**Date:** January 20, 2016

Agenda Item No. 3(B)(5)

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor

A handwritten signature in black ink, appearing to read "Carlos A. Gimenez", written over the printed name.

**Subject:** Application for a Transfer of Shares of Stock of Aventura Limousine and Transportation Service, Inc., the Holder of Passenger Motor Carrier Certificate of Transportation No. 30167, from Neil Goodman to Scott Tinkler

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) approve the transfer of 30 percent of the shares of stock of Aventura Limousine and Transportation Service, Inc., the holder of Passenger Motor Carrier (PMC) Certificate of Transportation No. 30167, from Neil Goodman to Scott Tinkler.

## **Scope**

This PMC Certificate of Transportation is countywide, allowing the certificate holder to operate in unincorporated and incorporated areas of Miami-Dade County.

## **Fiscal Impact/Funding Source**

Licensing, operating permit and inspection fees are collected by the Department of Regulatory and Economic Resources to support regulatory activities. There is an annual regulatory fee of \$625.00 per certificate and \$625.00 per vehicle that will yield \$1,250.00 in revenue annually for the first vehicle and \$625.00 for each additional vehicle. PMC certificate holders can operate an unlimited number of vehicles under the certificate. The County also collects \$38.00 per vehicle inspection with frequency varying with the vehicle age from one (1) to four (4) inspections per year.

## **Track Record/Monitor**

The applicant is an existing permit holder and is in compliance with all requirements of the Code of Miami-Dade County (Code). Joe Mora, Division Chief within the Department of Regulatory and Economic Resources, will be responsible for monitoring this company.

## **Background**

On February 17, 1981, the Board adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Miami-Dade County under Chapter 31 of the Code.

Section 31-103 (m) of the Code provides the procedures to be followed by Miami-Dade County in processing transfer applications. No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the Board. In considering the proposed transfer of ownership or control of the certificate, the Board shall determine whether or not said transfer is contrary to the public interest, upon evidence submitted at the public hearing. The Board may approve or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer if in the public's interest.

Aventura Limousine and Transportation Service, Inc., the holder of PMC Certificate of Transportation No. 30167, has filed an application to transfer 30 percent of the company's shares of stock from its majority stockholder, Neil Goodman, to Scott Tinkler. The Code requires that such transfers be approved by the Board. PMC Certificate of Transportation No. 30167, originally issued on July 14, 1994, authorizes contract and charter services. Aventura Limousine and Transportation Service, Inc., located at 20251 NE 15 Court, Aventura, Florida 33179, seeks to continue providing this class of service. The company is required to adhere to the terms of the resolution which approved the certificate (Attachment A). Transportation is required to be pre-arranged at least 24 hours prior to service, using chauffeur driven vehicles with a seating capacity of nine or more, but less than 28 passengers, excluding the driver. The proposed rates are listed on the attached rate schedule (Attachment B).

The management plan submitted by Mr. Neil Goodman, owner of Aventura Limousine and Transportation Service, Inc., includes maintenance, communication, and recordkeeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

As required by the Code, the applicant has provided disclosure of the terms and conditions regarding the transfer of the certificate. An Agreement dated August 13, 2014 (Attachment C) establishes the transfer of 30 percent of the shares of stock of the corporation from Neil Goodman to Scott Tinkler. No price was assigned to these shares of stock.

FROM:

RECOMMENDATION:

It is recommended that the Board approve the application of Aventura Limousine & Transportation Service, Inc., for a Passenger Motor Carrier Certificate of Transportation to provide pre-arranged contract/charter service.

BACKGROUND:

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Dade County under Chapter 31 of the Code of Metropolitan Dade County.

Section 31-103 of the Code provides the procedure to be followed by Metro Dade County in processing certificate applications. Based on these requirements, a public hearing has been scheduled before the Board of County Commissioners. At the conclusion of the public hearing the Board may issue or refuse to issue the certificate or issue the certificate with such modifications or upon such terms and conditions as in its judgment the public interest may require. In reaching its determination, the Board shall consider the application, the County Manager's report and recommendation, all matters presented at the public hearing, and among others, the following criteria:

- (1) That the applicant is fit, willing and able in accordance with the requirements of this section, to provide the transportation to be authorized by the certificate, and is able to comply with this article and regulations of the commission.
- (2) That the transportation to be provided under the requested certificate is consistent with the public interest.
- (3) That the proposed transportation service will improve the quality of transportation available to the public.

ANALYSIS:

Aventura Limousine & Transportation Service, Inc., located at 19735 N.E. 36 Court, North Miami Beach, Florida 33180, seeks to obtain a Passenger Motor Carrier Certificate of Transportation to provide pre-arranged contract and charter transportation to passengers throughout all of Dade County. Contract service is defined as any passenger motor carrier who is not a common carrier and who repeatedly or continuously transports persons for compensation under written contract with one or more persons. Charter service is defined as the transportation of a group of persons pursuant to a common purpose and traveling under a single contract involving the exclusive use of a motor vehicle.

The company seeks to transport tourist and business groups to various points throughout Dade County. Transportation will be pre-arranged on a one-week minimum basis. These services will be provided 24 hours a day, 365 days per year, using chauffeur-driven vehicles with a seating capacity of nine (9) or more, but less than twenty eight (28) passengers, excluding the driver. The proposed rates are listed on the attached fare schedule. The management plan submitted by Mr. Michael J. Campanile, President of Aventura Limousine & Transportation Service, Inc., includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation revealed no criminal record for the applicant.

In accordance with Section 31-103(e) of the Code, a 20-day notice of application was provided to all affected municipalities within Dade County, all passenger motor carrier certificate holders, and interested parties. No protests were filed.

This item is being submitted for the June 28, 1994 Public Safety and Consumer Services Committee Meeting.
