

2022 BALLOT ISSUES DEADLINES

(As of March 18, 2021 - Subject to Change)

Should a municipality have a scheduled election or wish to conduct a special election along with the countywide 2022 Primary and General Elections, the **deadlines listed below must be followed**, in order to allow sufficient time for ballot preparation and to meet State-mandated deadlines to mail vote-by-mail ballots to overseas voters.

If you are considering conducting a special election, which includes adding a question(s) and/or filling a vacancy(ies), to a regularly scheduled election, please note that per F.S. 100.151, “...*the governing authority of a municipality shall not call any special election until notice is given to the supervisor of elections and his (her) consent obtained as to a date...*” Once approval is obtained from the supervisor of elections, the resolution and/or ordinance to call a special election must be passed to meet the deadlines listed below.
