Seaport Revenue Bonds**

SECURITY FOR THE REVENUE BONDS

Seaport Revenues

The Seaport Revenue Bonds (the "Revenue Bonds") are secured by a pledge of the Net Revenues of the Seaport Department as provided in the Ordinance. "Net Revenues" are defined in the Ordinance to mean the excess of Revenues over Operating Expenses (Seaport Operations).

Limited Obligation

The Revenue Bonds are special and limited obligations of the County payable solely from and secured by Net Revenues of the Seaport Department. The issuance of the Revenue Bonds does not directly or indirectly or contingently obligate the County to levy any ad valorem taxes whatsoever or to make any appropriation for their payment except from Net Revenues. Neither the full faith and credit, nor taxing power of the State or any of its political subdivisions is pledged to the payment of the Revenue Bonds.

THE MIAMI-DADE SEAPORT DEPARTMENT

Administration

The Dante B. Fascell Port of Miami-Dade (the "Seaport") is owned by the County and managed by the Miami-Dade County Seaport Department (the "Seaport Department").

Under the provisions of Section 4.01 and 4.02 of the Miami-Dade County Home Rule Amendment and Charter, as amended, an administrative order of the County Manager on July 1, 1960 created the Seaport Department and made it responsible for the Seaport Properties of the County and their administration. The County Mayor appoints the Seaport Director to oversee the operations of the Seaport Department. The Seaport Director reports to the County Mayor.

The Seaport Department's staff and employees are organized under the Port Director, whose office oversees the Public Affairs and Community Outreach and Intergovernmental Affairs sections, two Deputy Directors, one Managing Port Director/CFO, one Chief Operating Officer and six Assistant Directors as follows:

- (1) Seaport Finance and Administration
- (2) Seaport Capital Development
- (3) Seaport Cruise and Cargo Operations
- (4) Seaport Business Development
- (5) Seaport Planning Environment and Properties
- (6) Seaport Safety and Security

The Seaport Department staff is currently budgeted at 518 full time and 86 part-time positions, headquartered at the Seaport Maritime office complex consisting of three buildings and at the maintenance facility. Tenants in the offices of the Seaport Maritime complex and at various other locations include cruise lines, shipping agents, freight forwarders, custom house brokers, stevedores, ship chandlers, federal agencies and other port-related firms.
