

Memorandum

Date: January 20, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

Agenda Item No. 3(B)(6)

From: Carlos A. Gimenez
Mayor

Subject: Pink 2216 LLC d/b/a Pink Shuttle Application for a Transfer of Passenger Motor Carrier Certificate of Transportation No. 30220

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the transfer of Passenger Motor Carrier (PMC) Certificate of Transportation No. 30220 from G & M Transportation, Inc. to Pink 2216 LLC d/b/a Pink Shuttle.

Scope

This PMC Certificate of Transportation is countywide, allowing the certificate holder to operate in unincorporated and incorporated areas of Miami-Dade County.

Fiscal Impact/Funding Source

Licensing, operating permit and inspection fees are collected by the Department of Regulatory and Economic Resources to support regulatory activities. There is an annual regulatory fee of \$625.00 per certificate and \$625.00 per vehicle that will yield \$1,250.00 in revenue annually for the first vehicle and \$625.00 for each additional vehicle. PMC certificate holders can operate an unlimited number of vehicles under the certificate. The County also collects \$38.00 per vehicle inspection with frequency varying with the vehicle age from one (1) to four (4) inspections per year.

Track Record/Monitor

The applicant is a new service provider and is in compliance with all requirements of the Code of Miami-Dade County (Code). Joe Mora, Division Chief within the Department of Regulatory and Economic Resources, will be responsible for monitoring this company.

Background

On February 17, 1981, the Board adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Miami-Dade County under Chapter 31 of the Code.

Section 31-103 (m) of the Code provides the procedures to be followed by Miami-Dade County in processing transfer applications. No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the Board. In considering the proposed transfer of ownership or control of the certificate, the Board shall determine whether or not said transfer is contrary to the public interest, upon evidence submitted at the public hearing. The Board may approve or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer if in the public's interest.

G & M Transportation, Inc. has filed an application to transfer Passenger Motor Carrier Certificate of Transportation No. 30220 to Pink 2216 LLC d/b/a Pink Shuttle. Approved on February 25, 1997, via Resolution R-184-97 (Attachment A), PMC No. 30220 authorizes contract carrier service. This class of service is defined as any passenger motor carrier who is not a common carrier and who repeatedly or continuously transports persons for compensation under written contracts with one or more persons.

The company is required to adhere to the terms of Resolution R-184-97, which approved the certificate. Pink 2216 LLC d/b/a Pink Shuttle, located at 9100 SW 24 Street, #5, Miami, Florida 33165, seeks to continue providing this class of service by transporting tourist and resident groups to and from various locations throughout Miami-Dade County 24 hours a day, seven days a week. Transportation is required to be pre-arranged at least 24 hours prior to service, using chauffeur-driven vehicles with a seating capacity of nine or more, but less than 28 passengers, excluding the driver. The proposed rates are listed on the attached rate schedule (Attachment B).

The management plan submitted by Mr. Marcelo Pascual, Manager of Pink 2216 LLC d/b/a Pink Shuttle, includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

As required by the Code, the applicant has provided disclosure of the terms and conditions regarding the transfer of the certificate. A Sales Agreement (Attachment C) between G & M Transportation, Inc. and Pink 2216 LLC d/b/a Pink Shuttle establishes the acquisition of Passenger Motor Carrier Certificate of Transportation No. 30220 for a total price of \$35,000.00.

(PMC Control No. 302)

RECOMMENDATION

It is recommended that the Board approve the application of G & M Transportation, Inc. for a Passenger Motor Carrier Certificate of Transportation to provide pre-arranged contract carrier service.

BACKGROUND

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Dade County under Chapter 31 of the Code of Metropolitan Dade County.

Section 31-103 of the Code provides the procedures to be followed by Metro-Dade County in processing certificate applications. Based on those requirements, a public hearing has been scheduled before the Board of County Commissioners. At the conclusion of the public hearing, the Board may issue or refuse to issue the certificate, or issue the certificate with such modifications or upon such terms and conditions as in its judgment the public interest may require. In reaching its determination, the Board shall consider the application, the County Manager's report and recommendation, all matters presented at the public hearing, and among others, the following criteria:

- (1) That the applicant is fit, willing and able in accordance with the requirements of this section, to provide the transportation to be authorized by this certificate and is able to comply with this article and regulations of the commission.
- (2) That the transportation to be provided under the requested certificate is consistent with the public interest.
- (3) That the proposed transportation service will improve the quality of transportation available to the public.

These services will be provided seven days a week, between the hours of 6:00 a.m. and midnight, using chauffeur driven vehicles with a seating capacity of nine or more, but less than 28 passengers, excluding the driver. The proposed rates for transportation service are \$28.00 per person, round trip.

The management plan submitted by Mr. Gilberto Martin, President of G & M Transportation, Inc., includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal record for the applicant or any of its officers.

In accordance with Section 31-103(e) of the Code, a 20 day notice of application was provided to all affected municipalities within Dade County, all passenger motor carrier certificate holders and interested parties. No protests were filed.
