

Patrice Gillespie Smith

Patrice is the Sr. Manager of the Miami Downtown Development Authority's (DDA) Planning, Design & Transportation department. For the last 20 + years, she has worked as an urban planner across the nation to create more walkable, livable and vibrant communities. Prior to working for the Miami DDA, she managed Neat Streets Miami and helped facilitate the *Safer People, Safer Streets Action Plan* and the *Miami-Dade Complete Streets Guidelines*. Patrice has also developed transportation solutions in Seattle; St. Louis; Columbus, OH and Broward County.
