County Manager

R-1003-08

Subject: Resolution declaring the acquisition of property located at 6600 NW 36th Street required for the widening and reconstruction of the intersections of NW 67th Avenue at Perimeter Road and NW 36th Street

Recommendation

It is recommended that the Board approve the attached resolution declaring the acquisition of property required for the widening and reconstruction of the intersections of NW 67th Avenue at Perimeter Road and NW 36th Street, to be a public necessity and authorizing the County Mayor or the Mayor's designee and the County Attorney to take any and all appropriate actions to accomplish the acquisition of the subject property in fee simple by donation, purchase at values established by appraisal, or by eminent domain proceedings, including a Declaration of Taking as necessary.

Scope

The subject property is located within Commission District 12.

Fiscal Impact/Funding Source

Acquisition of this property will be funded equally by Aviation Department Improvement funds and by a Joint Participation Agreement with the Florida Department of Transportation (FDOT).

Background

Miami International Airport (MIA) is engaged in a Capital Improvement Program through 2010 to expand its passenger and air cargo facilities. Congestion-free access to the airport is important in maintaining MIA's cargo activity. Currently, Ludlam Road (NW 67th Avenue) at NW 36th Street provides a principal access point into the MIA cargo area. This location serves as a major entrance point into the MIA's cargo areas, including the United Parcel Service and the FedEx facilities. However, improvements are required in order for this entrance point to function to its greatest capacity. To address this need, MDAD, in cooperation with FDOT, has designed improvements to the subject intersections. Such improvements will improve capacity and help to provide safe and efficient access to and from the MIA's cargo areas while enhancing MIA's position in the rapidly growing and highly competitive cargo market.

The scope of the proposed project includes widening and repaving of NW 67th Avenue from approximately 500 feet south of Perimeter Road to NW 36th Street and widening of Perimeter Road from NW 67th Avenue to the east for approximately 700 feet. Additionally, NW 36th Street at 67th Avenue will include a total rebuilding of a southern leg of the intersection and the modification of the westbound to southbound left turn lane and median

of NW 36th Street. The project requires the acquisition of a privately owned property located at 6600 NW 36 Street, on the east side of NW 67th Avenue between NW 36th Street and Perimeter Road.

The attached resolution authorizes and directs the County Mayor or the Mayor's designee and the county attorney to employ appraisers, review appraisers and expert witnesses, obtain the required environmental audits, and take any and all appropriate actions to acquire the real property in fee simple as legally described in "Exhibit A" by donation, purchase, or by eminent domain court.
