**To:** Honorable Chairwoman Rebeca Sosa  
and Members, Board of County Commissioners

Agenda Item No. 5(E)

**From:** Carlos A. Gimenez  
County Mayor

**Subject:** Ordinance Replacing certain Master Ordinance and Authorizing the Issuance of up to \$150 million of Special Obligation Court Facilities Bonds to Fund the Completion of the Juvenile Courthouse and to Refund Outstanding Series 1998 and Series 2003 Special Obligation Court Facilities Bonds

Ordinance No. 13-63

### Recommendation

It is recommended that the Board of County Commissioners (Board) enact the accompanying Ordinance (2013 Ordinance) to supersede the master ordinance that authorized and secured all of the County's outstanding bonds secured by traffic surcharge revenues (Prior Bonds). That master ordinance secured the Prior Bonds with an additional pledge of non-ad valorem revenues which the 2013 Ordinance eliminates. In order to release the Prior Bonds from the lien of the prior master ordinance, all of the outstanding Prior Bonds need to be refunded, even if there is a net present value loss, with proceeds from special obligation bonds issued under the 2013 Ordinance. The 2013 Ordinance authorizes up to \$150 million of Miami-Dade County, Florida Special Obligation Court Facilities Bonds (New Bonds) to refund the Prior Bonds and to provide \$30.4 million to complete the Juvenile Courthouse (a.k.a. Children's Courthouse) project.

The County secured the Prior Bonds with an additional pledge of a covenant to annually budget and appropriate from non ad-valorem revenues to address any deficiencies in the Traffic Surcharge. Because the County now has a collection history for the Traffic Surcharge, the market will support the issuance of bonds secured solely with the Traffic Surcharge. Therefore the additional pledge is not necessary and its release can potentially benefit the County's general credit.

### Scope

The New Bonds will refund the Prior Bonds and complete funding of the Children's Courthouse which will have a countywide impact. The Prior Bonds financed all or a portion of (i) the Children's Courthouse located at 155 NW 3 Street which will provide court facilities for the Juvenile Division of the 11<sup>th</sup> Judicial Circuit and related agencies; and (ii) the Courthouse Center located at 175 NW 1 Avenue, which provides court facilities for the Family Division of the 11<sup>th</sup> Judicial Circuit and related agencies. Both facilities are located in Commission District 5, which is represented by Commissioner Bruno A. Barreiro.

### Fiscal Impact/Funding Source

When issued, the New Bonds will be secured solely by the Traffic Surcharge, which is a State authorized \$30 surcharge on certain non-criminal and criminal traffic infractions for the purpose of funding court facilities. The County's pledge of non ad valorem revenues currently securing the Prior Bonds will be released, which will have a positive impact on the general credit of the County.

The New Bonds will only be issued pursuant to a subsequent series resolution to be adopted by the Board which will set the parameters for establishing the terms, maturities, interest rates and other details of each series of bonds including the net present value savings or loss for each series of the Prior Bonds. Because the Prior Bonds are a combination of fixed and variable rate debt, there is likely a net present value loss due to conversion of the variable rate component to current fixed rate. That occurs because the variable interest rate is lower than the current fixed rates offered in the market right now. As of April 23, 2013, the projected net present value loss from refunding all the Prior Bonds

is approximately \$6.5 million, assuming that the variable rate does not change in the future. However, given that variable rates are likely to rise substantially beyond current fixed rates over the term of bonds through 2043, it will benefit the County to convert its variable debt at this time to historically low fixed rates. Until a series of New Bonds is issued, the enactment of the 2013 Ordinance will have no fiscal impact on the County. At that time, updated markets estimates will be provided to the Board for consideration.

**Track Record/Monitoring**

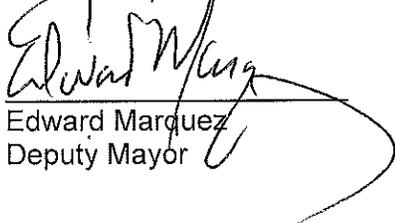

The programming and recommended use of bond proceeds is managed through the County's annual capital budget process, under the auspice of the Office of Management and Budget, Jennifer Moon, Director. Issuance of bonds under this 2013 Ordinance, annual bond service and continuing disclosure will be managed by the Finance Department, Division of Bond Administration, Frank Hinton, Director.

**Background**

The County previously issued the Prior Bonds pursuant to a master ordinance which secured the repayment of the Prior Bonds with a pledge of the Traffic Surcharge which at the time of the pledge was a new income stream. As a result, the County needed to secure the Prior Bonds with an additional pledge of a covenant to annually budget and appropriate from non ad-valorem revenues any deficiencies in the Traffic Surcharge. Because the County now has a collection history for the Traffic Surcharge, the market would support the issuance of bonds secured solely with the Traffic Surcharge. Upon the issuance of the New Bonds pursuant to the 2013 Ordinance, the Prior Bonds will be legally defeased and the County's additional pledge will be released. The elimination of the additional pledge has a positive impact on the County's general credit.

The Children's Courthouse requires completion funds of approximately \$30.4 million due to expansion of the original design scope in 2009 in order to house all juvenile court-related agencies in one court facility. At the time the Board adopted Ordinance 09-72 increasing the Traffic Surcharge from \$15 to \$30, the Board expressed its intent that the additional revenue be used for the Children's Courthouse. The expanded scope was included in the construction contract award.

Any New Bonds will only be secured by the Traffic Surcharge, hedge receipts, if any, and investment earnings on funds held for the credit of funds and accounts established by the 2013 Ordinance. There shall be no secondary pledge of a budget to appropriate of non-ad valorem revenues, unless pledged in a subsequent ordinance.

(A) There are by this Ordinance created and designated the “Miami-Dade County Special Obligation Court Facilities Bonds Revenue Fund” (the “Revenue Fund”), the “Miami-Dade County Special Obligation Court Facilities Bonds Debt Service Fund” (the “Debt Service Fund”) and three accounts therein designated the “Principal and Interest Account” (the “Principal and Interest Account”), the “Redemption Account” (the “Redemption Account”) and the “Expense Account” (the “Expense Account”), and the “Miami-Dade County Special Obligation Court Facilities Bonds Reserve Fund” (the “Reserve Fund”), all of which funds and accounts shall be held by the County in trust. In connection with the issuance of Bonds, the County may establish by Series Resolution for such Bonds, one or more reserve accounts (each a “Reserve Account”).

(B) The cash required to be accounted for in each of the Funds and Accounts may be deposited in a single bank account, provided that adequate accounting records are maintained to reflect and control the allocation of the cash on deposit for the various purposes of such Funds and Accounts. The designation and establishment of the various Funds and Accounts in and by this Ordinance shall not be construed to require the establishment of any completely independent, self-balancing funds, as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of the Pledged Revenues for certain purposes and to establish certain priorities for application of the Pledged Revenues as provided in this Ordinance.

(C) In each Series Resolution, the County may create subaccounts within the funds and accounts established under this Ordinance with respect to one or more Series of Bonds and may provide that deposits to such funds and accounts shall be appropriately credited to such subaccounts, together with amounts received pursuant to any Credit Facility or Hedge Agreement. Amounts held in any such subaccount may be required to be held solely for the applicable Series of Bonds and applied to their payment or to the payment of Payment Obligations and Hedge Obligations relating to such Series.

Section 502. Lien on Funds and Accounts. All moneys held in the funds and accounts established in Section 501 shall be held in trust and, pending the application of such moneys as provided in this Article, such moneys shall be subject to a lien and charge in favor of the Holders and any Providers, all as their respective interests may appear, and shall not be subject to lien or attachment of any other creditor of the County.

Section 503. Application of Pledged Revenues.

(A) The County shall cause the County Clerk to transfer to the County all Pledged Revenues as the same are collected, but not less often than weekly, and the County shall deposit such revenues as received to the credit of the Revenue Fund.

(B) On or before the Business Day preceding any date on which arbitrage rebate payments under the Code are required to be made, the County shall withdraw moneys from the Revenue Fund and shall utilize the moneys withdrawn to make such arbitrage rebate payments.

(C) On or before the twenty-fifth (25th) day of each month, commencing in the month of the Issue Date, the County shall withdraw all moneys from the Revenue Fund and apply the moneys so withdrawn to make the following payments and deposits in the following order:

(i) Deposit to the credit of the Principal and Interest Account an amount equal to one-sixth (1/6th) of the interest becoming due on the Bonds on the next semiannual

Interest Payment Date; provided, however, that (a) the amount so deposited on account of interest in each month after the delivery of the Bonds up to and including the month immediately preceding the first Interest Payment Date thereafter of the Bonds of such Series shall be that amount that when multiplied by the number of such deposits will be equal to the amount of interest payable on such Bonds on such first Interest Payment Date less the amount of any accrued interest paid on such Bonds and deposited to the credit of the Principal and Interest Account, (b) the amount specified in this subparagraph (i) shall be reduced to take into account Hedge Receipts to be received on or before the succeeding Interest Payment Date and shall be increased to provide for the payment of any Hedge Obligations to be paid on or before the succeeding Interest Payment Date, and (c) with respect to any Variable Rate Bonds (or any Hedge Agreement bearing interest at a variable rate of interest.) payable other than semiannually, the amount specified in this subparagraph (i) for the payment of interest (or Hedge Obligations) shall be that amount necessary to provide substantially equal monthly payments for the payment of such interest (or hedge Obligations) on the payment dates.

(ii) Deposit to the credit of the Principal and Interest Account an amount equal to the sum of (i) one-twelfth (1/12th) of the principal of Serial Bonds that will mature and become due on the next annual maturity date, if any, that is within twelve months of the date of such deposit and (ii) one-twelfth (1/12th) of the Amortization Requirements next due and payable, if any, within twelve months of the date of such deposit, such deposits to commence in such month or to be adjusted in such amounts as will ensure that on the dates such principal or Amortization Requirements are due and payable sufficient moneys will be on deposit in the Principal and Interest Account.

Notwithstanding the foregoing provisions, moneys shall not be required to be deposited to the credit of the Principal and Interest Account (1) pursuant clause (d)(i) above if the amount then to the credit thereof is equal to the interest becoming due and payable on the Bonds on the next Interest Payment Date and (2) pursuant to clause (d)(ii) above if the amount then to the credit thereof is equal to the sum of the principal of Serial Bonds maturing on the next maturity date and the Amortization Requirement for such Fiscal Year on account of the Term Bonds Outstanding.

(iii) Deposit to the credit of each Reserve Account within the Reserve Fund, such sums as shall be at least sufficient to pay an amount equal to one-thirty-sixth (1/36th) of the difference, if any, between the Reserve Account Requirement for each Reserve Account and the amount, if any, then credited to such Reserve Account (including the available balance under any Reserve Account Credit Facility) (the "Monthly Funding Requirement"). If a Reserve Account Credit Facility is utilized and its Provider is required to advance any sums to pay principal and/or interest on Bonds or other sums required to be funded from the applicable Reserve Account, the County shall pay the related Payment Obligations and other amounts due the Provider in connection with such advance in accordance with the requirements of the Credit Agreement entered into between the County and such Provider with respect to such Reserve Account Credit Facility. The moneys available to be applied to satisfy the requirements of this clause (iii) shall be applied so that the moneys credited to each Reserve Account shall equal the Applicable Ratio for such Reserve Account multiplied by the moneys available to satisfy the requirements of this clause (iii). As used in the preceding sentence, "Applicable Ratio" shall mean the ratio that the amount required to satisfy the funding requirement under this clause (iii) for a particular Reserve Account bears to the amount required to

satisfy the cumulative funding requirements under this clause (iii) for all Reserve Accounts.

(iv) Any balance remaining after satisfying the requirements of (i), (ii) and (iii) above shall be deposited to the credit of the Expense Account in an amount sufficient to pay (1) the fees, interest and other amounts owing any Provider, and (2) any Administrative Expenses coming due in such month.

(v) Any balance remaining after satisfying the requirements of (i), (ii), (iii) and (iv) above shall be applied to pay Hedge Charges then due and payable.

(vi) Any balance remaining after satisfying the requirements of (i), (ii), (iii), (iv) and (v) above shall be applied by the County for any lawful purpose of the County.

(D) If the moneys withdrawn for deposits to the above funds and accounts and for making the other required payments as above set forth shall not be sufficient to make such deposits and payments, the requirements in each month thereafter for each of the above deposits and payments for which the required monthly deposit or payment has not been made shall be cumulative and the amount of any deficiency in any such monthly deposit or payment shall be added to the amount otherwise required to be deposited in each month thereafter until such time as such deficiency shall have been made up.

Section 504. Application of Moneys in Principal and Interest Account.

(A) The County shall on or before each Interest Payment Date withdraw from the moneys then on deposit in the Principal and Interest Account, set aside in trust with the relevant Registrar and Paying Agent and cause such Registrar and Paying Agent to remit by mail to each Holder the amounts required for paying the interest on the Bonds on such Interest Payment Date and on or before each principal payment date withdraw from the moneys then on deposit in the Principal and Interest Account and set aside in trust with such Registrar and Paying Agent the amounts

To the extent moneys in the Principal and Interest Account for the payment of principal or Amortization Requirements of the Bonds are in excess of the amount required for payment of Bonds heretofore matured or called for redemption, said moneys may be used by the County to purchase Bonds maturing or subject to redemption from Amortization Requirements on the next succeeding principal payment date at a purchase price not exceeding the principal amount thereof, or to the extent said moneys are in excess of the amount required for payment of the Bonds heretofore matured or called for redemption and the total amount of principal scheduled to become due either at maturity or as a result of Amortization Requirements on the next succeeding principal payment date, to purchase any other Bonds; provided further that no such purchase shall be made within the period of forty-five (45) days immediately preceding an Interest Payment Date on which the Bonds are subject to call for redemption under the provisions of this Ordinance except from moneys other than moneys set aside or deposited for the redemption of Bonds. Upon the purchase of Term Bonds, the County shall apply any credit against future Amortization Requirements for such Term Bonds.

(B) In the case of Bonds secured by a Credit Facility, amounts on deposit in the Principal and Interest Account may be applied to reimburse the Credit Facility Provider for amounts drawn under such Credit Facility to pay the principal of and premium, if any, and interest on such Bonds secured by such Credit Facility.

(C) All Hedge Receipts shall be deposited by the County directly into the Debt Service Account and applied as provided in this Section. In addition, on or before each payment date for any Hedge Obligation, the County Mayor shall withdraw from the Bond Service Account the amount payable with respect to such Hedge Obligation and pay such amount to the applicable

Counterparty Such payments may be made by wire transfer or other electronic means or as may be provided with respect to any Book Entry System.

Section 505. The Reserve Fund and Application of Moneys Therein.

If a disbursement or drawing is made under a Reserve Account Credit Facility, the County shall either reinstate the maximum limits of such Reserve Account Credit Facility immediately following such disbursement or drawing into the applicable Reserve Account from

legally available moneys of the County, or deposit funds in the amount of the disbursement made under such policy or the drawing made under such Reserve Account Credit Facility, or a combination of such alternatives.

(B) Not later than each Interest Payment Date for any Series of Bonds then Outstanding, the County shall (i) draw from the applicable Reserve Account and apply to the payment on such Interest Payment Date of the principal of and interest on the Bonds of such Series only, or (ii) draw upon any Reserve Account Credit Facility credited to such Reserve Account in accordance with its terms and apply to the payment on such Interest Payment Date of the principal of and interest on the Bonds of such Series only, amounts as follows:

(a) if such Interest Payment Date is not a principal payment date, the amount, if any, required to increase the amount then held to the credit of the Principal and Interest Account for the payment of interest on such Bonds to an amount equal to the amount of interest scheduled to become due on such Bonds on such date; and

(b) if such Interest Payment Date is also a principal payment date, the amount under (a) above plus the amount, if any, required to increase the amount then held for the credit of the Principal and Interest Account for the payment of principal of or Amortization Requirements on such Bonds to an amount equal to the sum of (1) the aggregate principal amount of such Bonds that are Serial Bonds that will become due and payable on such date, and (2) the amount of the Amortization Requirement for such Bonds that are Term Bonds due and payable on such date.

If the amount drawn from such Reserve Account pursuant to the foregoing provisions of this Section shall be less than the amount required to be drawn under such provisions, any amount thereafter deposited to the credit of such Reserve Account shall be immediately drawn to the extent, required to make up any such deficiency.

(C) Moneys credited to a Reserve Account, including available balances under any Reserve Account Credit Facility, available to be drawn upon under this Ordinance are by this Ordinance solely pledged as security for, and shall be used only for the purpose of making payments of principal of and interest on, the Bonds to which such Reserve Account relates and only when all moneys in any other fund or account held pursuant to this Ordinance and available for such purpose pursuant to this Ordinance are insufficient therefor. Moneys in each such Reserve Account shall also be used to make payments due to the issuer of a Reserve Account Credit Facility on account of a draw upon such Reserve Account Credit Facility. All cash on deposit in any such Reserve Account shall be utilized prior to drawing under a Reserve Account Credit Facility.

(D) Any moneys in a Reserve Account in excess of the Reserve Account Requirement applicable to such Reserve Account shall be transferred to and deposited in the Revenue Fund; provided, however, that any moneys in a Reserve Account in excess of the Reserve Account Requirement as a result of the substitution of a Reserve Account Credit Facility for money on deposit in such Reserve Account may, at the discretion of the County, be used by the County for any lawful purpose.

Such redemption shall be made pursuant to the provisions of Article III and the applicable Series Resolution. The County, on or before the redemption date, shall withdraw from the Principal and Interest Account and the Redemption Account and set aside in separate accounts or deposit with the Paying Agent the respective amounts required for paying the interest on, and the principal and redemption premium of, the Term Bonds so called for redemption.

(C) Moneys held in the Redemption Account shall be applied by the County each Fiscal Year to the retirement of Bonds then Outstanding in the following order:

First: to the retirement of Term Bonds to the extent of the Amortization Requirement, if any, for such Fiscal Year for such Term Bonds, plus the applicable premium, if any, and any deficiency in any preceding Fiscal Years in the purchase or redemption of such Term Bonds under the provisions of this subdivision and, if the amount available in such Fiscal Year shall not be sufficient, then in proportion to the Amortization Requirement, if any, for such Fiscal Year for the Term Bonds of each such Series then Outstanding, plus the applicable premium, if any, and any such deficiency.

### GENERAL COVENANTS AND REPRESENTATIONS

Section 701. Power to Issue Bonds and Pledge Revenues; Payment of Bonds.

(A) The County is duly authorized under all applicable laws to create and issue the Bonds and to pledge the Pledged Revenues in the manner and to the extent provided in this Ordinance. Except to the extent otherwise provided in this Ordinance, the Pledged Revenues are and will be free and clear of any pledge, lien, charge or encumbrance prior to, or of equal rank with, the security interest, pledge and assignment created by this Ordinance, and all action on the part of the County to that end has been and will be duly and validly taken. The County covenants that it will not issue, undertake or incur any indebtedness of any nature secured by a lien on the Pledged Revenues prior or superior to the lien on the Pledged Revenues created under this Ordinance. The Bonds and the provisions of this Ordinance are and will be the valid and legally enforceable obligations of the County in accordance with their terms and the terms of this Ordinance.

(B) The County shall cause to be paid, when due, the principal of (whether at maturity, by call for redemption or otherwise) and the premium, if any, and the interest on the Bonds at the places, on the dates and in the manner provided in this Ordinance and in said Bonds according to the true intent and meaning thereof.

(C) The Bonds shall be a special and limited obligation of the County, payable solely from and secured by a prior lien upon and a pledge of the Pledged Revenues as provided in this Ordinance. Until payment has been provided for as permitted in this Ordinance, the payment of the principal of and interest on the Bonds and all Hedge Obligations shall be secured equally and ratably by an irrevocable lien on the Pledged Revenues. The County irrevocably pledges and grants a lien upon such Pledged Revenues to the payment of the principal of and interest on the Bonds, Hedge Obligations and for all other required payments under this Ordinance, including Hedge Charges, to the extent, in the manner and with the priority of application as provided in this Ordinance. No Holder or any Counterparty shall have the right to require or compel the

exercise of the ad valorem taxing power of the County for payment of the Bonds, Hedge Obligations, or Hedge Charges, or be entitled to payment of such amount from any other funds of the County, except from the Pledged Revenues in the manner provided in this Ordinance.

(D) The Bonds issued under this Ordinance shall not be deemed to constitute a pledge of the faith and credit of the State or of any political subdivision thereof, including the County. Neither the faith and credit of the State nor the faith and credit of the County are pledged to the payment of the principal of or premium, if any, or interest on the Bonds, and the issuance of the Bonds shall not directly or indirectly or contingently obligate the State or the County to levy any taxes whatever therefor or to make any appropriation for their payment except from the Pledged Revenues provided for their payment under this Ordinance.

Section 702. Imposition of Surcharge; Use of Pledged Revenues.

(A) Except as otherwise permitted in this paragraph, to the extent permitted by law and subject to any limitations provided therein, the County covenants that it will establish, fix and maintain the Surcharge at a level of not less than \$30.00 per infraction or violation and that it will cause the County Clerk to collect the Surcharge as it becomes due and payable. The County may reduce the level of the Surcharge below \$30.00 per infraction or violation only if the County shall have first delivered to the County Clerk a Coverage Certificate. In such event, the County may reduce the level of the Surcharge only if the County shall additionally certify in writing to the County Clerk that: (i) after such reduction, the County reasonably expects that the County will continue to meet the Coverage Requirement going forward, and (ii) such reduction will not result in the reduction, suspension or withdrawal of any rating then maintained on any Bonds by a Rating Agency. If the County shall so reduce the level of the Surcharge, the County shall certify in writing as of each March 1 and September 1 thereafter as to whether the County has continued to satisfy the Coverage Requirement. In the event that any such certification reveals

that the County has failed to satisfy the Coverage Requirement, the County shall increase the Surcharge to a level of \$30.00 as soon as is practicable and shall continue to maintain the Surcharge at such level unless it shall again satisfy the requirements of this Section 702(A) for a reduction in the level of the Surcharge.

(B) The County covenants that it will not seek to amend or repeal, or support any attempt to support or repeal, the Surcharge.

Section 703. Covenant to Perform by the County. The County shall faithfully perform at all times all of its covenants, undertakings and agreements contained in this Ordinance and in any Bond executed, authenticated and delivered under this Ordinance.

Section 704. Covenants with Credit Facility Providers.

(A) Subject to the provisions of this Ordinance, the County may make such covenants, including the granting of a parity or subordinate lien on Pledged Revenues to the lien of Bonds under this Ordinance, as the County may in its sole discretion determine to be appropriate with any Provider. Such covenants may be set forth in the Omnibus Certificate or in an agreement with a Provider and shall be binding on the County, each Registrar and Paying Agent and all the Holders of Bonds the same as if such covenants were set forth in full in this Ordinance.

(C) All covenants for the benefit of a Provider shall remain in full force and effect only for so long as such Provider has not defaulted in its obligations under the applicable Credit Facility or Reserve Account Credit Facility.

Section 705. No Inconsistent Action. The County covenants that none of the Pledged Revenues will be used for any purpose that is inconsistent with the provisions of this Ordinance and that no contract or contracts will be entered into or any action taken by it that shall be inconsistent with the provisions of this Ordinance.

Section 706. Books and Records. The County covenants that it will keep the Funds and Accounts established under this Ordinance separate from all other funds and accounts of the County, and that it will keep accurate records and accounts of the Pledged Revenues received and the application of the Pledged Revenues. Such records and accounts shall be open at all reasonable times to the inspection of the Holders of the Bonds.

Section 707. Covenant as to Tax Exemption and Rebate.

(A) The County covenants with the Holders of Tax-Exempt Bonds that it shall comply with the requirements of the Code and shall take all actions and do all things necessary and desirable in order to maintain the exclusion from gross income for federal income tax purposes of interest on such Tax-Exempt Bonds, and shall refrain from taking any actions that would cause interest on such Tax-Exempt Bonds to be included in gross income for federal income tax purposes. In particular, the County covenants that it will not make or direct the making of any investment or other use of the proceeds of the Tax-Exempt Bonds that would cause any Tax-Exempt Bonds to be "private activity bonds" as that term is defined in Section 141 (or any successor provision) of the Code or "arbitrage bonds" as that term is defined in Section 148 (or any successor provision) of the Code, and all applicable regulations promulgated under the Code, and that it will comply with the requirements of Section 148 of the Code and the aforementioned regulations throughout the term of the Tax-Exempt Bonds.

(B) Notwithstanding anything in this Ordinance to the contrary, the County covenants that it will budget and appropriate funds sufficient in amount to enable it to comply with its obligations under each Tax Certificate in respect of arbitrage rebate (the "Rebate Covenants"). The County shall make or cause to be made payments to the United States of America in the amounts and at the times required by each Tax Certificate. The County covenants for the benefit of the Bondholders that it will comply with the requirements of the

Rebate Covenants. The County shall not be required to comply with the requirements of this Section in the event that the County obtains an Opinion of Bond Counsel that (i) such compliance is not required in order to maintain the exclusion of interest on Tax-Exempt Bonds from gross income of the Holders for federal income tax purposes, and/or (ii) compliance with some other requirement is necessary to maintain the Federal income tax exemption of interest on Tax-Exempt Bonds. The County shall adopt an amendment to this Ordinance to reflect the deletion or substitution of any such requirement.

Section 708. List of Bondholders. Each Registrar and Paying Agent shall keep on file at its office the Bond Register, indicating the names and addresses of the Holders of the Bonds for which it is acting as Registrar and Paying Agent and the serial numbers of such Bonds held by each of such Holders. At reasonable times and under reasonable regulations established by such Registrar and Paying Agent, the Bond Register may be inspected and copied by the County, each Provider or the authorized representative of any Holder or Holders of ten percent (10%) or more in Outstanding aggregate principal amount of the Bonds, such ownership and the authority of any such designated representatives to be evidenced to the satisfaction of such Registrar and Paying Agent.

(G) Any Event of Default specified in a Series Resolution, which, by the terms of such Series Resolution, shall be deemed and Event of Default under this Ordinance.

The County shall mail to any Credit Facility Provider written notice of all events of which it is aware that either constitute Events of Default under this Ordinance or, upon notice by or to the County or the passage of time, would constitute Events of Default under this Ordinance within thirty (30) days after the County shall have notice of the same, provided that the County shall provide Immediate Notice to any Credit Facility Provider of any Event of Default described in clauses (A) or (B) of this Section.

the Event of Default, unless such Event of Default shall have been cured, written notice of the Event of Default, by first class mail to the Holders of all Bonds and by registered or certified mail to each Provider and Counterparty.

Section 803. Enforcement of Remedies.

(A) Upon the happening and continuance of any Event of Default specified in Section 801 of this Article, then and in every such case the Holders of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding may proceed to protect and enforce the rights of the Holders under the laws of the State or under this Ordinance by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained in this Ordinance or in aid of execution of any power in this Ordinance granted or for the enforcement of any proper legal or equitable remedy, as such Holders shall deem most effectual to protect and enforce such rights.

(B) In the enforcement of any remedy under this Ordinance, the Holders shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any Event of Default becoming and remaining due from the County for principal, interest or otherwise under any of the provisions of this Ordinance or of the Bonds, together with interest on overdue payments of principal at the rate or rates of interest payable on any Bonds Outstanding and all costs and expenses of collection and of all proceedings under this Ordinance, without prejudice to any other right or remedy of the Holders, and to recover and enforce any judgment or decree against the County, but solely as provided in this Ordinance, for any portion of such amounts remaining unpaid and interest, costs, and expenses as above provided, and to collect (but solely from money available for such purposes), in any manner provided by law, the money adjudged or decreed to be payable. Nothing in this Ordinance, however, shall be construed to grant to any

Holder of such Bonds any lien on any property of or within the corporate boundaries of the County. No Holder of Bonds, however, shall have any right in any manner whatever to affect, disturb or prejudice the security of this Ordinance or to enforce any right except in the manner provided in this Ordinance, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of Bonds.

(C) Nothing in this Ordinance shall be construed to preclude any Counterparty from exercising any and all rights and remedies, including the right to the appointment of a receiver, available to it under the laws of the State as a pledgee to enforce the obligations of the County under the applicable Hedge Agreement.

(D) If any payments of principal and/or interest on the Bonds are made by a Credit Facility Provider with respect to Bonds which have not been defeased in accordance with the provisions of Section 1101, the lien upon and pledge of the money on deposit from time to time in the funds and accounts and all covenants and other obligations of the County to the Holders of such Bonds shall continue to exist and the Credit Facility Provider shall be subrogated to the rights of the Holders of such Bonds with respect to the principal and/or interest paid by such Credit Facility Provider.

Section 804. Pro Rata Application of Funds.

(A) Anything in this Ordinance to the contrary notwithstanding, if at any time the moneys in the Principal and Interest Account shall not be sufficient to pay the interest on or the principal of the Bonds and Hedge Obligations as the same shall become due and payable, such moneys, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

first: to the payment to the persons entitled to this Ordinance of all installments of interest on the Bonds and all Hedge Obligations, in each case then due and payable, in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled to this Ordinance, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds or applicable Hedge Agreement;

second: to the payment to the persons entitled to this Ordinance of the unpaid principal of any of the Bonds that shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Ordinance), in the order of their dates, with interest on the principal amount of such Bonds at the respective rates specified therein from the respective dates upon which such Bonds became due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Bonds due and payable on any particular date, together with such interest, then to the payment first of such interest, ratably, according to the amount of such interest due on such date, and then to the payment of such principal, ratably, according to the amount of such principal due on such date, to the persons entitled to this Ordinance without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds; and

third: to the payment of the interest on and the principal of the Bonds and Hedge Obligations, to the purchase or retirement of Bonds and to the redemption of Bonds, all in accordance with the provisions of Article V.

(B) For purposes of the above provisions of this Section, if any principal or interest on any particular Bonds is paid with funds advanced under any Credit Facility, the Credit Facility

Provider shall become subrogated to the Holder's right to payment from the County of such principal or interest and shall be entitled to receive payment from the County under the above provisions.

(C) Whenever moneys are to be applied by the County pursuant to the provisions of this Section, such moneys shall be applied by the County at such times, and from time to time, as the County in its sole discretion shall determine, having due regard to the amount of such moneys available for such application and the likelihood of additional moneys becoming available for such application in the future. The deposit of such moneys with any paying agents, or otherwise setting aside such moneys, in trust for the proper purpose shall constitute proper application by the County and the County shall incur no liability whatsoever to any Holder of Bonds, to any Counterparty or to any other person for any delay in applying any such moneys, so long as the County acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Ordinance as may be applicable at the time of application. Whenever the County shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The County shall give or cause to be given such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to the Holder of any Bond until such Bond shall be surrendered for appropriate endorsement or for cancellation if fully paid.

(D) The pro rata application of moneys pursuant to this Section 804 shall be adjusted with respect to Variable Rate Bonds and any Bonds bearing interest payable other than semiannually so as to ensure that each Holder entitled to receive payment shall receive as nearly as practicable the same proportion of the total amount due to such Holder.

Section 805. Effect of Discontinuance of Proceedings. If any proceeding taken by the Holders or any Credit Facility Provider on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case, the County and the Holders or Credit Facility Provider shall be restored to their former positions and rights under this Ordinance, respectively, and all rights, remedies, powers and duties of each Registrar and Paying Agent shall continue as though no proceeding had been taken.

Section 806. Control of Proceedings by Holders. Anything in this Ordinance to the contrary notwithstanding, the Holders of a majority in aggregate principal amount of Bonds then Outstanding shall have the right by an instrument or concurrent instruments in writing executed and delivered to the County, to direct the method and place of conducting all remedial proceedings under this Ordinance, provided that such direction shall be in accordance with law and the provisions of this Ordinance.

A Credit Facility Provider shall be deemed to be the sole Holder of all Bonds supported by a Credit Facility it has issued for all purposes under this Article, other than the notice to Holders provisions in this Ordinance contained, so long as such Credit Facility is in effect and the Credit Facility Provider, as applicable, has not defaulted in its obligations thereunder.

Section 807. Restrictions Upon Actions by Individual Holders. No one or more Holders shall have any right in any manner whatsoever by one or more such Holders' action to affect, disturb or prejudice the security of this Ordinance or to enforce any right under this Ordinance except in the manner provided in this Ordinance. All proceedings at law or in equity shall be instituted, had and maintained in the manner in this Ordinance provided and for the benefit of all Holders, and any individual rights of action or other right given to one or more of such Holders by law are restricted by this Ordinance to the rights and remedies in this Ordinance provided. Nothing in this Ordinance shall be construed to preclude any Counterparty from

exercising any and all rights and remedies, including the right to the appointment of a receiver, available to it under the laws of the State as a pledgee to enforce the obligations of the County under the applicable Hedge Agreement.

Section 808. No Remedy Exclusive. No remedy in this Ordinance conferred upon or reserved to the Holders is intended to be exclusive of any other remedy or remedies in this Ordinance provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Ordinance or now or hereafter existing at law or in equity.

Section 809. Delay Not a Waiver. No delay or omission by any Holder in the exercise of any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or any acquiescence therein; and every power or remedy given by this Ordinance to the Holders may be exercised from time to time and as often as may be deemed expedient. The Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding may waive any default which in their opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceedings instituted under the provisions of this Ordinance or before the completion of the enforcement of any subsequent default or defaults or impair any rights or remedies consequent thereon.

Section 810. Right to Enforce Payment of Bonds Unimpaired. Nothing in this Article shall affect or impair the right of any Holder to enforce the payment of the principal of and the interest on any Bond or the obligation of the County to pay the principal of and the interest on each Bond to the Holder thereof at the time and place in said Bond expressed.

## ARTICLE IX

### CONCERNING THE REGISTRAR AND PAYING AGENTS

Section 901. Failure of County to Act. A Registrar and Paying Agent shall not be liable or responsible because of the failure of the County or of any of its employees or agents to make any collections or deposits or to perform any act in this Ordinance required of the County or because of the loss of any money arising through the insolvency or the act or default or omission of any depository in which such money shall have been deposited under the provisions of this Ordinance. A Registrar and Paying Agent shall not be responsible for the application of any of the proceeds of the Bonds or any other money deposited with it and paid out, withdrawn or transferred under this Ordinance if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Ordinance. The immunities and exemptions from liability of a Registrar and Paying Agent under this Ordinance shall extend to the directors, officers, employees and agents of such Registrar and Paying Agent.

Section 902. Compensation. Subject to the provisions of any contract between the County and a Registrar and Paying Agent relating to the compensation of such Registrar and Paying Agent, the County shall pay to such Registrar and Paying Agent reasonable compensation for all services performed by it under this Ordinance and also all its reasonable expenses, charges and other disbursements and those of its attorneys, agents and employees incurred in and about the administration and execution of the trusts by this Ordinance created and the performance of its powers and duties.

Section 903. Reliance by Registrar and Paying Agent. In case at any time it shall be necessary or desirable for a Registrar and Paying Agent to make any investigation respecting any fact preparatory to taking or not taking any action or doing or not doing anything as such Registrar and Paying Agent, and in any case in which this Ordinance provides for permitting or taking any action, such Registrar and Paying Agent may rely upon any certificate required or permitted to be filed with it under the provisions of this Ordinance, and any such certificate shall

be evidence of such fact to protect such Registrar and Paying Agent in any action that it may or may not take or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact. Except as otherwise provided in this Ordinance, any request, notice, certificate or other instrument from the County to such Registrar and Paying Agent shall be deemed to have been signed by the proper party or parties if signed by a County Representative and such Registrar and Paying Agent may accept and rely upon a certificate of the County so signed as to any action taken by the County or such Registrar and Paying Agent in reliance thereon.

Section 904. Registrar and Paying Agent May Deal in Bonds. Any bank or trust company acting as a Registrar and Paying Agent and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in any of the Bonds or coupons issued under and secured by this Ordinance, and may join in any action which any Bondholder may be entitled to take with like effect as if such bank or trust company were not a Registrar and Paying Agent under this Ordinance.

Section 905. No Responsibility for Recitals. The recitals, statements and representations contained in this Ordinance and in the Bonds (excluding the certificate of authentication on the Bonds) shall be taken and construed as made by and on the part of the County and not by a Registrar and Paying Agent, and a Registrar and Paying Agent does not assume and shall have no responsibility for the correctness of the same.

Section 906. Appointment and Acceptance of Duties.

(A) The County Mayor shall select and designate a Registrar and Paying Agent for and in respect of the Bonds of each Series, which shall enter into a Registrar and Paying Agent Agreement with the County in which it shall signify its acceptance of its obligations under this Ordinance.

(B) The County may appoint one or more additional Paying Agents for the Bonds. Any such Paying Agent shall be a commercial bank or trust company organized under the laws of the United States of America or one of the States thereof. Each Paying Agent other than a Registrar and Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Ordinance by executing and delivering to the County and the appropriate Registrar and Paying Agent a written acceptance of this Ordinance. Each Registrar and Paying Agent and each other Paying Agent is by this Ordinance authorized to pay or redeem Bonds when duly presented to it for payment or redemption.

(C) Unless otherwise provided, the principal corporate trust office of the Registrar and Paying Agent for Bonds of a Series is designated as the office or agency of the County for the payment of the interest on and principal or redemption price of the Bonds of such Series.

Section 907. Resignation or Removal of Registrar and Paying Agent and Appointment of Successor.

(A) A Registrar and Paying Agent may at any time resign and be discharged of the duties and obligations created by this Ordinance by giving at least 60 days' written notice to the County and any Credit Facility Provider. A Registrar and Paying Agent may be removed at any time by an instrument filed with any Credit Facility Provider and such Registrar and Paying Agent and signed by the County Representative. Any successor Registrar and Paying Agent shall be appointed by the County and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having (or controlled by an entity having) capital stock, surplus and undivided earnings aggregating at least Thirty-Five Million Dollars (\$35,000,000), and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this

Ordinance. The County shall provide written notice to any Credit Facility Provider of the appointment of such successor Registrar and Paying Agent.

(B) In the event of the resignation or removal of a Registrar and Paying Agent, such Registrar and Paying Agent shall pay over, assign and deliver moneys held by it as Registrar and Paying Agent to its successors, or if there be no successors, to the County. In the event that for any reason there shall be a vacancy in the office of any Registrar and Paying Agent, the County Mayor shall act as Registrar and Paying Agent.

### SUPPLEMENTAL ORDINANCES

Section 1001. Supplemental Ordinance Without Bondholder Consent. The Board, from time to time and at any time may adopt such Supplemental Ordinances which are compatible with the terms and provisions of this Ordinance, in order to:

(A) cure any ambiguity or formal defect or omission or to correct any provisions in this Ordinance or in any Supplemental Ordinance, or

(B) grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders, or

(C) add to the conditions, limitations and restrictions on the issuance of Bonds or the entering of Hedge Agreements under the provisions of this Ordinance other conditions, limitations and restrictions thereafter to be observed, or

(D) add to the covenants and agreements of the County this Ordinance other covenants and agreements thereafter to be observed by the County or to surrender any right or power in this Ordinance reserved to or conferred upon the County, or

(E) to make other changes or modifications to the provisions of this Ordinance which are not adverse to the interests of the Bondholders, any Counterparty or any Provider; or

(F) to make any changes required by a Provider in order for it to issue its Reserve Account Credit Facility or Credit Facility, as the case may be, so long as the same does not materially adversely affect the rights of any of the Registered Owners or any other Provider.

(G) to make revisions that shall become effective only upon, and in connection with, the remarketing of all Bonds then Outstanding; or

(H) to make any change that shall be required by any Rating Agency in order to obtain or maintain an investment grade rating on the Bonds.

Section 1002. Supplemental Ordinances with Bondholders' Consent.

(A) Subject to the terms and provisions contained in this Section, and not otherwise, the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right from time to time, anything contained in this Ordinance to the contrary notwithstanding, to consent to and approve the adoption of such Supplemental Ordinance or resolutions as shall be deemed necessary or desirable by the County for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Ordinance or in any Supplemental Ordinance; provided, however, that nothing in this Section shall permit, or be construed as permitting, (i) an extension of the maturity of the principal of or the interest on any Bonds, or (ii) a reduction in the principal amount of, or the redemption premium or the rate of interest on, any Bonds, or (iii) the creation of a lien upon or a pledge of any of the funds or accounts established under or pursuant to this Ordinance other than a lien and pledge created by this Ordinance, or (iv) a preference or priority of any Bond or Bonds over any other Bond other Bonds, or (v) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Ordinance. Nothing in

this Section, however, shall be construed as making necessary the approval by Bondholders of the adoption of any Supplemental Ordinance as authorized in Section 1001.

(B) If the Registered Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such Supplemental Ordinance shall have consented to and approved its adoption, no Registered Owner of any Bond, Credit Facility Provider or provider of a Reserve Account Credit Facility shall have any right to object to the adoption of such Supplemental Ordinance, or to object to any of its terms and provisions, or in any manner to question the propriety of its adoption, or enjoin or restrain the Board from adopting the same or from taking any action pursuant to its provisions.

(C) Upon the adoption of any Supplemental Ordinance pursuant to the provisions of this Section, this Ordinance shall be modified and amended in accordance with such Supplemental Ordinance, and the respective rights, duties and obligations of the County and all Registered Owners of Bonds then Outstanding under this Ordinance shall thereafter be determined, exercised and enforced in all respects under the provisions of this Ordinance as so modified and amended.

Section 1003. Rights of Credit Facility Providers. In the event that a Credit Facility is in full force and effect and the Credit Facility Provider is not insolvent and no default under the Credit Facility exists on the part of the Credit Facility Provider, the Credit Facility Provider, in place of the Registered Owners of that Series of Bonds, shall have the power and authority to give any consents and exercise any and all other rights which the Registered Owners of that the Bonds of that Series would otherwise have the power and authority to make, give or exercise, including, but not limited to, the exercise of remedies provided in Article VIII, and the giving of consents to Supplemental Ordinances when required by Section 1002, and such consent shall be

deemed to constitute the consent of the Registered Owners of all of those Bonds which are secured by such Credit Facility.

Section 1004. Supplemental Ordinances Part of Resolution. Any Supplemental Ordinance adopted in accordance with the provisions of this Article and approved as to legality by the County Attorney shall thereafter form a part of this Ordinance, and all of the terms and conditions contained in any such Supplemental Ordinance shall be part of the terms and conditions of this Ordinance for any and all purposes. Express reference to any Supplemental Ordinance may be made in the text of any Bonds issued after its adoption, if deemed necessary or desirable by the County.

Section 1005. Notice of Supplemental Ordinances. The County shall give to the Rating Agencies advance notice of the proposed adoption of any Supplemental Ordinance, which notice shall include the substantial form of such Supplemental Ordinance.

## ARTICLE XI

### SATISFACTION OF THIS ORDINANCE

Section 1101. Defeasance.

(A) If, at any time, the County shall have paid or shall have made provision for the payment of the principal, interest and redemption premiums, if any, with respect to the Bonds or any Series or maturity or portion of a maturity of Bonds, and the related fees and charges, then, in that event, the pledge of and lien on this Ordinance in favor of the Bondholders of such Bonds, or Series or maturity or portion of maturity of Bonds shall no longer be in effect with respect to such Bonds or Series or maturity or portion of maturity of such Bonds. For purposes of the preceding sentence, the deposit of cash, Governmental Obligations or bank certificates of deposit fully secured as to principal and interest by Governmental Obligations in irrevocable trust with a banking institution or trust company, for the sole benefit of the Bondholders, in an aggregate

principal amount which, together with interest to accrue thereon, will be sufficient to make timely payment of the principal, interest, and redemption premiums, if any, on said Bonds, and the paying agent fees and expenses with respect to this Ordinance, shall be considered “provision for payment.”

(B) Notwithstanding the foregoing, “provision for payment” shall not be deemed to have been made if such Bonds are to be redeemed before their maturity, unless notice of such redemption shall have been given according to the requirements of this Ordinance or irrevocable instructions directing the timely publication of such notice and directing the payment of the principal of and interest on all Bonds at such redemption dates shall have been given to the Paying Agent.

(C) Nothing in this Article XI shall be deemed to require the County to call any of the Outstanding Bonds for redemption prior to maturity pursuant to any applicable optional redemption provisions, or to impair the discretion of the County in determining whether to exercise any such option for early redemption. If such conditions have been satisfied with respect to all Bonds Outstanding, all moneys held in any fund or account created by this Ordinance that are in excess of the amounts required to pay or make provision for payment of the principal of, redemption premium, if any, and interest on said Bonds may be withdrawn and used by the County for any lawful purpose.

(D) When all amounts due under any Hedge Agreement, Credit Facility, Liquidity Facility and Reserve Account Credit Facility shall have been paid or provided for (in the manner permitted under such Hedge Agreement, Credit Facility, Liquidity Facility or Reserve Account Credit Facility), then and only in that case the right, title and interest of the Counterparty, the Credit Facility Provider, Liquidity Facility Provider or the provider of a Reserve Account Credit

Facility, as the case may be, in this Ordinance shall thereupon cease, determine and become void.

(E) Notwithstanding any other provision of this Ordinance, the obligation to comply with all covenants and agreements by the County to preserve the exclusion from gross income for federal income tax purposes of interest on Tax-Exempt Bonds shall survive the defeasance or payment in full of such Bonds.

## ARTICLE XII

### MANNER OF EVIDENCING OWNERSHIP OF BONDS

Section 1201. Proof of Ownership. (A) Any request, direction, consent or other instrument provided by this Ordinance to be signed and executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such request, direction or other instrument or of the writing appointing any such Agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Ordinance and shall be conclusive in favor of the Registrar and Paying Agent for the Series of which such Bonds are a part and the County, with regard to any action taken by them, or either of them, under such request or other instrument, namely:

(i) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments in such jurisdiction, that the person signing such writing acknowledged before him the execution thereof, or by the affidavit of a witness of such execution; and

(ii) The ownership of Bonds and the amounts and numbers of such Bonds and the date of holding the same shall be proved by the Bond Register.

(B) Any action taken or suffered by a Registrar and Paying Agent pursuant to any provision of this Ordinance, upon the request or with the assent of any Person who at the time is the registered owner of any Bond or Bonds shall be conclusive and binding upon all future owners of the same Bond or Bonds. In determining whether the owners of the required principal amount of Bonds Outstanding have taken any action under this Ordinance, Bonds owned by the County or any person controlling, controlled by or under common control with the County (unless the County or such other person own all Bonds which are then Outstanding, determined without regard to this Section 1201) shall be disregarded and deemed not to be Outstanding, except that for the purpose of determining whether such Registrar and Paying Agent shall be protected in relying on any such action, only such Bonds which such Registrar and Paying Agent has actual knowledge are so owned shall be so disregarded. Bonds so owned which have been pledged in good faith (including but not limited to the Purchased Bonds) may be regarded as Outstanding if the pledgee establishes to the satisfaction of such Registrar and Paying Agent the pledgee's right so to act with respect to such Bonds and that the pledgee is not any person directly or indirectly controlling or controlled by or under direct or indirect common control with the County. In case of a dispute as to such right, any decision by such Registrar and Paying Agent taken upon the advice of Bond Counsel shall be full protection to such Registrar and Paying Agent, as the case may be.

The Juvenile Courthouse is being built on a 3.38 acre redeveloped Brownfield site located at 155 N.W. 3<sup>rd</sup> Street in the City of Miami, adjacent to other municipal, county, state and federal facilities and to a mass transit rail station. It consists of a 14 story, 372,000 square foot tower with 18 courtrooms on five floors, two floors of judicial chambers, one floor each for the State Attorney, the Public Defender, the County Clerk and the Administrative Office of the Court for a total of four floors with the remaining three to provide for entry and main lobby space, office space for court-support agencies and building management. In addition to green-space, a secure 75 vehicle surface parking lot will be provided on-site for judicial staff, law enforcement and other direct staff supporting court operations.
