Memorandum

Date: May 1, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Ordinance Amending Article VII, Section 17-125 Establishing Rental Exception to the Infill Housing Initiative Program

Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the attached ordinance to amend Article VII, Section 17-125 of the Code of Miami-Dade County to extend the sunset provision set forth in Section 17-125 until April 16, 2014. The extension will allow developers participating in the Infill Housing Initiative Program (Infill Housing Program), that have made a good faith attempt to sell their properties, to rent their properties to families who are eligible participants in one of the County's or other local municipality's rental housing assistance programs.

Scope

This provision may affect all designated Targeted Infill Areas in the County as well as areas designated as Urban Infill Target Areas (UIA), as defined in Section 33G-3(26) of the Code, and the Targeted Urban Areas (TUA), as defined in Section 30A-129(2) of the Code. In addition, Infill Target Areas shall include those portions of Neighborhood Revitalization Strategy Areas not otherwise covered under the UIA and TUA and any geographic locations in Miami-Dade County which are designated by the Federal Government as empowerment zones shall be included in the definition of TUA at the time of such designation.

Fiscal Impact/Funding Source

The ordinance amending the code will not have a fiscal impact to Miami-Dade County.

Track Record/Monitor

This project will be monitored by Alan S. Eson, PHCD Real Estate Officer for the Infill Housing Program. The monitoring process will include reviewing changes in lease terms, updating the Infill Housing database, reviewing documentation for any rentals not previously submitted, and issuing non-compliance notifications to those developers who warrant them.

Background

The proposed amendment to the ordinance pertains to the Infill Housing Program that encourages developers to build single family homes for very low, low, and moderate income families in the Target areas of Miami-Dade County.

On April 16, 2010, the Board adopted Ordinance No. 10-25 to permit developers in the Infill Housing Program, to temporarily rent their eligible homes for a period of two years if the developer demonstrated a good faith effort to sell the homes but was unsuccessful. This Ordinance is scheduled to sunset April 15, 2012.

Since the economic conditions in the housing market have not yielded the expected sales price versus the construction loans obtained to build homes, the infill developers, rather than selling short, were allowed by the Board to temporarily rent the homes to eligible families. Staff recommends that the developers be permitted to continue to rent their properties for an additional two (2) years, with a sunset date of April 16, 2014.

Upon the County's approval, the developers are required to rent to families who are eligible participants in one of the County's or other local municipality's rental housing assistance programs, including but not limited to, the Section 8 Housing Choice Voucher (HCV) Program administered by Miami-Dade Public Housing and Community Development (PHCD) or the Household Exiting Emergency Shelter, Transitional Housing and Domestic Violence programs administered by the Miami-Dade County Homeless Trust.

Currently, there are twenty-eight (28) homes rented in the Infill Housing Program and an additional twelve (12) that have been completed but remain vacant. The developers of these twelve (12) homes may request the County's approval to rent to income eligible families in the rental housing programs described herein.
