
This application is for membership on the Miami-Dade Economic Advocacy Trust (MDEAT) Board only.

Miami-Dade Economic Advocacy Trust (MDEAT) is a Miami-Dade County agency charged with stimulating economic growth through advocacy and socio-economic programs in underserved communities and the community-at-large. The Trust is governed by a Board of Trustees.

MDEAT BOARD

THE ROLE OF THE BOARD

The board is the governing body of Miami-Dade Economic Advocacy Trust. It provides the vision, mission, goals and the overall strategic direction of the agency. Thus, board members participate in broad policy development that guides the agency, its governance, and the work to help in the fulfillment of the agency's mission.

PREPARATION

Board members are expected to **work diligently to understand the mission, purpose, goals and programs of the agency**. It is also expected that board members prepare for board and committee meetings by reviewing related documents and materials in understanding items before a vote.

ACTIVE PARTICIPATION

Board members are expected to **regularly attend scheduled board meetings**, be available for consultation by phone and e-mail, and **serve on at least one committee** of the board. Board members are also expected to come prepared to discuss the issues and business at hand during meetings, and attend annual strategic planning sessions. Further, board members are expected to actively participate in the agency's workshops, community events and fundraisers if applicable. Finally, board members should suggest agenda items periodically for board and committee meetings to ensure significant policy-related matters are addressed and the agency's work provides value to the community.

AGENCY REPRESENTATION

Each board member serves as a de facto MDEAT ambassador. It is expected that board members help to promote the work and achievements of the agency within the community. Thus, board members are expected to represent MDEAT in the best possible way.

Please keep Pages 1-3 for your records.

UPHOLD THE BY-LAWS

It is the expectation that board members **abide by the agency's by-laws and other governing documents**. According to the by-laws, board members who miss three consecutive board meetings without proper notice or otherwise unable to fulfill obligations as a board member, are asked to submit a letter of resignation. Other similar mandates are outlined in the document.

COMMITTEES

Committees carry out the mandates of the board. There are several committees. Three of them are action committees and are comprised of both board members and non-board members. These committees are the Youth Action Committee (YAC), Housing Advocacy Committee (HAC), and the Economic Development Action Committee (EDAC). Other board committees which are comprised of only board members are the Executive Committee and Bylaws Committee.

ETHICS

Board members must participate in ethics training. It is a requirement for board members to avoid a conflict of interest or the appearance thereof and disclose any conflicts as soon as possible. Board members with conflicts of interest must remove themselves from voting on items of conflict or engaging in discussions related to a particular item at the general board level or at the action committee level. Further, board members are not allowed to accept offers or favors from entities doing business with the agency or county.

BOARD DECORUM

Miami-Dade Economic Advocacy Trust exists to serve the community. All people related to the agency are working to fulfill that mandate. Therefore, **board members are expected to respect, listen to, and treat courteously all people involved with the agency**. These people include fellow board members, staff, consultants, grantees, and applicants.

NOMINATION PROCESS

The nomination process is managed through **MDEAT Nominating Council**, a separate and independent entity of MDEAT. It maintains at all times a fair and open nomination process. **Membership is based on availability of positions and level of expertise in one of the agency's core areas of service.**

Applicants must be permanent residents, registered voters of Miami-Dade County, undergo a background screening, and must have reputations of integrity and community service and must not be serving on more than two boards created by the Miami-Dade Board of County Commissioners, unless the Commission has by unanimous vote approved the appointment after being advised of all other County board(s) upon which the person sits, provided, however, a person serving on any one of the following boards shall not serve on any other County board simultaneously except as provided by ordinance: Community Council; Community Zoning Appeals Board; Planning Advisory Board; Citizens' Independent Transportation Trust; Housing Finance Authority; Independent Review Panel; Industrial Development Authority; Health Facilities Authority; Educational Facilities Authority; Commission on Ethics and Public Trust; Environmental Quality Control Board; The Children's Trust; and the Public Health Trust.
