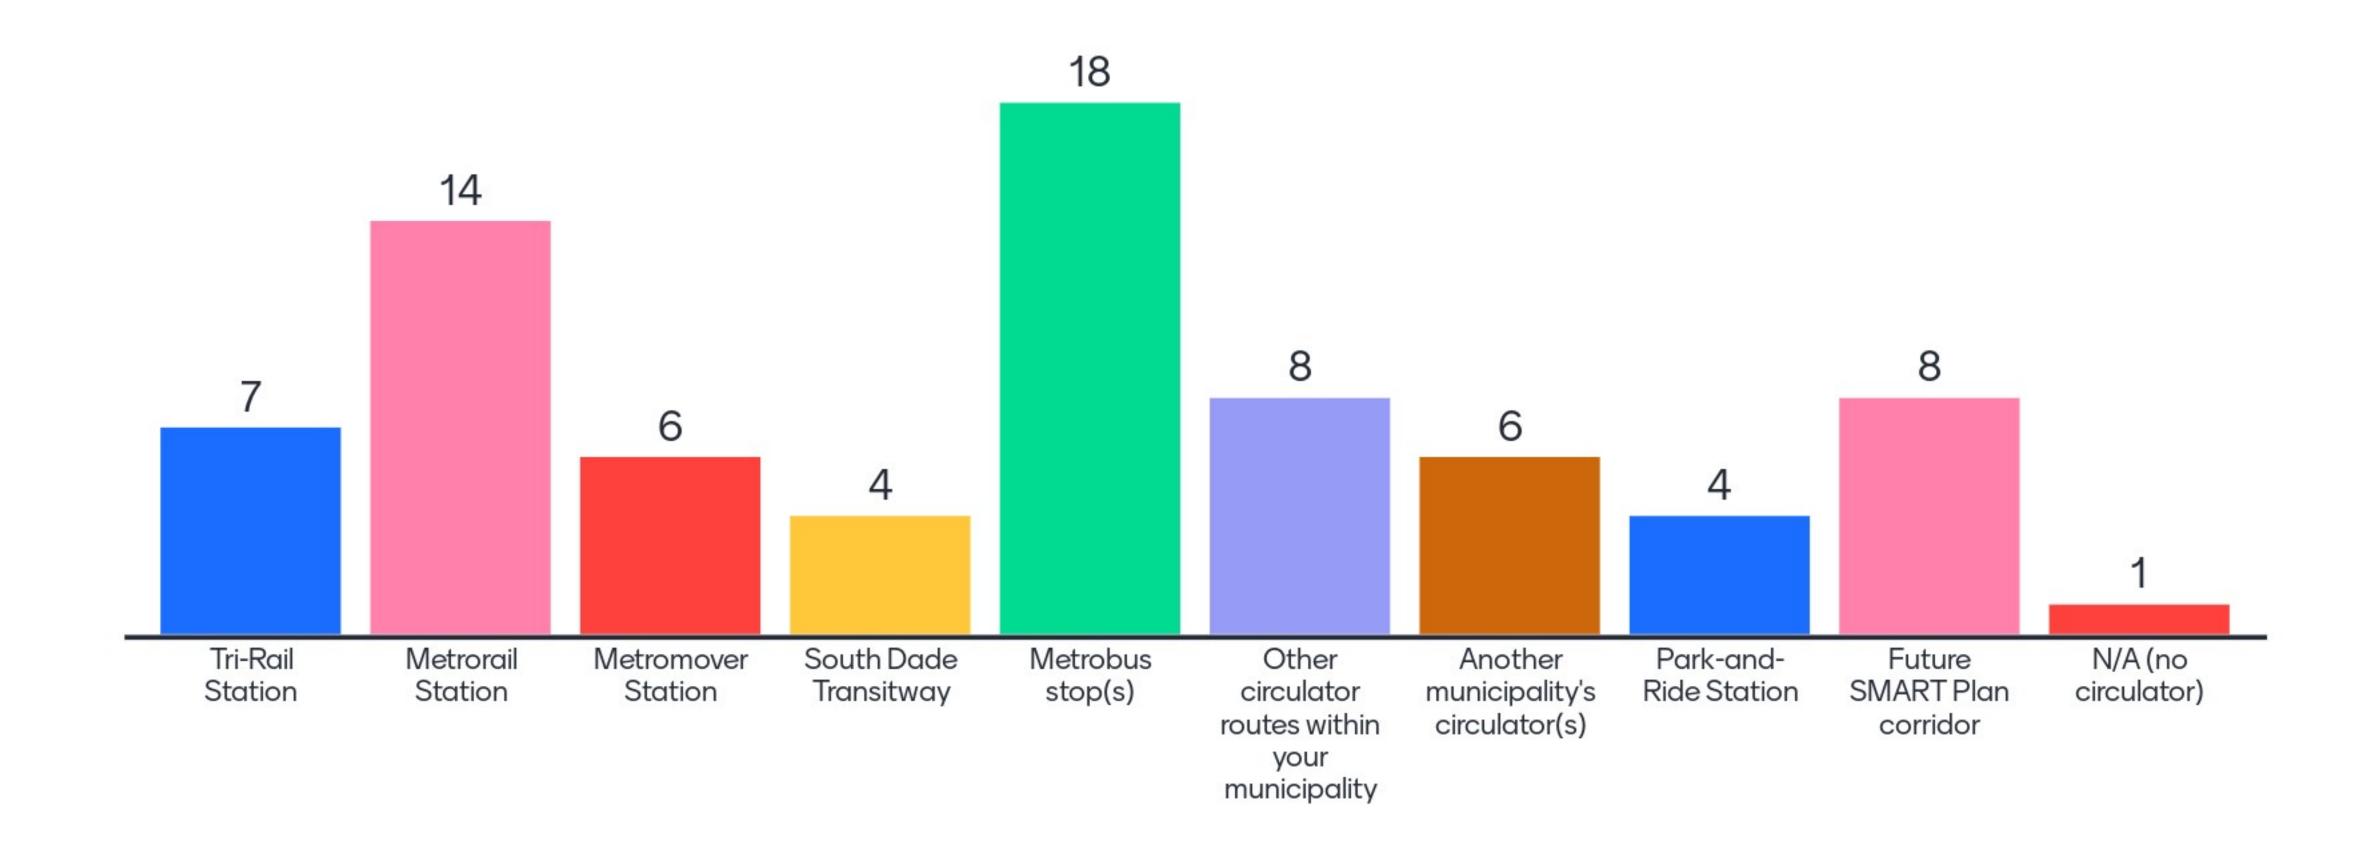

## What transit/mobility service(s) does your municipality operate w surtax funds?

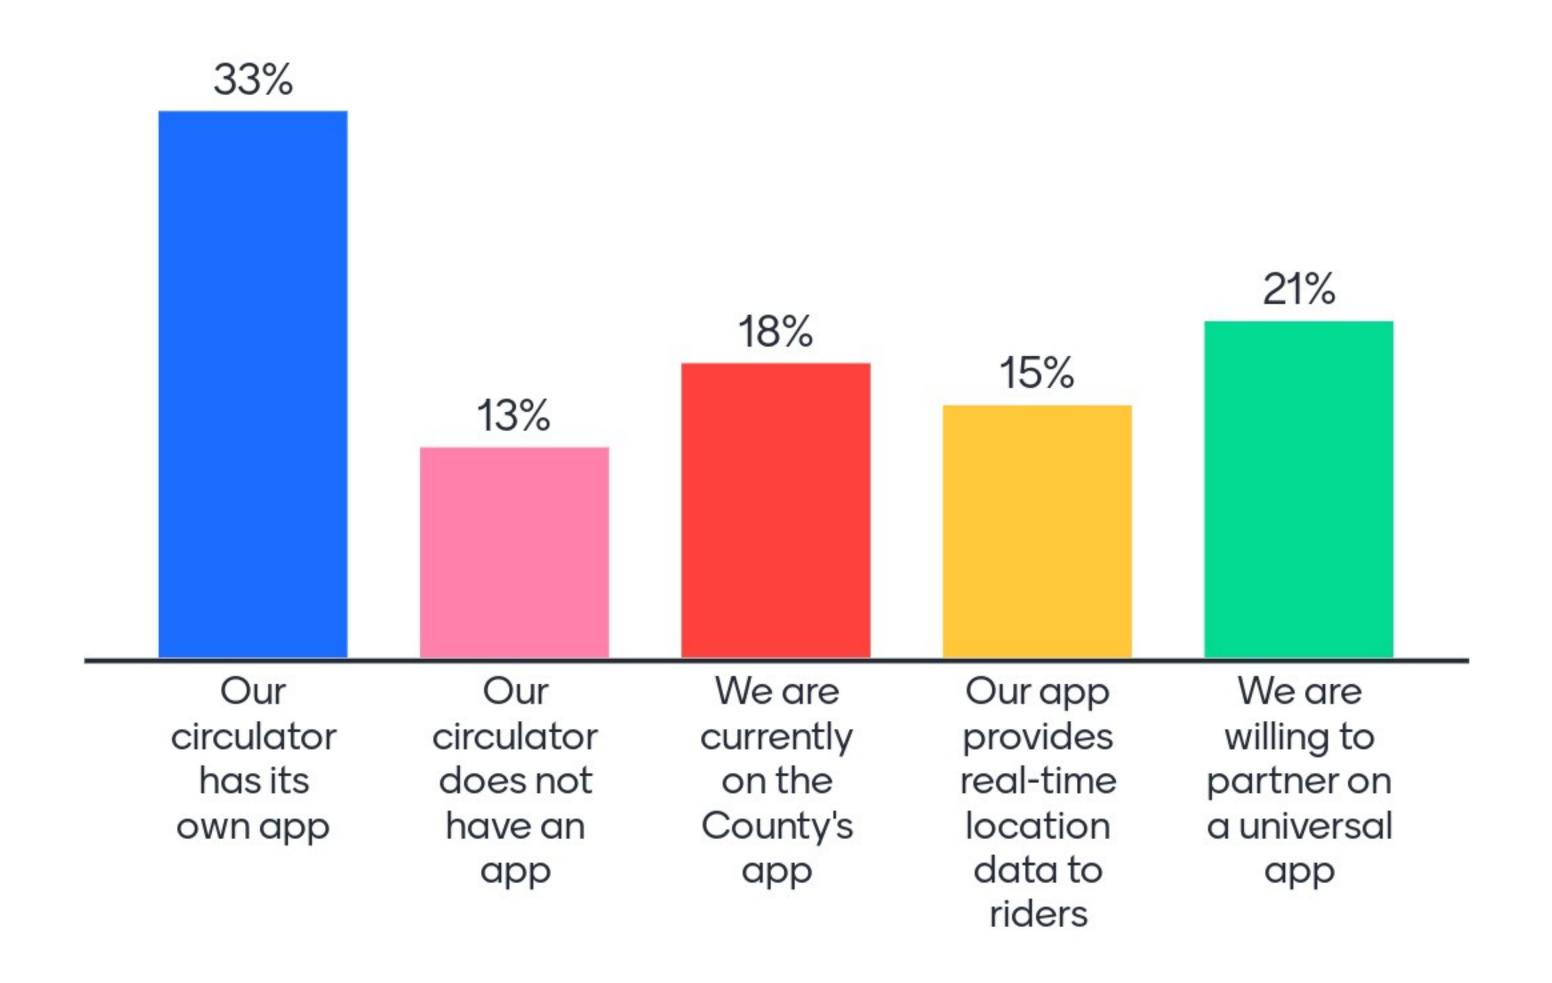

## What does your municipal transit system connect to?

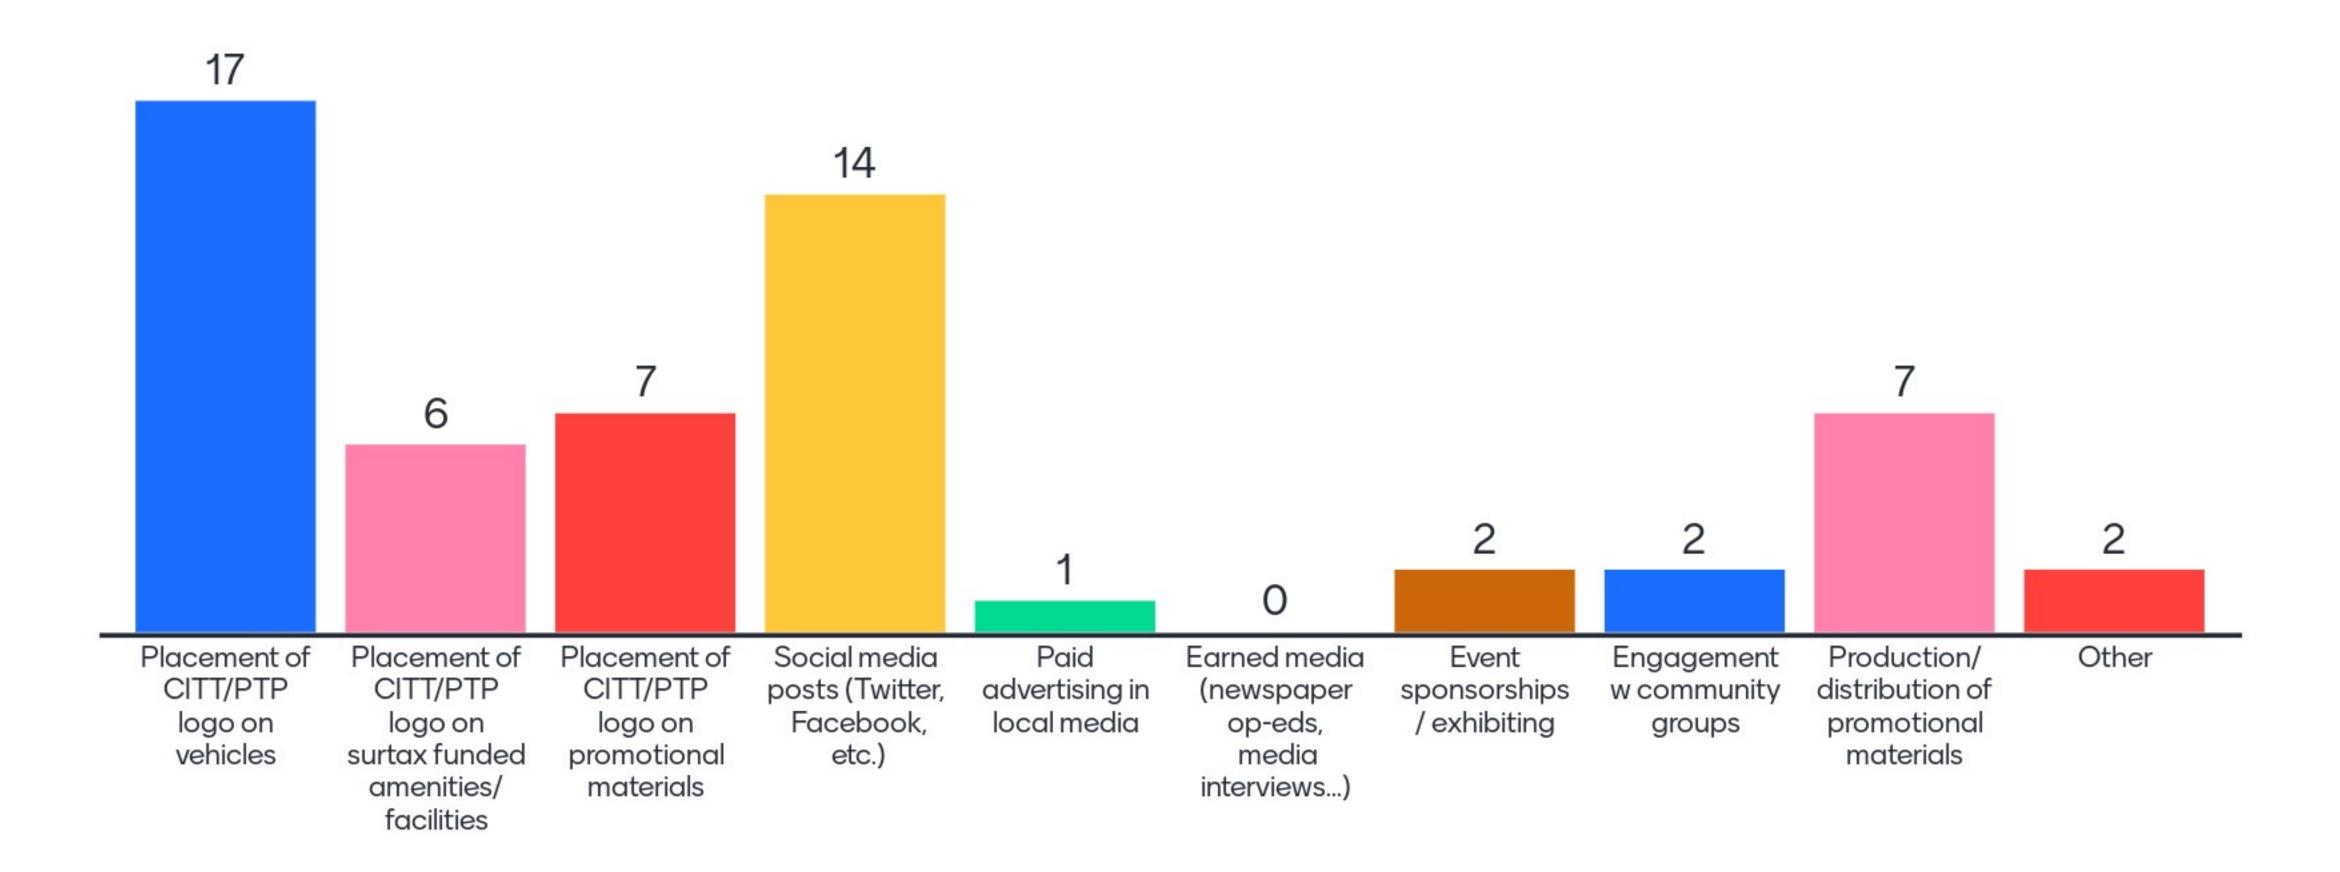

### What, if any, mobile apps do you offer for your transit service?

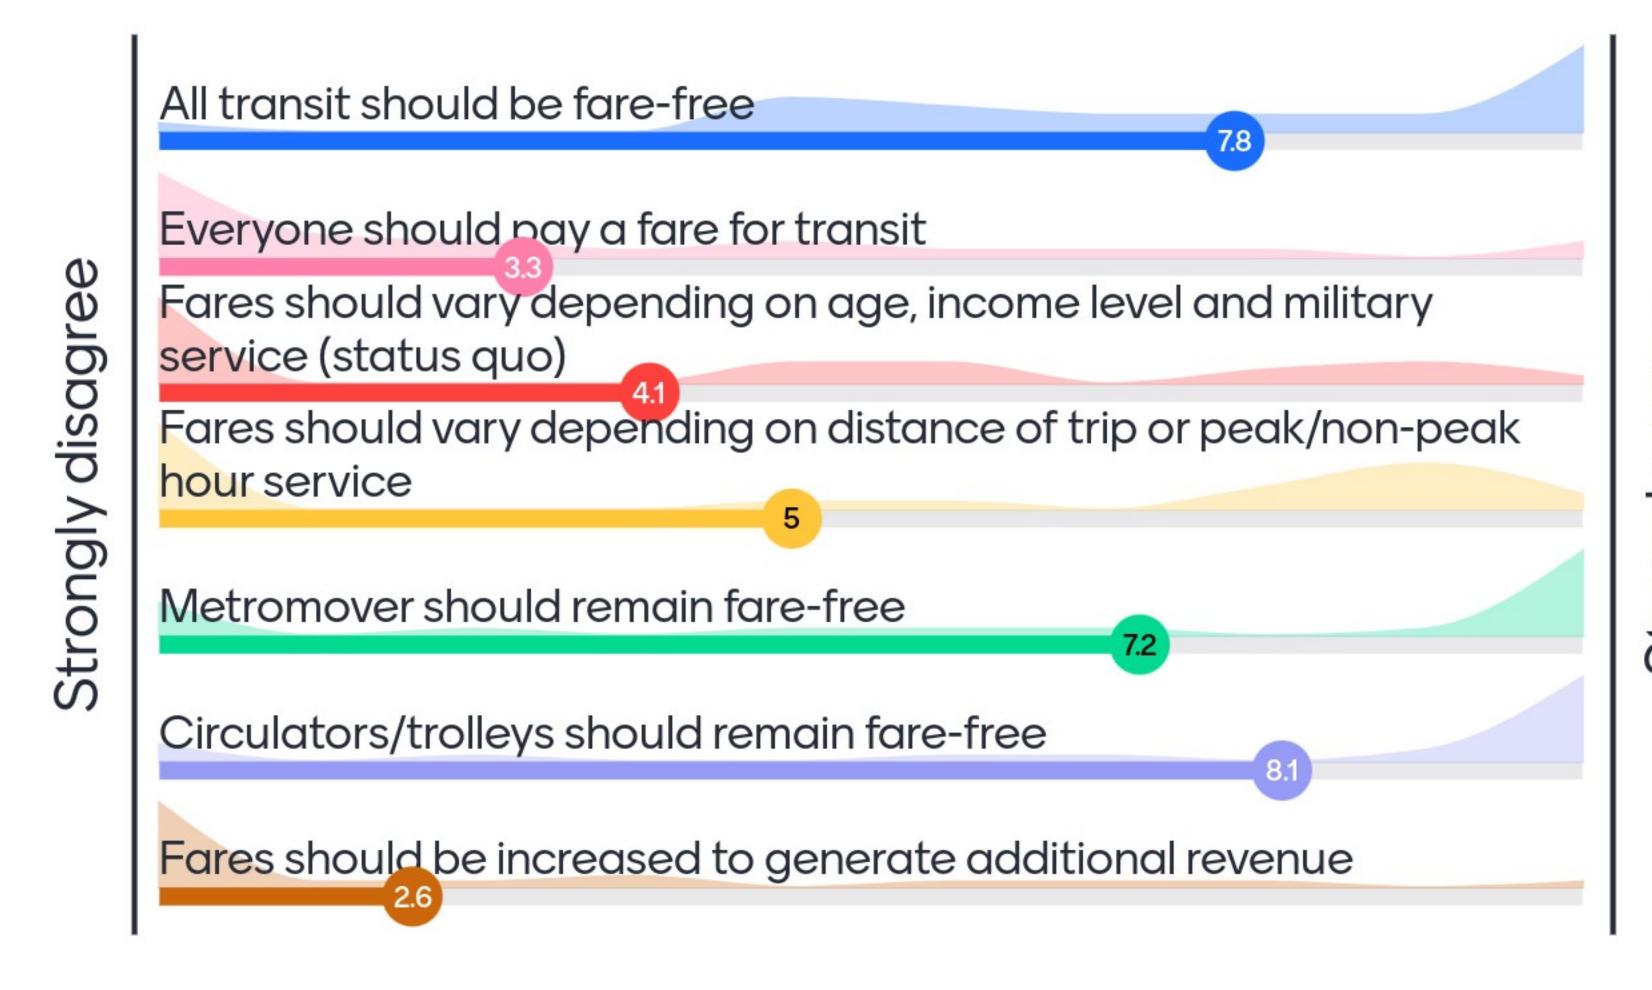

## How do you promote your PTP funded projects?

Strongly agree

### Thoughts on 1st/Last Mile(s) Solutions

Strongly disagree

1st/Last Mile connections are critical to transit use

1st/Last Mile connections to transit are lacking

Surtax should be made available to enhance bike/ped connectivity

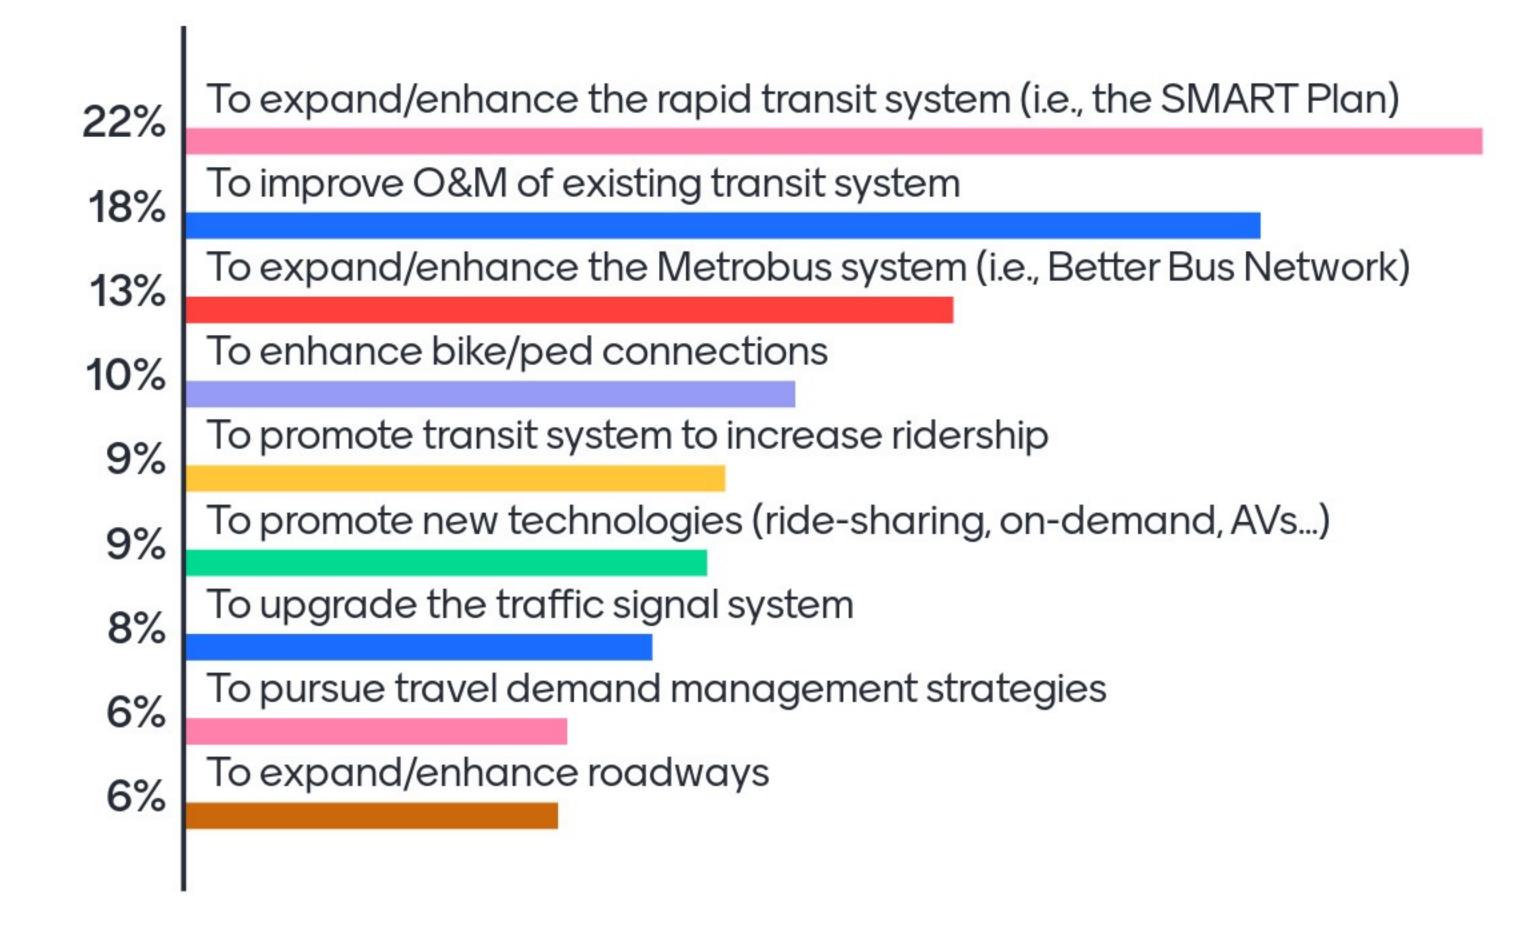

Surtax should be made available to subsidize ondemand service

We should encourage dense transit-oriented development near transit hubs

7

## How should County (non-municipal) surtax/PTP dollars be prioritized?

### The People's Transportation Plan (PTP)

am well-versed with the PTP 6.9 The public is aware of the PTP and its projects/programs Strongly disagree The PTP reflects the original intent of the legislation approved by voters am satisfied with the range of projects contained in the PTP The 5 Year Plan should continue to honor ALL original PTP promises 7.5 The PTP needs to be completely rethought

Strongly agre

# Strongly agree

### The Half-Penny Surtax

Strongly disagree

The half-penny surtax should be kept as-is

The half-penny surtax should be eliminated

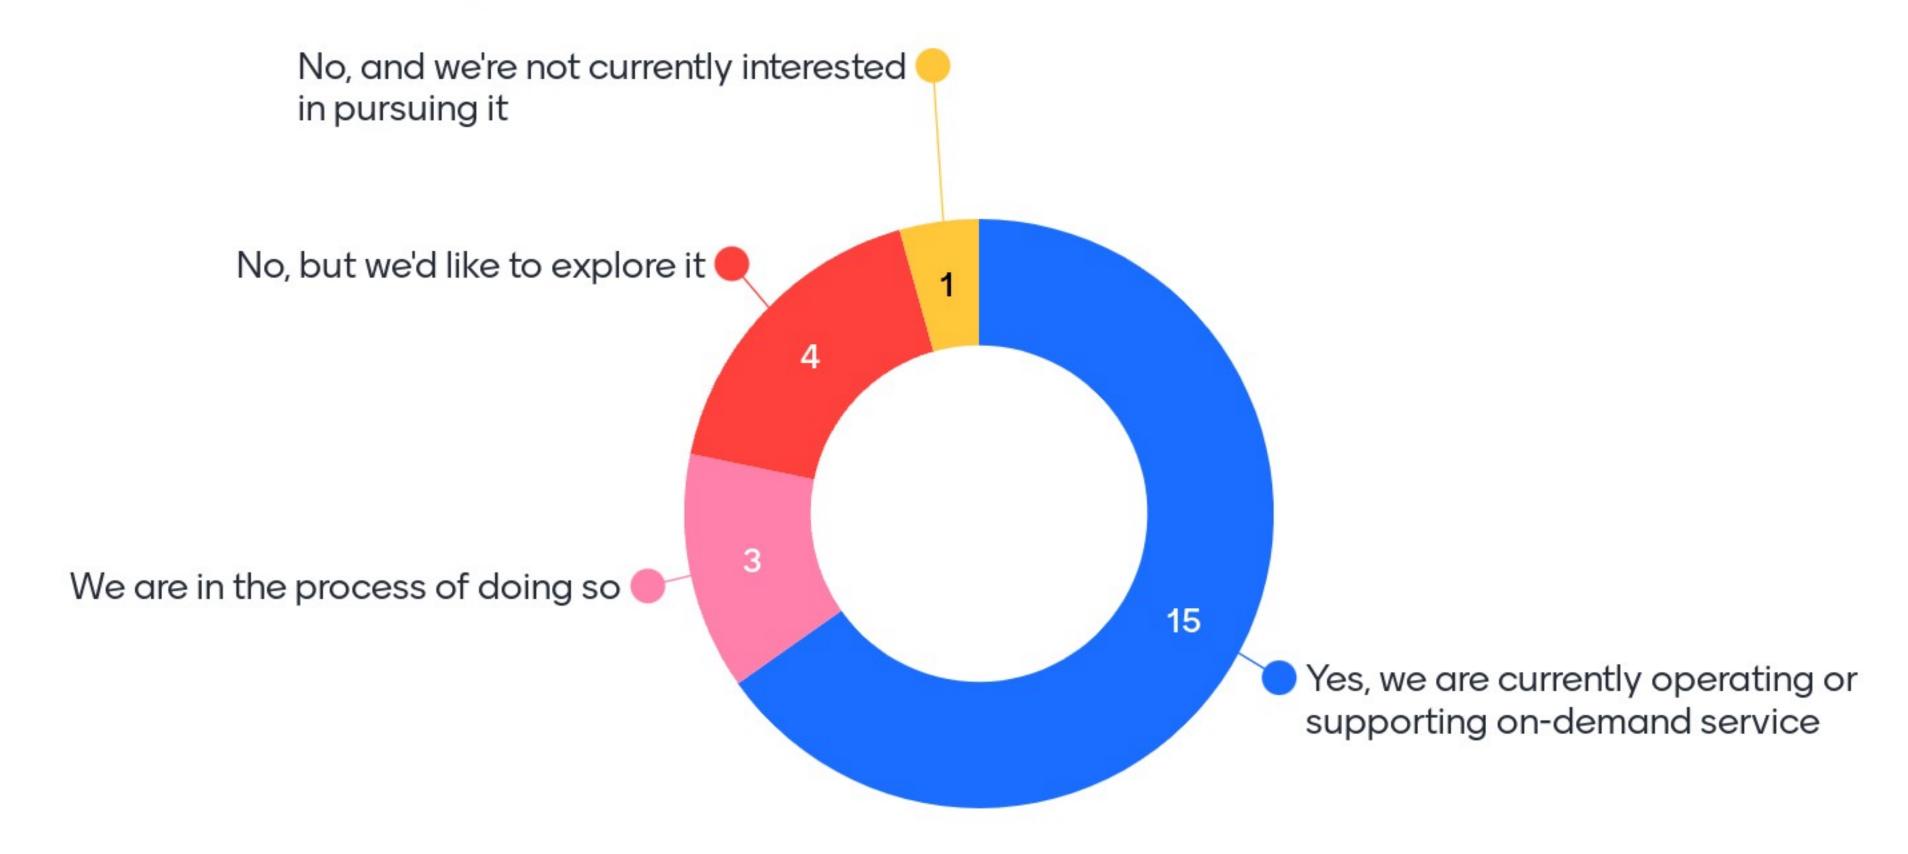

The half-penny surtax should be increased

Our municipality would support an increase of the halfpenny

Municipalities should receive a % of any future surtax increases

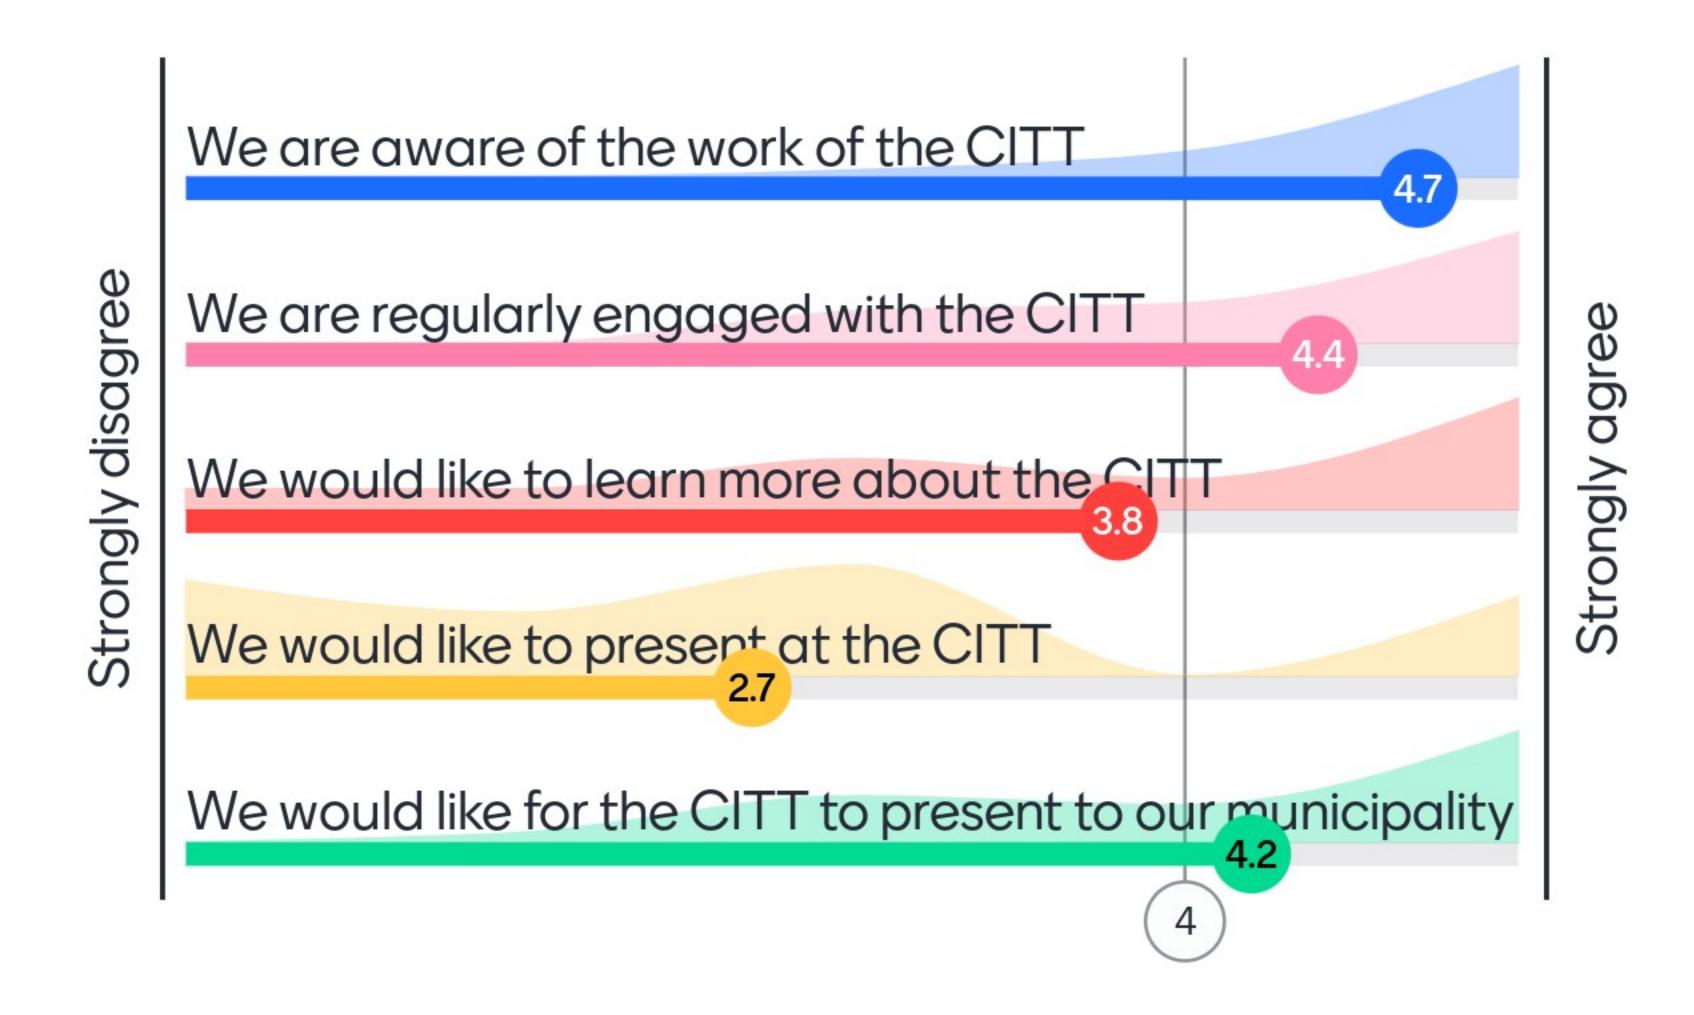

7.7

### Are you currently operating, subsidizing or exploring ondemand service (e.g., Freebee, GoConnect...)?

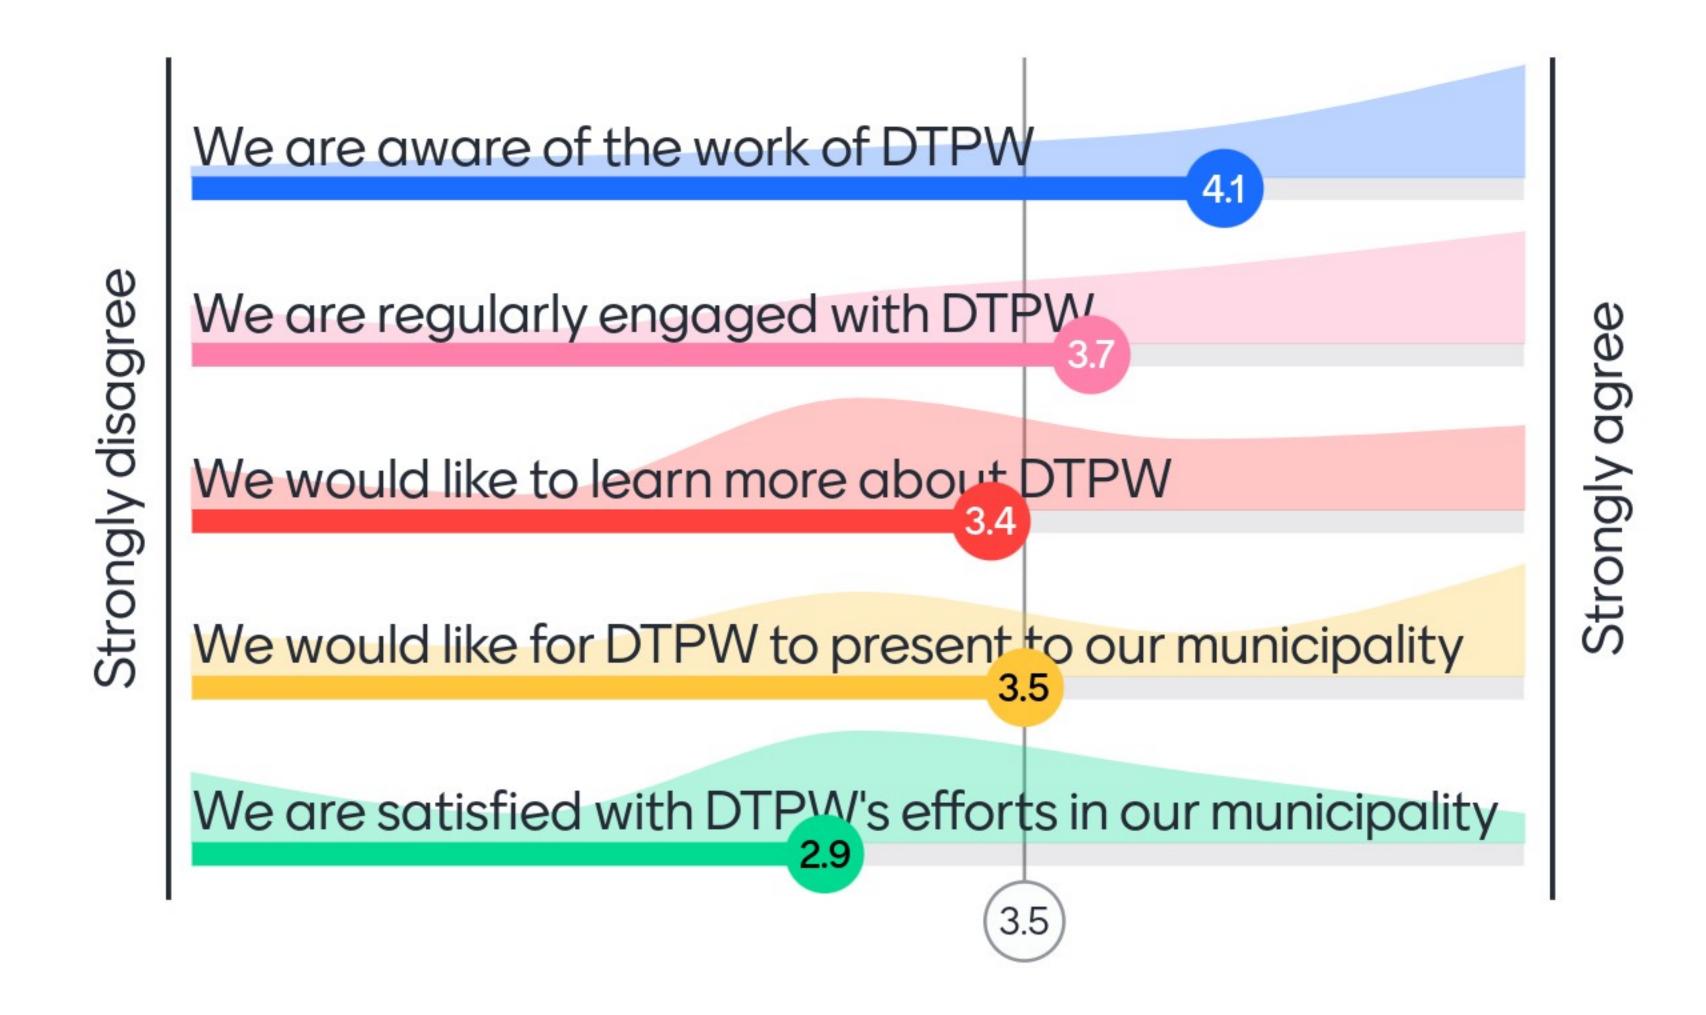

### Please share your municipality's experience with the Citizens' Independent Transportation Trust (CITT)?

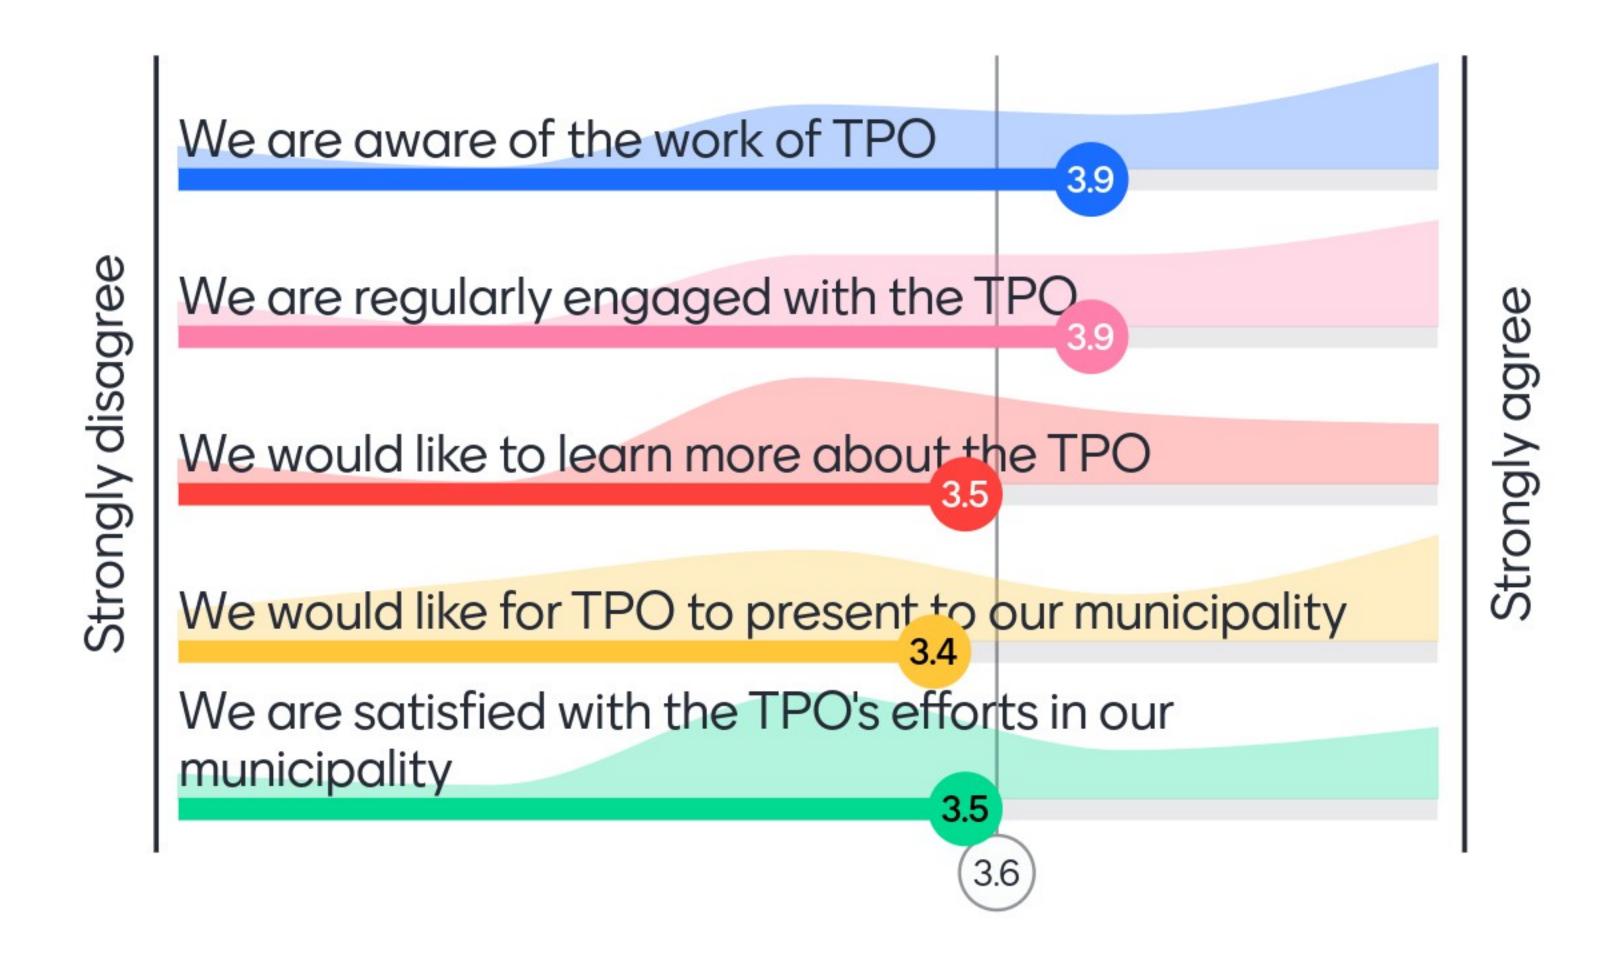

### Please share your municipality's experience with the County's Dept of Transportation & Public Works

## Please share your municipality's experience with the TPO

## How can the CITT better serve your municipality?

More outreach

More money for roads

Reduce reporting or streamline and simplify reporting

Roads need to be reconstructed well over 20 years old and inadequate drainage

Money us, we want the moneys

Mariana, Néstor and Javier are awesome!

More funds for smaller communities to improve roads

Na

Provide interactive app for movement around County

## How can the CITT better serve your municipality?

Present at municipal commission meetings

They have always been there to answer any questions

The CITT staff is doing a great job.

Set guidelines on possible advertising revenue program.

More investment in non motorize options. More accountability.

We would love to meet more regularly and establish a better relationship where we can ask questions and help us learn more about projects and reporting standards

More outreach

Outreach

Community outreach

## How can the CITT better serve your municipality?

Mariana,Nestor,and Javier are great

More outreach

Community Engagement

It's doing great

More money

It's great

We are very happy with the CITT and how they have helped the City of Doral

## How can the DTPW better serve your municipality?

More outreach, less restrictions on use.

More road reconstruction for smaller communities

Through the planning process

Be more responsive

Learn the city needs

Post Julian's Cell Iol

Approve plans quickly pls

Better bus stop signage

More outreach and more connections with communities

## How can the DTPW better serve your municipality?

Fair spread of funding

Increased Funding and services

Fair spread of funding County wide

Expedite projects

Expedite plans review

DTPW needs to prioritize City project reviews

## How can the TPO better serve your municipality?

More road funding

Learn city needs

No answer

No answer

Community outreach

-

More promotion of funding opportunities

More connection and regular communication

Ensure equitable funding

## How can the TPO better serve your municipality?

\_

Present at commisssion meetings

L

City has a great relationship with the TPO

### What are your topics of interest for DTPW's upcoming longrange transp. visioning workshop?

Plans for road reconstruction

Mobility samples

:)

Mobility

Signalization and connectivity

None

Protected bike facilities

Economic Development

### What are your topics of interest for DTPW's upcoming longrange transp. visioning workshop?

Integration of

Protected Bike Lanes and SUPs

Protected bike infrastructure, traffic mitigation techniques

I

Drainage improvements

Universal trolley procurement for trolley/on demand services

Traffic signal timing, bike/ped enhancements, context sensitive approach to county corridors.

### Any additional thoughts on the future of the PTP or surtax?

Need to focus on roads New transportation ideas None 2% The staff has been very helpful to when assistance is needed. Workshops for small municipalities

sharing best practices

Shared Use Path expansion

Keep making progress

## Any additional thoughts on the future of the PTP or surtax?

L

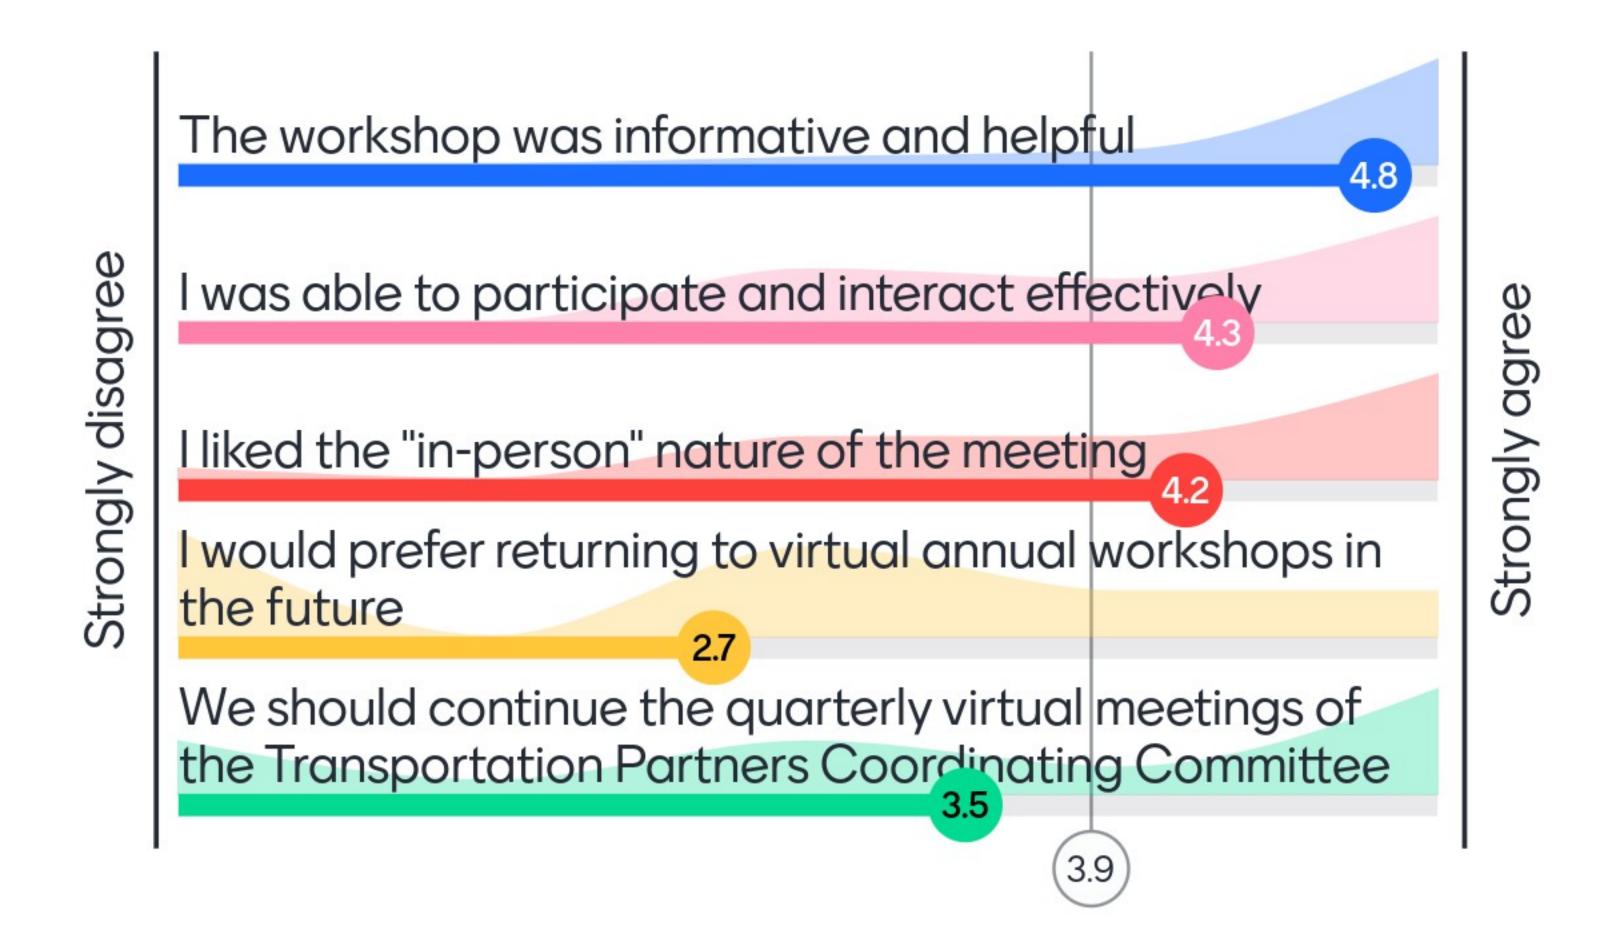

We would like it to continue and expand

No

Creating audits of trolley operations and creation of universal service performance measures

## Please share your thoughts on today's & future workshop:

## Please share any additional thoughts (challenges, suggestions...)....

Ok Better refreshments Live Band

All is well Not during peak Traffic hours 
Very informative! Provide croquetas Great event!!

Thank you for completing the survey!
