Dear Friends and Neighbors,

I am truly grateful to be your District 3 Commissioner. I want to express my heartfelt thanks for your trust and support these past couple of years. Together, we have been able to make significant strides and address many needs in our community.

In this edition of District 3 Today, you will learn about some of the accomplishments we have made. I was able to host three street naming ceremonies in honor of Dr. Curtis Enid Pinkney, Coach Carmen Jackson, and Dwyane Wade. Furthermore, we allocated funds to replace the entryway wall in Miami Shores, and launched the Model City Bus Shelter Restoration Project.

As we move forward, our commitment to you continues to be our main priority. Let us strive for progress and continue to work to achieve real tangible results. I wish you lots of peace, love, and happiness this upcoming year.

Warm regard,
