

Homebuyer Education Course Completion Form

I hereby acknowledge that I completed training on Miami-Dade Economic Advocacy (MDEAT) **Homeownership Assistance Program (HAP)** by the HAP-approved Housing Counseling Agency noted below. The training focused on the need and importance of forming a First-Time Homebuyer Affordable Housing Team; accessing and selecting “the right” mortgage and real estate participants for Down-payment Assistance Programs (DAP/DPA); allowable usage of down-payment assistance program funds; effectively combining various DAP/DPA funding sources; and how they integrate into the mortgage process.

I agree to adhere to the guidance provided in the HAP training. I understand that if I have questions about the training, material presented, or information not addressed in the training, I am able to obtain clarification from the HAP-approved Housing Counseling Agency that provided the training.
