Memorandum

Date: October 2, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

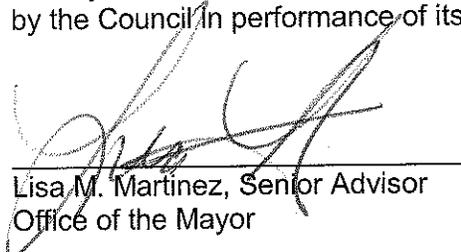

Subject: Ronald Reagan Equestrian Center Council Report Pursuant to Section 2-11.37(b)

In accordance with Section 2-11.37(b) of the Code, the following information is provided regarding the proposed establishment of the Ronald Reagan Equestrian Center Council (Council).

The Council will serve in an advisory capacity to the Board of County Commissioners for the purpose of providing guidance on programming and use of the Ronald Reagan Equestrian Center. The Council will assist with promoting the Ronald Reagan Equestrian Center internationally and assist in securing major events in order to generate revenues for the Miami-Dade County Parks, Recreation, and Open Spaces Department (PROS). There are no other boards or agencies that address the responsibilities outlined for the Council.

The costs of establishing and maintaining the Council are estimated at \$6,000 per year including staff and facility usage. PROS will provide staff to support the Council and facility space as may be necessary to accomplish the Council's purpose. While an advisory group such as this is not necessary to obtain state or federal grants or other financing, granting agencies may look more favorably to grant applications that have been brought before Councils made up of community stakeholders.

The Council will not have bonding authority, nor have the power or authority to bind Miami-Dade County to any policies, to incur any financial obligations, or create any liability on the part of the County. The County Commission may decide to provide funds for the reasonable and necessary expenses incurred by the Council in performance of its duties and functions within the annual County budget.
