ORDINANCE NO. 14-56

ORDINANCE ESTABLISHING DISABLED HOUSING SET ASIDE INCENTIVE FOR COUNTY FUNDED RENTAL HOUSING PROJECTS AND HOMEOWNERSHIP PROJECTS; CREATING CHAPTER 17, ARTICLE XI OF THE CODE OF MIAMI-DADE COUNTY; PROVIDING SEVERABILITY, INCLUSION IN THE CODE, AND AN EFFECTIVE DATE

WHEREAS, in an October 2013 report, the National Council on Disabilities (“Council”), which is an independent federal agency charged with advising the President, Congress, and other federal agencies regarding policies, programs, practices, and procedures that affect persons with disabilities, concluded that housing options for approximately 20 percent of all Americans with disabilities is unavailable because of poverty, accessibility, and even safety; and

WHEREAS, the Council found that among 57 million Americans with disabilities, federal estimates indicate at least 500,000 are homeless including children, and perhaps 80 percent of them may be staying in homeless shelters or on the streets; and

WHEREAS, the Council also found that national data estimates indicate that about 35.1 million households (one-third of all households) include one or more persons with a disability; and

WHEREAS, the Miami-Dade Community Affordable Housing Strategies Alliance (“Alliance”) in their *Comprehensive Housing and Intervention Plan*, which was adopted by this Board pursuant to Resolution No. R-1053-13, found that the prevalence of disability among adults in Miami-Dade County is 20 percent of the population; and

WHEREAS, the Alliance, like the Council, identified a need for affordable housing for the disabled in Miami-Dade County; and

WHEREAS, poverty and low income are key barriers to rental and homeownership opportunities for persons with disabilities, especially those with severe disabilities; and

WHEREAS, additionally the lack of accessibility features, including but not limited lack of grab bars or handrails, accessible bathrooms, ramps, elevator or lifts, inaccessible interior path and doorways prevent hundreds of thousands of disabled persons from having full access to their homes; and

WHEREAS, the Alliance recommended that the County “identify deeper subsidies, reduce regulatory impediments and provide housing assistance, which will allow persons with special needs to maintain independent housing affordable on a fixed income and in a least restrictive community setting;” and

WHEREAS, the Board finds that through the County’s partnership with private affordable housing developers, the County can, through its Surtax, State Housing Initiatives Partnership (SHIP), Home Investment Partnerships Program (HOME), Community Development Block Grant (CDBG), and other affordable housing programs, increase the supply of affordable and accessible housing units for disabled households by creating incentives for these developers who receive such public funds,
