Special Obligation Court Facilities Bonds
(Traffic Surcharge Revenues)

SECURITY FOR THE BONDS

CHANGE IN PLEDGED REVENUES EFFECTIVE JULY 1, 2004

As a result of legislation adopted by the 2003 Florida Legislature, effective July 1, 2004, the County can no longer utilize filing and service charges assessed on most County civil cases and proceedings ("Filing and Service Charges") and fines and forfeitures arising from certain violations of ordinances and misdemeanors offenses ("Fines and Forfeitures") to pay debt service on any special obligation bonds of the County. The County has previously pledged a portion of the Filing and Service Charges and the Fines and Forfeitures (collectively, the "Pledged Filing and Service Charges") to the repayment of five series (including the Series 2003 Bonds which are junior on certain Pledged Filing and Service Charges and senior on certain others) of special obligation bonds ("Bonds") to meet its state mandated responsibility to provide courthouse facilities. The Pledged Filing and Service Charges, together with moneys and investments in certain funds and accounts established with respect to the Bonds pursuant to Ordinance No. 94-98, as amended (the "Bond Ordinance") and with respect to the Series 2003 Bonds, Resolution No. R-144-03 (the "2003 Resolution"), comprise the Pledged Revenues for the Bonds. In order to assist the County in meeting its obligations with respect to the Bonds, the 2004 Florida Legislature adopted legislation that permits the County to impose a \$15 surcharge on each non-criminal traffic infraction cited in Section 318.14, Florida Statutes, as amended, and each criminal violation cited in Section 318.17, Florida Statutes, as amended, for the purpose, among others, of paying principal of and interest on the Bonds ("Traffic Surcharge"). The County enacted Ordinance No. 04-116 on May 25, 2004 which amended the Code of the County to impose the Traffic Surcharge for the purpose of funding courthouse facilities including the payment of debt service on the Bonds. At the same meeting, the Board enacted Ordinance No. 04-117, ("2004 Ordinance") which amended the Bond Ordinance and the 2003 Resolution to provide, in substance, among other provisions, that: (i) Pledged Revenues do not include Filing and Service Charges but do include the Traffic Surcharge; (ii) the Bonds are further secured by a covenant by the County to budget annually from non-ad valorem revenues in the event the Traffic Surcharge revenues are insufficient to meet debt service on the Bonds; (iii) the Traffic Surcharge shall not be abolished until the Bonds have been fully paid and retired; (iv) all Traffic Surcharge revenues shall be deposited in the 1994 Revenue Fund to be used in accordance with the flow of funds established in the Bond Ordinance and the 2003 Resolution as modified by the 2004 Ordinance; and (v) all definitions related to the substitution of the Filing and Service Charges with the Traffic Surcharge are amended accordingly.

PLEDGED REVENUES

The Bonds are special, limited obligations of the County payable solely from the Pledged Revenues and pursuant to the 2004 Ordinance, a covenant to budget and appropriate from legally available non-ad valorem revenues in the event the Traffic Surcharge is insufficient to pay debt service on the Bonds. Pledged Revenues include the Traffic Surcharge and all moneys and investments, including investment earnings, held to the credit of the funds, accounts and sub-accounts other than the Rebate Fund established under the Bond Ordinance and the 2003 Resolution and the series resolution for each series of Bonds.

In the 2004 Ordinance, the County covenanted and agreed, to the extent permitted by and in accordance with applicable law and budgetary processes, to prepare, approve and appropriate in its annual budget for each fiscal year, by amendment if necessary, legally available non-ad valorem revenues of the County ("Legally Available Non-Ad Valorem Revenues") in an amount (the "Appropriated Amount") which, together with the projected Traffic Surcharge revenues for said Fiscal Year, are equal to an amount necessary to make the projected total of Traffic Surcharge Revenues and the Appropriated Amount equal to the Principal and Interest Requirements (as defined in the 1994 Ordinance and the 2003 Resolution) on the Bonds for such Fiscal Year, plus an amount sufficient to satisfy all other payment obligations of the County under the 1994 Ordinance and the 2003 Resolution for such Fiscal Year, including, without limitation, the obligations

of the County to fund and cure deficiencies in the funds and accounts created in Article V of the 1994 Ordinance and the 2003 Resolution, as and when the same become due by depositing such Appropriated Amount in the Revenue Fund created by the 1994 Ordinance. The covenant and agreement on the part of the County to budget and appropriate sufficient amounts of Legally Available Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Legally Available Non-Ad Valorem Revenues in amounts, together with any other legally available revenues budgeted and appropriated for such purposes, sufficient to make all required payments hereunder as and when due, including any delinquent payments, shall have been budgeted, appropriated and actually paid into the 1994 Revenue Fund.

Nothing contained in the 2004 Ordinance shall preclude the County from pledging any of its Legally Available Non-Ad Valorem Revenues or other revenues to other obligations, nor shall it give the holders of the Bonds a prior claim on the Legally Available Non-Ad Valorem Revenues until they are actually deposited in the 1994 Revenue Fund. The County may not expend moneys not appropriated or in excess of its current budgeted revenues. The obligation of the County to budget, appropriate and make payments from its Legally Available Non-Ad Valorem Revenues is subject to the availability of Legally Available Non-Ad Valorem Revenues of the County after satisfying funding requirements for obligations having an express lien on or pledge of such revenues and after satisfying funding requirements for essential governmental services of the County.

"Legally Available Non-Ad Valorem Revenues" means all available revenues and taxes of the County derived from any source whatsoever other than ad valorem taxation on real and personal property but including "operating transfers in" and appropriable fund balances within all Funds of the County over which the Board has full and complete discretion to appropriate the resources therein. As used above, "Funds" means all governmental, proprietary and fiduciary funds and accounts of the County as defined by generally accepted accounting principles.

LIMITED OBLIGATION

The Bonds are special, limited obligations of the County payable solely from the Pledged Revenues. Neither the faith and credit of the State of Florida nor the faith and credit of any agency or political subdivision of the State of Florida or of the County are pledged to the payment of the principal of, premium, if any, or the interest on the Bonds. The issuance of the Bonds shall not directly or indirectly or contingently obligate the State of Florida or any agency or political subdivision of the State of Florida or the County to levy any taxes whatever for the Bonds or to make any appropriation for their payment except from the Pledged Revenues provided for their payment under the Bond Ordinance.

INCREASE IN TRAFFIC SURCHARGE EFFECTIVE JULY 1, 2009

The 2009 Florida Legislature amended Section 318.18, Florida Statutes, entitled "Amount of Penalties," to increase the Traffic Surcharge from \$15 to \$30. On September 1, 2009, the County adopted this change in State law when it enacted Ordinance No. 09-72 which (i) amended Section 11-12 of the County Code to increase the Traffic Surcharge from \$15 to \$30 and to express the County's intent to use \$15 of the \$30 Traffic Surcharge to pay the principal and interest on bonds issued for the Children's Courthouse and other costs related to the Children's Courthouse.

HISTORICAL AND ACTUAL TRAFFIC SURCHARGE REVENUES

The table below sets forth for the Fiscal Years 2018-2022 (1) the number of UTCs issued in the County, (2) the amount of Traffic Surcharge Revenues received by the County in such period, (3) the Weighted Average Traffic Surcharge amount per Qualifying Infraction (4) a proxy number calculated as the quotient expressing number of UTCs collected based on surcharge revenue collected and (5) number of UTCs (proxy) collected expressed as a percent of total UTCs issued.

THE 11th JUDICIAL CIRCUIT

The State of Florida is divided into twenty judicial circuits. Each judicial circuit is composed of a circuit court and one or more county courts, depending on the number of counties each circuit serves. The Eleventh Judicial Circuit in and for Miami-Dade County (the "Eleventh Judicial Circuit"), has jurisdiction that encompasses only the County.

The Eleventh Judicial Circuit covers an area of almost 2,209 square miles and serves a population of 2.28 million. With 123 judges serving within its jurisdiction, it is the largest judicial circuit in Florida and ranks among the five largest state court systems in the country. As referred to above, the Eleventh Judicial Circuit is comprised of the Circuit and County Court. County Courts have original jurisdiction over misdemeanor cases, violations of municipal and county ordinances, and civil causes of action involving less than \$15,000. Generally, Circuit Courts may hear those matters which are not vested in the County Courts and appeals as provided by general law. They also have the power to issue writs. The Circuit and County Courts are further divided into divisions.
