Memorandum

Date: February 17, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Adoption of the My Brother's Keeper Community Challenge

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the Adoption of the My Brother's Keeper Community Challenge.

Scope

The impact of this initiative is countywide.

Fiscal Impact/Funding Source

There is no fiscal impact to Miami-Dade County.

Background

In September 2014, President Barack Obama issued a challenge to the country to host the My Brother's Keeper Challenge National Convening and become My Brother's Keeper Communities. The My Brother's Keeper Challenge encourages communities, cities, rural municipalities, and tribal nations to implement a coherent cradle-to-college-and-career strategy for improving the life outcomes of all young people to ensure that they can reach their full potential, regardless of who they are, where they come from, or the circumstances into which they are born.

The six (6) goals of the challenge are:

- Ensuring all children enter school cognitively, physically, socially, and emotionally ready.
- Ensuring all children read at grade level by the 3rd grade.
- Ensuring all youth graduate from high school.
- Ensuring all youth complete post-secondary education or training.
- Ensuring all youth out of school are employed.
- Ensuring all youth remain safe from violent crime.

Nearly 200 mayors, tribal leaders, and county executives across 43 states and the District of Columbia have accepted the My Brother's Keeper Community Challenge. By adopting the challenge in Miami-Dade County, we will bring together representatives from our community to create programs and partnerships that will give our youth an opportunity to grow, learn, and work in a safe community.
