WHEREAS, the ammunition used in that crime is commonly chambered in high capacity assault type weapons; and

WHEREAS, the commission of felonies using these types of ammunition and other similar rounds, should result in enhanced criminal penalties; and

WHEREAS, such enhanced penalties would not penalize individuals for the lawful use of the foregoing calibers, for purposes including, but not limited to, self-defense, legal hunting, competitive sharp shooting, and use by the military, but would only punish criminal activity,
