and Members, Board of County Commissioners

From: Carlos A. Gimenez  
Mayor

Agenda Item No. 8(A)(3)

Subject: Approval of Acceptance and Execution of Locally Funded Agreement No. 418065-2-52-02 with the Florida Department of Transportation for the Installation of a Drainage Manhole Connected to the Airport's Outfall No. 1 Drainage System in the amount of \$258,065.54

Resolution No. R-1040-14

**RECOMMENDATION**

It is recommended that the Board of County Commissioners (Board) adopt the attached resolution approving the acceptance and execution of a Locally Funded Agreement (LFA) No. 418065-2-52-02 with the Florida Department of Transportation (FDOT) for the installation of a drainage manhole connected to the Airport's Outfall No. 1 drainage system in the amount of \$258,065.54.

**SCOPE**

Miami International Airport (MIA) is located primarily within Chairwoman Rebeca Sosa's District Six; however, the impact of this agenda item is countywide as MIA is a regional asset.

**FISCAL IMPACT**

The Miami-Dade Aviation Department (MDAD) will provide \$258,065.54 toward the estimated cost of the installation of a drainage manhole to be connected to MIA's existing Outfall No. 1 drainage system. The costs associated with this LFA will be funded by MDAD's Reserve Maintenance Fund.

**PROJECT MONITOR**

This LFA will be monitored by MDAD Facilities Development Management Division Director Pedro Hernandez.

**BACKGROUND**

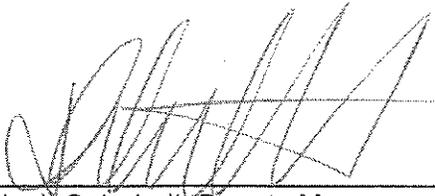

MIA's Outfall No. 1 drainage system's main line consists of 7,980 linear feet of reinforced concrete pipe ranging in size from 18 to 54 inches in diameter, serving a drainage area of approximately 90 acres. The primary discharge drainage pipe runs eastward from MIA, across S.R. 953/LeJeune Road to the Miami Canal (Canal C-6) along an easement in the southern right-of-way of S.R. 948/NW 36 Street. Numerous lateral secondary drainage systems feed into the primary pipe serving airport office buildings, hangars and parking areas. The discharge at the outfall is regulated by permit conditions set forth in South Florida Water Management District (SFWMD) Environmental Resource Permit (ERP) No. 13-00053-S.

FDOT is replacing the NW 36th Street Bridge over the Miami Canal. The construction of the new bridge is in close proximity to an existing drainage manhole and 54-inch pipe leading to MIA's Outfall No. 1. Pre-construction assessments and surveys revealed a conflict between the bridge structure and the existing drainage manhole. Additionally, a video inspection of the pipe identified water infiltration. FDOT and MDAD collaborated on a solution to mitigate the conflict and repair the infiltration. It was agreed that FDOT would construct the proposed modifications and MDAD would pay for the associated construction costs.

The proposed modifications include construction of a new drainage manhole to access the existing

pipe; removal of the existing drainage manhole top slab, ring and cover; installation of a new solid top slab; and installation of approximately one hundred and twenty (120) linear feet of pipe lining from the new manhole to the existing control structure.

*Locally Funded Agreement between Miami-Dade County  
and the Florida Department of Transportation, Financial Project Number 418065-2-52-02*

NOW, THEREFORE, in consideration of the premises, the mutual covenants and other valuable considerations contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Recitals.** The Recitals to this Agreement are true and correct and are incorporated herein by reference and made a part hereof.

2. **General Requirements**

(a) A true and correct copy of the Resolution of the COUNTY Commission approving this Agreement is attached hereto as Exhibit "C", 'COUNTY RESOLUTION', and is incorporated herein by reference.

(b) E-Verify:

The COUNTY/Contractors or Vendors:

- i. shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Vendor/Contractor during the term of the contract; and
- ii. shall expressly require any subcontractors performing work or providing services pursuant to the state contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term.

The COUNTY shall insert the above clause into any contract entered into by the COUNTY with vendors or contractors hired by the COUNTY for purposes of performing its duties under this Agreement.

(c) The DEPARTMENT will administer and construct the PROJECT in accordance with the signed and sealed PROJECT plans and as detailed in the attached Exhibit "A", 'Scope of Services'. The DEPARTMENT will complete the PROJECT utilizing the funds provided by the COUNTY.

- (d) The COUNTY will provide funding to the DEPARTMENT, in the aggregate amount of TWO HUNDRED FIFTY EIGHT THOUSAND SIXTY FIVE DOLLARS AND FIFTY FOUR CENTS (\$258,065.54), for the PROJECT, subject further to the provisions in Section 3 of this Agreement and as outlined in the attachment Exhibit "B", "Financial Summary", which is herein incorporated by reference.
- (e) The DEPARTMENT Contractor will not commence work on the PROJECT until COUNTY funding for the PROJECT is on deposit with the DEPARTMENT.
- (f) Upon the receipt, authorization and encumbrance of funding received from the COUNTY as a result of this Agreement, the DEPARTMENT Contractor will commence work on the PROJECT.

**3. Financial Provisions.**

- (a) The COUNTY agrees that it will, no later than thirty (30) calendar days after the DEPARTMENT's execution of this Agreement, furnish the DEPARTMENT an advance deposit in the amount of TWO HUNDRED FIFTY EIGHT THOUSAND SIXTY FIVE DOLLARS AND FIFTY FOUR CENTS (\$258,065.54) for full payment of the estimated PROJECT cost for Locally Funded project number 418065-2-52-02. The advance deposit shall be the total estimated PROJECT cost plus allowances. The DEPARTMENT may utilize this deposit for payment of the costs of the PROJECT.
- (b) If the accepted bid amount plus allowances is in excess of the advance deposit amount, the COUNTY will provide an additional deposit within fourteen (14) calendar days of notification from the DEPARTMENT or prior to posting of the accepted bid, whichever is earlier, so that the total deposit is equal to the bid amount plus allowances. The DEPARTMENT will notify the COUNTY as soon as it becomes

apparent the accepted bid amount, plus allowances, is in excess of the advance deposit amount. However, failure of the DEPARTMENT to so notify the COUNTY shall not relieve the COUNTY from its obligation to pay for its full participation on final accounting as provided herein below. If the COUNTY cannot provide the additional deposit within fourteen (14) days, a letter must be submitted to and approved by the DEPARTMENT's project manager indicating when the deposit will be made. The COUNTY understands the request and approval of the additional time could delay the PROJECT, and additional costs may be incurred due to a delay of the PROJECT.

(c) If accepted bid amount plus allowances is less than the advance deposit amount, the DEPARTMENT will refund the amount that the advance deposit exceeds the bid amount plus allowances if such refund is requested by the COUNTY in writing.

(d) Should PROJECT modifications or changes to bid items occur that increase the COUNTY's share of total PROJECT costs, the COUNTY will be notified by the DEPARTMENT accordingly. The COUNTY agrees to provide, without delay, in advance of additional work being performed, adequate funds to ensure that cash on deposit with the DEPARTMENT is sufficient to fully fund its share of the PROJECT. The DEPARTMENT shall notify the COUNTY as soon as it becomes apparent the actual costs will overrun the award amount. However, failure of the DEPARTMENT to so notify the COUNTY shall not relieve the COUNTY from its obligation to pay for its full participation during the PROJECT and on final accounting as provided herein below. Funds due from the COUNTY during the PROJECT not paid within forty (40) calendar days from the date of the invoice are subject to an interest charge at a rate established pursuant to **Section 55.03, Florida Statutes (F.S.)**.

- (e) The DEPARTMENT intends to have its final and complete accounting of all costs incurred in connection with the work performed hereunder within three hundred and sixty (360) days of final payment to the Contractor. The DEPARTMENT considers the PROJECT complete when final payment has been made to the Contractor, not when the construction work is complete. All PROJECT cost records and accounts shall be subject to audit by a representative of the COUNTY for a period of three (3) years after final close out of the PROJECT. The COUNTY will be notified of the final cost. Both parties agree that in the event final accounting of total PROJECT costs pursuant to the terms of this agreement is less than the total deposit to date, a refund of the excess will be made by the DEPARTMENT to the COUNTY. If the final accounting is not performed within three hundred and sixty (360) days, the COUNTY is not relieved from its obligation to pay.
- (f) In the event the final accounting of total PROJECT costs is greater than the total deposits to date, the COUNTY will pay the additional amount within forty (40) calendar days from the date of the invoice from the DEPARTMENT. The COUNTY agrees to pay interest at a rate as established pursuant to **Section 55.03, F.S.**, on any invoice not paid within forty (40) calendar days until the invoice is paid.
- (g) The payment of funds under this Locally Funded Agreement will be made directly to the DEPARTMENT for deposit and as provided in the attached Memorandum of Agreement (MOA) between the COUNTY, Department and the State of Florida, Department of Financial Services, Division of Treasury.

- (h) Nothing in this Agreement shall be construed to violate the provisions of Section 339.135(6)(a), Florida Statutes, which provides as follows:

“The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the Comptroller of the Department that such funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of TWENTY FIVE THOUSAND DOLLARS (\$25,000.00) and which have a term for a period of more than one year.”

4. **Effective Date of this Agreement.** This Agreement shall become effective upon execution by the COUNTY and the DEPARTMENT and as of the date set forth on page one (1) hereof.
5. **Provisions Separable.** The provisions of this Agreement are independent of and separable from each other, and no provision shall be affected or rendered invalid or unenforceable by virtue of the fact that for any reason any other or others of them may be invalid or unenforceable in whole or in part.

6. **Amendment of Agreement.** This Agreement may only be amended by mutual agreement of the DEPARTMENT and the COUNTY, expressed in writing and executed and delivered by each.

7. **Notices.** All notices, requests, demands and other communications required or permitted under this Agreement shall be in writing and shall be deemed to have been duly given, made and received when delivered (personally, by courier service such as Federal Express, or by other messenger) against receipt or upon actual receipt of registered or certified mail, postage prepaid, return receipt requested, addressed as set forth below:
