Date: July 19, 2011
To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners
From: George M. Burgess
County Manager
Subject: Fiscal impact of ordinance amending Chapter 31 of the code relating to taxicab for-hire motor vehicles

The proposed amendment to Chapter 31 of the Code relating to taxicab for-hire vehicles will have a positive fiscal impact to the Consumer Services Department that will be used to support taxicab regulatory activities.

The ordinance creates a taxicab medallion auction of four medallions with a minimum bid price of \$140,000, a taxicab medallion auction of two wheelchair accessible medallions with a minimum bid price of \$100,000, and a lottery of four medallions for senior taxicab drivers at \$5,000 each. The ordinance also reduces certain fees charged by the Consumer Services Department to taxicab chauffeurs for a one-year period. In addition, the department anticipates additional revenue from existing approved fees of approximately 400 transfer applications from an individual's name to a wholly-owned corporation and from approximately 200 senior lottery applications. These applications will be charged in accordance with the existing approved fee schedule.

The net fiscal impact is estimated at \$753,000 based on the following assumptions:

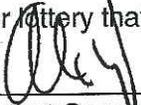

Revenue

\$ 54,000	200 senior lottery applications
\$ 20,000	Four (4) senior lottery medallions
\$200,000	Two (2) accessible medallion auctions
\$560,000	Four (4) regular medallion auctions
\$ 68,000	400 transfer applications by individuals to corporations
<u>-\$137,000</u>	Temporary fee reduction
\$765,000	

Expenses

\$ 10,000	Audit services in connection with lottery
<u>\$ 2,000</u>	Duplication, postage and other expenses
\$ 12,000	

The fiscal impact has been calculated based on the minimum bid price for the medallions. Actual revenue could be higher depending on the final results of the auction and the number of transfer and lottery applications received. Approximately 900 taxicab medallions are held in an individual's name and could potentially apply to transfer to a corporation; however, there is no way to predict with certainty the number that will actually apply or when they will apply. While there are approximately 800 drivers in CSD's database that may be eligible for the senior driver lottery, 100 applied in the last senior driver lottery that took place in 2006.

Each renewal shall be submitted no less than thirty (30) days prior to expiration of the current initial or annual for-hire license together with payment of a license fee. As part of the renewal process, the original application shall be updated and verified by the applicant on forms supplied by the CSD.  - (1) Hold the total amount of such money in a separate non-interest bearing account in a Florida banking institution for the benefit of each chauffeur. The license holder shall not commingle such money with any other funds of the license holder or pledge, or in any other way make use of such money until such money is actually due the license holder; or
 - (2) Hold the total amount of such money in a separate interest-bearing account in a Florida banking institution for the benefit of each chauffeur, in which case the chauffeur shall receive and collect interest in an amount of at least 75 percent of the annualized average interest rate payable on such account or interest at the rate of 5 percent per year, simple interest, whichever the license holder elects. The license holder shall not commingle such money with any other funds of the license holder, pledge, or in any other way make use of such money until such money is actually due the license holder;
- (j) The license holder shall, within thirty (30) days of receipt of a security deposit, notify the chauffeur in writing of the manner in which the license holder is holding the deposit and the rate of interest, if any, which the chauffeur is to receive and the time of interest payments to the chauffeur. Such written notice shall:
 - (1) Be given in person or by mail to the chauffeur.
 - (2) State the name and address of the depository where the deposit is being held and whether the deposit is being held in a non-interest or interest-bearing account.
 - (3) Include a copy of the provisions of subsection (k).
- (k)(1) Upon the termination of the lease, if the license holder does not intend to impose a claim on the deposit, the license holder shall have fifteen (15) days to return the deposit together with interest if the funds have been deposited in an interest bearing account, or the license holder shall have thirty (30) days to give the chauffeur written notice by certified mail to the chauffeur's last known mailing address of his or her intention to impose a claim on the

deposit and the reason for imposing the claim. The notice shall contain a statement in substantially the following form:

This is a notice of my intention to impose a claim in the amount of _____ upon your deposit, due to _____ . It is sent to you as required by sec. 31-82(j)(13)(k) of the Code of Miami-Dade County, Florida. You are hereby notified that you must object in writing to this deduction from your deposit within fifteen (15) days from the time you receive this notice or I will be authorized to deduct my claim from your security deposit. Your objection must be sent to _____ .

If the license holder fails to give the required notice within the 30-day period, he or she forfeits the right to impose a claim upon the security deposit.

(2) Unless the chauffeur objects in writing to the imposition of the license holder's claim or the amount thereof within fifteen (15) days after receipt of the license holder's notice of intention to impose a claim, the license holder may then deduct the amount of his or her claim and shall remit the balance of the deposit to the chauffeur within thirty (30) days after the date of the notice of intention to impose a claim for damages.

(3) If either party to the chauffeur agreement institutes an action in a court of competent jurisdiction to adjudicate the party's right to the security deposit and interest, if any, the prevailing party is entitled to receive his or her court costs plus a reasonable fee for his or her attorney.

(4) In those cases where interest is required to be paid to the chauffeur, the license holder shall pay directly to the chauffeur, or credit the current lease payment, the interest due to the chauffeur at least annually.<<

(14) For-hire license holders who operate an accessible vehicle shall place an advertisement in the Yellow Pages of the Miami-Dade County Telephone Directory under the trade name under which the owner operates indicating that it is capable of providing service to wheelchair passengers and that such requests for service shall receive priority over all other service requests.

(15) Each license holder shall ensure that chauffeurs operating an accessible vehicle are certified in the safe and proper methods of securing, transporting, and dealing with passengers utilizing a wheelchair. Proof of certification shall be provided to the CSD.

(16) It shall be unlawful for any person to use, drive or operate an accessible vehicle without certification in the safe and proper

methods of securing, transporting, and dealing with passengers utilizing a wheelchair.

(k) Responsibility for violations of chapter. The holder of a for-hire license shall be held responsible for any applicable violation of this article arising from the operation of the for-hire vehicle authorized under the holder's for-hire license and shall be subject to the penalties provided in this chapter for any such violation. In addition, his, her or its license shall be subject to suspension or revocation for any such violation. Charges against or penalties imposed on a passenger service company or for-hire chauffeur for the same or related violations shall not relieve the for-hire license holder of responsibility under this article.

(l) In order to assure the development and maintenance of adequate wheelchair accessible taxicab service, Miami-Dade County shall strive to ensure that at least three (3) percent of the total number of for-hire taxicab licenses are operated using accessible vehicles by December 31, 2006.

(1) The director, by administrative decision, may require that at least fifty (50) percent of for-hire vehicles authorized to operate under a for-hire license initially issued pursuant to Sections 31-82(o)(1) and 31-82(p) after the effective date of this ordinance must be accessible vehicles. Notwithstanding the foregoing, a for-hire license holder who is unable to make a payment of ten thousand dollars (\$10,000.00) to the County by July 1, 2009, may upon payment of a minimum of two thousand five hundred dollars (\$2,500.00) by July 1, 2009, request from the CSD Director an additional period of time not to exceed eighteen (18) months within which to pay the remaining balance. (3) In addition to the for-hire licenses authorized by the preceding subsections, an additional five (5) underserved area for-hire taxicab licenses shall be issued in the year 2009, pursuant to Section 31-93(c), utilizing the criteria and procedure provided in Section 31-82.

In addition, notwithstanding any provision to the contrary, all taxicab licenses issued pursuant to this section shall be issued upon payment of twenty-five thousand dollars (\$25,000.00).

>>(5) In fiscal year 2010-2011, four (4) for-hire taxicab licenses shall be issued to chauffeurs with twenty (20) or more years of continuous service as a Miami-Dade County chauffeur pursuant to a lottery advertised and supervised by the Consumer Services Department utilizing the criteria and procedure provided in Section 31-82. Notwithstanding any provision to the contrary, all taxicab licenses issued pursuant to this section shall be issued upon payment of five thousand dollars (\$5,000.00) payable in full within thirty (30) days after each lottery.

(6) In fiscal year 2010-2011, six (6) for-hire taxicab licenses shall be auctioned to the highest bidder pursuant to an open auction advertised and supervised by the Consumer Services Department utilizing the criteria and procedure provided in Section 31-82. The

Clerk of the Circuit Court of Miami-Dade County shall sell each license to the highest and best bidder, who shall pay the amount bid by a cashier's check within thirty (30) days from the time of sale. Two (2) of the six (6) for-hire taxicab licenses shall be operated using accessible vehicles. A for-hire license issued pursuant to the preceding sentence as an accessible vehicle shall remain so classified despite any change in ownership of the for-hire license after its issuance. Participation in the auctions shall be limited to natural persons or corporations organized or qualified to do business under the laws of Florida where all of the shares of each corporation are held by a single natural person ("wholly-owned corporation"), and which satisfy the requirements and criteria provided in sections 31-82(c), (d), (e), (f), (g), (h), (i), (j) (k) and (r). The minimum price for taxicab for-hire licenses which must operate accessible vehicles shall be one hundred thousand (\$100,000) dollars. The minimum price for the remaining taxicab for-hire licenses auctioned shall be one hundred and forty thousand (\$140,000) dollars. Prior to participating in an auction, a prospective bidder shall provide the Clerk of the Circuit Court of Miami-Dade County with a letter from a registered bank or lending institution stating that the bidder has sufficient funds to pay the minimum price for a for-hire license required by this subsection (6). Each successful bidder shall provide the Consumer Services Department with a cashier's check in an amount equal to ten (10) percent of the total amount bid within two (2) business days of the sale which shall be non-refundable. Any successful bidder shall provide the Consumer Services Department with a cashier's check for the remainder of the amount bid within thirty (30) days from the time of sale. In the event that the highest and best bidder does not provide the Consumer Services Department with a cashier's check in an amount equal to ten (10) percent of the total amount bid and/or does not provide the Consumer Services Department with a cashier's check for the remainder of the amount bid within thirty (30) days from the time of sale, or the highest and best bid for a for-hire license does not satisfy the minimum price required by this subsection (6), the Clerk of the Circuit Court of Miami-Dade County shall schedule another auction for the unsold for-hire license within sixty (60) days. Any successful bidder who does not satisfy the for-hire license requirements of sections 31-82(c), (d), (e), (f), (g), (h), (i), (j), (k) and (r) shall have ninety (90) days from the date of sale in which to apply for the transfer of such license to a natural person or corporation organized or qualified to do business under the laws of Florida where all of the shares of the corporation are held by a single natural person, and which satisfies the requirements and criteria provided in sections 31-82(c), (d), (e),

(f), (g), (h), (i), (j) (k) and (r). A for-hire license issued pursuant to the auctions provided for in this subsection may only be transferred, voluntarily or involuntarily, to a natural person or corporation organized or qualified to do business under the laws of Florida where all of the shares of the corporation are held by a single natural person, and which satisfies the requirements and criteria provided in sections 31-82(c), (d), (e), (f), (g), (h), (i), (j) (k) and (r). As a condition of transferring a for-hire license to a wholly-owned corporation as provided in this subsection, the wholly-owned corporation shall agree, in a form prepared by the Consumer Services Department, to be jointly and severally liable for all asserted and unasserted claims, liabilities, causes of action, and/or lawsuits arising out of or relating to the for-hire license which accrued prior to the transfer of the for-hire license (“assumption of liability”). The assumption of liability required in this subsection shall run to the benefit of, and be enforceable by, any third party who has an unsatisfied judgment, claim, cause of action or lawsuit against the prior owner(s) arising out of or relating to the for-hire license transferred as provided herein.

(7) Each taxicab operated pursuant to a for-hire license issued pursuant to the lotteries and auctions provided for in subsections (o)(5) and (o)(6) after September 1, 2010:

(1) The camera must record sharp, undistorted original still images that are reliable for identification of all individuals seated in any position inside the taxicab and under all lighting conditions including darkness with a strong rear light source.

(2) The DSCS shall record images and shall display at the top of each image the time/date, taxicab number, trigger source, and recording unit serial number.

(3) Storage capacity shall be, at a minimum, 4,000 images.

(4) When memory storage capacity is reached, the DSCS shall overwrite the oldest images as new images are recorded in sequence.

(9) The recording unit housing and installation brackets must use tamperproof fasteners. The recording unit, and all cables, must be installed under the dash board and concealed from view.

(10) The DSCS shall contain a visual indication of system status readily visible to the chauffeur and enforcement personnel inspecting the vehicle from outside of the driver door.

(11) The DSCS and components shall be sufficiently shock-resistant to withstand typical vehicle movement and collisions.

(12) Image capture shall be linked to the following events: vehicle door openings and closings, meter engagement and activation of an emergency switch that is linked to the DSCS.

Said equipment shall list tips, fare, tolls and port fees separately. In addition, said equipment shall have the ability to electronically authorize the transaction in a timely manner. The credit card processing equipment shall:

(a) provide for a printed receipt that shall contain the fare charged, the name and telephone number of the passenger service company, the operating permit number, the chauffeur registration number, date and time of transaction

and the telephone number for filing complaints with the CSD.

(b) be linked to the taximeter and include a global positioning system.

(c) display itemized fare information, provide for an ability to choose the payment form, and provide for the option of adding a gratuity;

(d) provide for a passenger information module with touch screen capability;

(e) There shall be no additional charge added to the fare for the use of a credit card unless the County Commission has, to the extent permitted by Florida law, amended the fare schedule by resolution pursuant to section 31-87, which regulates rates, to allow for an additional charge for the use of a credit card. No minimum charge may be imposed for the use of a credit card to pay a fare. A taxicab that accepts credit cards in payment of fares must post upon the vehicle the type of credit cards accepted for payment. The specifications of said posting shall be prescribed by the CSD. (q) All additional for-hire licenses >>issued pursuant to a lottery<< to operate a taxicab which are authorized pursuant to this section shall be issued by the CSD in accordance with the following procedures:

(1) *Determination of eligibility to participate in distribution of new taxicab for-hire licenses.* Participation in the lottery or random selection process shall be limited to those chauffeurs: who for the five-year period immediately prior to application for participation in such lottery have held a valid Miami-Dade County taxicab chauffeur's registration; who are not holders of a Miami-Dade County for-hire taxicab license; who have not previously held a for-hire taxicab license; who do not hold any interest in a corporation, partnership or other entity which holds a Miami-Dade County for-hire taxicab license; and who meet the requirements of this section and Section 31-82(c). Each chauffeur qualified to participate shall be allowed only one (1) entry in the random selection or lottery process. Provided, however, in no event shall such selection or process result in any chauffeur, corporation, partnership or any other entity in which such chauffeur has any interest being authorized to operate more than one (1) for-hire license.

(2) *Random selection or lottery.* Where required by this chapter, a random selection lottery process shall be conducted as determined by the director. The random selection or lottery process shall be conducted by an individual who shall not have responsibility for the enforcement of this chapter. All fees and applications must be received by the CSD no later than fifty (50) calendar days after the announcement of a lottery.

(3) *Separate lottery conducted by CSD.* If, due to revocation, cancellation or lapse, the total number of valid for-hire taxicab licenses is less than the total number authorized, the CSD shall have authority to issue sufficient new licenses to bring the total issued up to the total authorized utilizing the procedures of this section. In such event, the applicable deadlines for submission of applications and for conduct of the lottery may be administratively determined by the director.

(4) *Conditions for participating in random selection or lottery process.* In addition to the requirements stated above, all applicants shall pay a non-refundable fee to participate in each random

selection or lottery process. Every application to participate in the random selection or lottery process shall be filed in accordance with Section 31-82(c) of this chapter, including payment of the investigative and processing fee provided therein; list the chauffeur's registration number and include a sworn statement that (1) the applicant is the holder of a valid Miami-Dade County taxicab chauffeur's registration and (2) that during the five (5) years prior to application, the applicant has not had his or her Miami-Dade County taxicab chauffeur's registration suspended or revoked or has not been found guilty of more than five (5) violations of this chapter. The CSD shall disqualify applicants who do not meet the requirements of this section from participation in the lottery. The director's decision shall be final.

(5) *Condition of all new taxicab licenses.* It shall be a condition of all for-hire taxicab licenses distributed through the random selection process which are issued after the effective date of this ordinance that the taxicab operated under authority of such license shall be driven by the license holder one (1) out of two (2) shifts per day an average of five (5) days per week. Licenses issued pursuant to this section shall be issued in the chauffeur's individual name only. No new for-hire taxicab license shall be assigned, sold or transferred during the five-year period following the issuance of said license. Notwithstanding the foregoing, a new taxicab for-hire license may be transferred during the five-year period following issuance where the license is >>: transferred to a corporation as provided in subsection (r)(3); << transferred involuntarily pursuant to Section 31-82(r)>>; < or >> transferred << due to the death or incompetency of the for-hire license holder, including an irreversible medical condition rendering the chauffeur unable to perform the duties of a chauffeur, such as loss of sight, paralysis, or a terminal illness. Notwithstanding the foregoing, a new taxicab for-hire license issued pursuant to the lottery to a driver who applied for and qualified for the lottery reserved for twenty-year drivers may be transferred, as provided in Chapter 31, between three (3) and (5) five years after the date of issuance if the driver is at least sixty-two (62) years of age at the time of transfer, and a new taxicab for-hire license issued pursuant to the lottery to a driver who applied for and qualified for the lottery reserved for twenty-five year drivers may be transferred, as provided in Chapter 31, between two (2) and (5) years after the date of issuance if the driver is at least sixty-two (62) years of age at the time of transfer. Where a new for-hire license is revoked during the aforementioned time periods immediately after the issuance of the license, the proceeds from the sale of such license, after deducting the expenses of the sale, shall be paid, first, to the lienholder or

lienholders in the order of date of filing and the balance, if any, shall be paid to Miami-Dade County.

(r) Transfer of a taxicab license. Transfer of a taxicab license may be accomplished by purchase, gift, bequest or operation of law, and is subject to the written approval of the CSD.

(1) *County approval required.* No for-hire taxicab license shall be assigned, sold (either outright or under a conditional sales contract) or transferred without prior approval of the director. No approval hereunder shall be granted unless it has been demonstrated that the assignee, purchaser (conditional or outright), or transferee meets all of the requirements of Section 31-82, including but not limited to payment of the required investigative and processing fee, and has submitted a written contract between the license holder and assignee, purchaser or transferee disclosing the terms and conditions of the proposed assignment, sale or transfer, including the amount of compensation which has been paid or is payable to the assignor, seller or transferor and any other consideration given or to be given to the assignor, seller or transferor in connection with the assignment, sale or transfer of the for-hire license. Any change in the ownership structure of a corporation or partnership where at least five (5) percent of the shares of said corporation or at least five (5) percent of the partnership interest is assigned sold or transferred to another shall be deemed a sale for purposes of this section. Failure to comply with this subsection will result in revocation of the for-hire license. Appeals of the director's decision shall be in accordance with the provisions of this chapter.

(2) *Unsatisfied judgments and outstanding tort liabilities.* An assignment, sale or transfer shall not be permitted if an unsatisfied judgment is on file with Miami-Dade County against the licensed assignor, seller or transferor and the CSD has been notified of said judgment. If an appeal is pending from an unsatisfied judgment, the CSD, in its discretion, may permit such assignment, sale or transfer provided the assignor, seller or transferor files a bond in sufficient amount to satisfy the judgment. An assignment, sale or transfer also may be permitted without filing such bond provided that all judgment creditors of unsatisfied judgments file written permission with the CSD. An assignment, sale or transfer shall not be permitted unless the assignee, purchaser or transferee files a bond with the Clerk of the Circuit and County Court to cover all outstanding tort liabilities of the assignor, seller or transferor in excess of the amount covered by the required commercial auto liability insurance policy.

(3) *Assignment, sale (conditional or outright) and transfer to chauffeurs.* Unless otherwise provided, from the effective date of

this ordinance for-hire taxicab licenses may only be assigned, sold (conditional or outright) or transferred to a Miami-Dade County registered taxicab chauffeur who: (i) does not hold a Miami-Dade County for-hire taxicab license; (ii) does not hold any interest in a corporation, partnership or other entity which holds a Miami-Dade County for-hire taxicab license; and (iii) meets the requirements provided in this subsection and Section 31-82 >>(“driver-owner”)<<. Provided, however, in no event shall an assignment, sale (conditional or outright) or transfer be approved if a chauffeur has any interest (legal, equitable or beneficial) in any other for-hire license. It shall be a condition of any license that the assignee, purchaser or transferee shall actually drive the taxicab authorized thereby one (1) out of two (2) shifts per day on an average of five (5) days per week and that the transferee shall not enter into any agreement to operate a taxicab under authority of such license with any other person who has any interest or ownership in another for-hire license. >>Notwithstanding any provision to the contrary, any driver-owner who has been issued a for-hire license may elect to transfer the for-hire license to a corporation organized or qualified to do business under the laws of Florida where all shares of the corporation are held by the driver-owner who purchased the for-hire license (“wholly-owned corporation”), and which satisfies the requirements and criteria provided in sections 31-82(c), (d), (e), (f), (g), (h), (i), (j) (k) and (r). All for-hire licenses issued to a driver-owner and transferred to a wholly-owned corporation as provided for in subsections (r)(3) and (r)(4) shall, regardless of the date of issuance, be transferred to the same wholly-owned corporation. As a condition of transferring a for-hire license to a wholly-owned corporation as provided in this subsection, the wholly-owned corporation shall agree, in a form prepared by the Consumer Services Department, to be jointly and severally liable for all asserted and unasserted claims, liabilities, causes of action, and/or lawsuits arising out of or relating to the for-hire license which accrued prior to the transfer of the for-hire license (“assumption of liability”). The assumption of liability required in this subsection shall run to the benefit of, and be enforceable by, any third party who has an unsatisfied judgment, claim, cause of action or lawsuit against the prior owner(s) arising out of or relating to the for-hire license transferred as provided herein. Each vehicle operated pursuant to a for-hire license issued to a driver-owner and transferred to a corporation as provided in subsections (r)(3) and (r)(4):

(i) Shall within one hundred and twenty (120) days from the issuance of the for-hire license be equipped with an operable mobile two-way radio or electronic dispatch system,

Notwithstanding the foregoing, mobile two-way radio or electronic dispatch systems required by the preceding sentence shall, within eighteen (18) months of the issuance of the for-hire license, be integrated with a global positioning dispatch system capable of determining the location of each taxicab utilizing the system twenty-four (24) hours a day, 365 days a year;

In addition, all taximeters shall be programmed with the approved special service rates;

Said equipment shall list tips, fare, tolls and port fees separately. In addition, said equipment shall have the ability to electronically authorize the transaction in a timely manner. The credit card processing equipment shall:

(a) provide for a printed receipt that shall contain the fare charged, the name and telephone number of the passenger service company, the operating permit number, the chauffeur registration number, date and time of transaction and the telephone number for filing complaints with the CSD;

No minimum charge may be imposed for the use of a credit card to pay a fare. A taxicab that accepts credit cards in payment of fares must post upon the vehicle the type of credit cards accepted for payment. The specifications of said posting shall be prescribed by the CSD. Any vehicle which fails to comply with any of the requirements imposed by this subsection (r)(3)(i)-(iv) shall be removed from service until such time as the vehicle is in compliance with said requirements.<<

(4) Purchase by driver-owner of second for-hire taxicab license. Notwithstanding any provision to the contrary, a for-hire license holder who (i) is a registered chauffeur, (ii) holds only one (1) for-hire license in his or her name, (iii) does not hold any

interest in a corporation, partnership or other entity which holds a Miami-Dade County for-hire license >>except as provided in subsection (r)(3)<<, and (iv) actually drives the taxicab authorized thereby one (1) out of two (2) shifts per day on an average of five (5) days per week >>("driver-owner")<< may purchase a second for-hire license provided that said for-hire license holder continues to drive one (1) of the two (2) taxicabs authorized thereby one (1) out of two (2) shifts per day on an average of five (5) days per week. Failure to comply with the requirements of this subsection shall subject said for-hire taxicab license to suspension or revocation. >>Notwithstanding any provision to the contrary, any driver-owner who purchases a second for-hire license may elect to transfer the for-hire license to a corporation organized or qualified to do business under the laws of Florida where all shares of the corporation are held by the driver-owner who purchased the for-hire license ("wholly-owned corporation"), and which satisfies the requirements and criteria provided in sections 31-82(c), (d), (e), (f), (g), (h), (i), (j) (k) and (r). All for-hire licenses issued to a driver-owner and transferred to a wholly-owned corporation as provided for in subsections (r)(3) and (r)(4) shall, regardless of the date of issuance, be transferred to the same wholly-owned corporation.
