NOVEMBER 3, 2020 MIAMI-DADE COUNTY
GENERAL ELECTION RESOURCE ALLOCATIONS

For Early Voting locations, the Department's preliminary allocation is as follows (subject to change):

- _330_ EVIDs: This allocation reflects 6 to 14 units at each voting location, with _1_ serving as back up.

- _330_ Ballot-on-Demand Printers: This allocation reflects 6 to 14 units at each voting location.

- _330_ DS200 optical scanners: This allocation reflects 6 to 14 units at each voting location, with _1_ serving as back up.

- _66_ ExpressVote (ADA) voting units: This allocation reflects _2_ units at each voting location, with _1_ serving as back up at each site.

- _3,168_ Privacy Booths: This allocation reflects between _50_ and _120_ units at each voting location.

- _132_ ADA Privacy Booths: This allocation reflects _4_ units at each voting location.

- The Department will use approximately _1.020_ site staff for Early Voting, which equates to between _25_ and _35_ employees per site, and will have _20_ administrative and technical troubleshooters traversing the County for quick response time.

For Election Day voting locations, the Department's allocation is as follows (subject to change):

- _1,280_ EVIDs: depending on the number of registered voters, there will be a minimum of two and a maximum of three units at voting locations with 3,500 or more voters.

- _1,639_ DS200 optical scanners: This allocation reflects _2_ units at each voting location.

- _567_ ExpressVote (ADA) voting units: This allocation reflects _1_ units at each voting location.

- _7,208_ privacy booths (includes ADA):1 : This allocation reflects _8 to 10_ units at each voting location.

- The Department anticipates using _5,100_ poll workers for this election, which equates to 8 to 10 poll workers per polling location, and will have _90_ administrative and technical troubleshooters, as well as _60_ supply trucks traversing the County for quick response time.
