

2024 PRIMARY AND GENERAL ELECTIONS**BALLOT CONTENTS***(As of September 3, 2024 – Subject to Change)*

This document is for general information only and is subject to change until official ballots are completed.

The following Partisan and Nonpartisan offices and questions may appear on the August 20, 2024 Primary Election and November 5, 2024 General Election ballots:

Note: Florida is a Closed Primary State, therefore, only voters who are registered members of a political party may vote for their respective party's candidates in a Primary Election. However, if all candidates for an office have the same party affiliation and the winner will have no opposition in the General Election, all qualified voters, regardless of party affiliation, may vote in the Primary Election for that office. This is known as a "Universal Primary Contest." Candidates with no opposition in their party in the Primary but with opposition by candidates of other parties, nonpartisan, or write-in will appear in the General Election ballot.
