- Designated Census
 Information Center
- Ongoing research
 Census survey
 Focus groups

The Miami Foundation

Jorge M. Pérez Metropolitan Center

Survey Results

- 15% believe the answers they provide will be used against them
- 62% believe their responses will be shared with other agencies
- Most important reasons for participating:
 - funding for public services (55%)
 - provides information for local government to plan (43%)
 - contributes to a better future for the community (42%)
 - civic duty (40%)

• protection of civil rights (33%)

Focus Group Results

- Lack of awareness among younger residents, especially recent immigrants
- Understanding how census data benefits the community is important
- Concern about some community members not answering truthfully
- Concern about ability of some community members to complete online
- Need for local organizations to lead in census outreach and assist with completion
