Memorandum

Date: December 6, 2011

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Road Closing Petition P-888
Section: 24-53-39
A Portion of NW 56 Street, East of NW 122 Avenue
Commission District: 12

Recommendation

It is recommended that the Board of County Commissioners grant the attached Road Closing Petition following a public hearing. The Miami-Dade County Departments of Permitting, Environment and Regulatory Affairs, Public Works and Waste Management, Water and Sewer and Fire Rescue have no objection to this right-of-way being closed.

Scope

This road closing is located within Commission District 12.

Fiscal Impact/Funding Source

The Property Appraiser's Office has assessed the adjacent property to this right-of-way at \$145,000 per acre. Therefore, the estimated value of this right-of-way would be approximately \$44,000.00. If this right-of-way is closed and vacated, the land will be placed on the tax roll, generating an estimated \$900.00 per year in additional property taxes. The fee for this road closing is \$5,200.00.

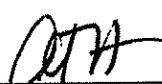

Track Record/Monitor

PWD is the entity overseeing this project and the person responsible for monitoring is Mr. Luis Lacau, PLS, Section Head, PWD Land Development/Right-of-Way Division.

Background

The petitioner, Concrete Structures, Inc., wishes to close the right-of-way for NW 56 Street, from approximately 467 feet east of the centerline of NW 122 Avenue East for approximately 264 feet, in order to incorporate the land into their property. The right-of-way being closed has never been improved nor maintained by Miami-Dade County. Therefore, this action will not adversely impact traffic flow or continuity of traffic in the area.

The subject right-of-way was dedicated in 1946, by the plat of GREEN HAVEN ACRES, recorded in Plat Book 45, Page 77, of the Public Records of Miami-Dade County, Florida. The subject right-of-way is zoned GU (Interim District).

5. ACCESS TO OTHER PROPERTY: The undersigned certify that in the event this petition is granted no other property owners will be prevented from access to and from their property and no other property owners in the vicinity will be adversely affected.

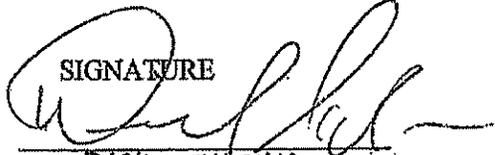

6. **GROUNDS FOR REQUESTING PETITION AND PROPOSED USE FOR THE LAND BY THIS REQUEST:** The undersigned submits as a grounds and reasons in support of this petition the following (state in detail, why petition should be granted):

Petitioner has been granted approval and has permitted a 50 year rock mining project on properties that they own on either side of undedicated NW 56 St. Use of NW 56 St is required for cross access to the southernmost properties of the project.

The petitioner's use was approved at Public Hearing, one of the conditions being that per Miami-Dade County Public Works Department "a road closing petition is required".

NW 56 St, West of the Florida Turnpike is unimproved, undedicated and has no linkage to any improved road. The entire area is outside the UDB and is designated Open Land. Due to these restrictions the area is not slated for any type of development and it is highly unlikely that NW 56 St would ever be improved.

7. Signatures of all abutting property owners: Respectfully submitted,
