Dear Commissioner Suarez:

In accordance with our conversation this morning, I need your assistance.

I have enclosed a conflict waiver as Exhibit "A" that I need you to discuss with your county attorney, Terrence Smith (305) 375-1322 and sponsor for consideration by the County Commission. Needless to say, time is of the essence.

I have represented Quadel Consulting ("Quadel") which has managed your Section 8 Voucher program for the last four (4) years. I started representing Quadel and the County at my previous firm, Adorno & Yoss. When I moved to Genovese Joblove & Battista, we ran a conflict check and it came back clear. Unfortunately, a mistake was made and we have one (1) case in which my new firm is adverse to the County. I have attached as Exhibit "B" a description of the case ("Solo Case"). It concerns the wrongful termination of a lease.

The case does not challenge any county ordinance and is not substantial. Further, none of the attorneys working on the Solo Case will be representing the County on Quadel matters. Moreover, our experience and knowledge of the cases involving the County and Quadel would serve to provide quality representation to the County on the most efficient basis. Our firm will take no further cases against the County.

Your support is appreciated and should you have any questions, please do not hesitate to call.
