Please share your municipality's experience with the Citizens' Independent Transportation Trust (CITT)?

How can the CITT better serve your municipality?

Please share your thoughts on today's workshop:

The workshop was informative and helpful Strongly disagree I was able to participate and interact effectively I liked the "virtual" nature of the meeting I would prefer returning to "in-person" workshops in the future I prefer the 3-day short-session format to 1 all-day workshop

Please share any additional thoughts (challenges, suggestions...)....

Thank you for completing the survey!
