

# Homebuyer Education Course Completion Form

I hereby acknowledge that I completed training on Miami-Dade Economic Advocacy (MDEAT) **Homeownership Assistance Program (HAP)** by the HUD-approved Housing Counseling Agency (HCA) noted below. The training focused on the need and importance of forming a Affordable Housing Team; accessing and selecting “the right” mortgage and real estate participants for Downpayment Assistance Programs (DAP/DPA); allowable usage of down-payment assistance program funds; effectively combining various DAP/DPA funding sources; and how they integrate into the mortgage process.

I agree to adhere to the guidance provided in the HCA training. I understand that if I have questions about the training, material presented, or information not addressed in the training, I am able to obtain clarification from the Housing Counseling Agency that provided the training.
