**From:** George M. Burgess

**Subject:** Ordinance Establishing Regulatory Criteria for Protecting Mobile Home Park Unit Owners and Mobile Home Park Owners

Agenda Item No. 7(G)

Ordinance No. 10-58

---

**This item (Legistar No. 100448) was amended at Budget, Planning and Sustainability Committee (BPSC) Meeting of July 13, 2010, to remove Section 5 of the Ordinance pertaining to the two year look back provision.**

### **Recommendation**

It is recommended that the Board of County Commissioners adopt the attached ordinance establishing regulatory criteria to protect mobile home owners and mobile home parks. Specifically, the proposed ordinance establishes Sections 33-1(70.1), 33-169.1, 33-172.1, 33-310.2; and amends Sections 33-166, 33-169, 33-171, 33-172, 33-191, 33-311, and 33-314:

### **Scope**

This ordinance applies to mobile home parks located within Unincorporated Miami-Dade County.

### **Fiscal Impact/Funding Source**

The proposed ordinance creates no fiscal impact on Miami-Dade County.

### **Track Record/Monitor**

The Department of Planning and Zoning will administer the mandates of this ordinance.

### **Background**

On October 16, 2007, the Board of County Commissioners (BCC) adopted Resolution R-1161-07, imposing a temporary moratorium in the unincorporated area of Miami-Dade County to examine the appropriateness of existing zoning districts for mobile home park use. The moratorium postponed the issuance of building permits on 40 properties being utilized as mobile home parks. The temporary moratorium was subsequently extended by the BCC in February 2008 (Resolution No. R-167-08), May 2008 (Resolution No. R-567-08), October 2008 (Resolution No. R-1115-08), February 2009 (Resolution No. R-144A-09), and June 2009 (Resolution No. R-647-09).

On November 3, 2009, the BCC adopted Resolution R-1230-09 extending the temporary moratorium for 120 days in order to provide time for BCC consideration of the proposed Mobile Home Owner Resident Protection ordinance and the proposed Villa Development Zoning District.

The proposed amendment to the Mobile Home ordinance codifies the statutory requirements (Chapter 723, Florida Statutes) for development applications on properties being utilized as mobile home parks. The proposed ordinance sets forth standards to ensure compliance with the statutory requirements regarding availability of alternative housing for mobile home unit owners and provides certain additional notice requirements for any proposed development that would result in the removal or relocation of mobile home owners. In addition, the proposed amendments allow for more

flexibility to maintain smaller mobile home parks of five acres or more and add manufactured homes up to two stories in height.

Specifically, the proposed ordinance:

- (1) Defines manufactured home in the Zoning Code (Sec. 33-1(70.1)) and provides for the use of manufactured homes in mobile home parks (Sec. 33-172)
- (2) Expands the legislative intent of the County to recognize that mobile home parks provide alternative forms of affordable housing and that the impacts on the supply of this housing type shall be considered when hearing rezoning requests to change the use of land which is used as a mobile home park (Sec. 33-166)
- (3) Creates a requirement that mobile home parks receive an annual certificate of use which will review the vacancy rate of the park and check for nuisances such as junk and trash and overgrowth. (Sec. 33-169)
- (4) Establishes a procedure for the review of requests for development actions impacting mobile home park property (Sec. 33-169.1)
  - a. Application must demonstrate that there exist adequate or suitable affordable housing facilities appropriate to the financial and other needs of the specific population of mobile home owners
  - b. Information will be required on the profile of resident mobile home owners; available mobile home lot spaces in other parks, other available alternative affordable housing meeting the profile of the mobile home unit owners
  - c. Submittal of a relocation and alternative housing closure plan detailing how the park owners will communicate and facilitate referrals of residential home unit owners to alternative public and private housing resources as well as applicable benefits through the state of Florida Mobile Home Relocation Corporation
  - d. Requires affidavit of the mobile home park owner that they will comply with state closure requirements in good faith
  - e. Review of the code enforcement history concerning the mobile home park property
- (5) Reduces the acreage requirement for a mobile home park from thirty (30) acres down to five (five) acres (Sec. 33-171)
- (6) Allows mobile homes or manufactured homes up to two stories in height (Sec. 33-172.1)
- (7) Requires the County to report all complaints of violations of Chapter 723 (Mobile Home Parks) to the appropriate state agency which oversees enforcement of state regulations in mobile home parks. (Sec. 33-191)
- (8) Provides for posting information on park property when a request is made for a development action concerning a mobile home park property; provides similar means to communicate the outcome of the development action request; mobile home unit owners have the opportunity to appeal the development action decision (Sec. 33-310.2)
- (9) Provides for appeals of development action decisions to the appropriate Community Council Zoning Appeals Board (Sec. 33-311)
- (10) Provides for appeals of the Community Council decision to the Board of County Commissioners (Sec. 33-314).

**Agenda Item:** 7(G)  
**File Number:** 101845  
**Committee(s) of Reference:** Board of County Commissioners  
**Date of Analysis:** September 9, 2010  
**Type of Items:** Mobile Home Parks

**Summary**

This ordinance establishes regulatory criteria for protecting mobile home park unit owners and mobile home park owners through the creation of §33-1(70.1), §33-169.1, §33-172.1, and §33-310.2; and the amendment of §33-166, §33-169, §33-171, §33-172, §33-191, §33-311 and §33-314 of the Miami-Dade County Code (Code).

Additional Mobile Home Park Items on This Agenda

**7(G) Supplement No. 1** provides the information that the temporary moratorium (**see Item No. 5D**) is also on this agenda, providing the Board of County Commissioners (BCC) the opportunity to determine whether or not to continue the temporary moratorium.

**7(G) Supplement No. 2** provides the Attorney General's opinion. It is the Attorney General's opinion that the County cannot adopt an ordinance imposing additional conditions to the vacation of a mobile home park where the owner of the park has followed the mandated of Chapter 723, Florida Statutes.

**Background and Relevant Legislation**

At the February 9, 2010, Budget, Planning and Sustainability (BPS) Committee meeting, this item was amended to require the following:

- Development permit applications in existing mobile home parks are subject to the same administrative review process as other zoning applications;
- A two (2) year look back provision to address mobile home parks that were closed prior to seeking zoning action or a development permit;
- Forwarding this item to the Florida Department of Community Affairs for their review prior to final BCC approval; and
- The correction of scrivener's errors.

Subsequently, at the March 2, 2010, BCC meeting, this item was remanded back to the BPS Committee without recommendations. At this meeting, the Board also extended the moratorium for an additional 120 days and requested an opinion from the Attorney General's office regarding the two (2) year look back provision.

At the April 13, 2010, BPS Committee meeting, this item was deferred because an opinion from the Attorney General's office had not been received.

At the July 13, 2010, BPS Committee meeting, this ordinance was amended, removing language in reference to the 2 year look back provision (Section 5). Furthermore, this ordinance was forwarded to the BCC with a favorable recommendation.

<b><u>LEGISLATIVE HISTORY OF MOBILE HOME PARKS MORITORIUM</u></b>
<b>Resolution No. 1161-07 adopted October 16, 2007</b>
<p>Temporary moratorium imposed for 120 days.</p> <p>This resolution ordered a building moratorium for properties utilized as mobile home parks and directing the County Manager or his designee to do the following: (1) submit a report on the appropriateness of existing zoning districts and regulations, and (2) to recommend strategies to mitigate impacts of redevelopment.</p> <p>This legislation was proffered following the potential close of mobile home parks and proposals to redevelop those sites by the property owners. Florida statutes pre-empt the County's jurisdiction over control of landlord and tenant laws; therefore, the Board could only place a moratorium on building permits and not on the eviction of tenants.</p> <p>The moratorium allowed staff to review strategies and alternatives to provide housing for displaced residents and the moratorium prevented the issuance of building permits and temporarily halted the eviction of residents or the closure of 40 mobile home parks with an estimated total of 8,000 units.</p> <p>At this BCC meeting several Commissioners voiced concern regarding the relocation, moving costs of evicted mobile home residents, compensation for trailers and affordability of replacement housing.</p>
<b>Resolution No. 167-08 adopted February 19, 2008</b>
<p>Extended moratorium for an additional 90 days.</p> <p>On this date, the County Manager's Report was presented to the Board. This report included recommendations to advocate for the following changes through the State Legislation package:</p> <ul style="list-style-type: none"> <li>• Reauthorize and lift the cap on Sadowski Housing Trust Fund;</li> <li>• Reassess the amount of reimbursement currently available to displaced residents for relocation from the State Relocation Trust Fund and allow for adjustments to reflect current market conditions;</li> <li>• Extend the time beyond 45 days that is currently allowed for First Right of Refusal by HOA when a</li> </ul>

park is for sale; and

- Allow for longer notice period for eviction in case of sale of the property.

This resolution included an attachment which provided an update of the County's 2009 State Legislative Package. At the state level, several bills were introduced but ultimately failed to be adopted.

**Resolution No. 567-08 adopted May 6, 2008**

Extended moratorium for an additional 180 days.

On this date, the Board expounded on its directives, considering additional implementation strategies including the following:

- **Purchase of Mobile Home Parks in Miami-Dade County**

The Board expressed interest in the voluntary sale/purchase and ownership of mobile home parks to make sure that an adequate supply of mobile homes are maintained in the County.

- **Voluntary Restriction to Limit Use for Assessed Valuation**

This would impose a voluntary restrictive covenant limiting the use of the property to a Mobile Home Park use for a period of 20 years in return for property tax assessment based primarily on restricted current use.

- **Development of Off-Site Alternatives**

The General Services Administration Department initiated a pilot project to use several County owned single-family infill lots to construct affordable housing using prefabricated homes.

- **Resident Owned Communities**

Staff also recommended utilizing a non-profit organization called ROC USA; the organization provides loans to help homeowner groups purchase their manufactured home communities (Source: Organization Website [www.rocusa.org](http://www.rocusa.org)).

- **Housing Assistance Grant and Amnesty Program Funding**

This program is intended to provide necessary assistance with capital improvements to park owners and residents in order to assist in upgrading existing conditions.

**Resolution No. 1115-08 adopted October 21, 2008**

Extended moratorium for an additional 120 days.

On this date, the Board directed the County Manager to continue reviewing zoning options for mobile home parks.

**Resolution No. 144A-09 adopted February 17, 2009**

Extended moratorium until June 2, 2009.

On this date, the Board requested an update report on the Mobile Home Zoning District, the Villa Development Zoning District, the Comprehensive Development Master Plan Amendment and the State Legislative Coordination. These concerns are all addressed in attachments and supplemental items for this resolution.

**Resolution No. 647-09 adopted June 2, 2009**

Extended moratorium for five (5) months.

On this date, the Board requested an analysis of potential land use/rezoning of the mobile home sites.

**Resolution No. 1230-09 adopted November 3, 2009**

Extended moratorium for an additional 120 days.

On this date, the Board directed the Mayor or his designee to implement appropriate recommendations contained in the November 3, 2009 report.

The following mobile home park sites were released from the temporary moratorium:

- No. 28 – Tract 3, Lil Abner Mobile Home Park in District 12;
- No. 10, Colonial Acres Mobile Home Park in District 2, with the acceptance of a proffered covenant;
- No. 14, Tradewinds Trailer Park in District 2, with the acceptance of a proffered covenant,
- No. 3, Landmark Plaza and Trailer in District 4;
