MIAMI-DADE  
COUNTY

**Date:** January 20, 2016  
**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners  
**From:** Carlos A. Gimenez  
Mayor   
**Subject:** Request for Additional Time and Expenditure Authority to Prequalification Pool No. 6296-0/16, Fresh Produce

Agenda Item No. 8(F)(7)

## Recommendation

It is recommended that the Board of County Commissioners (Board) approve an extension of *Prequalification Pool No. 6296-0/16, Fresh Produce*, for five (5) additional years and increase expenditure authority by \$4,548,000. This pool was established on January 1, 2011 for a five-year term for use by multiple County departments to purchase various fresh produce. Vendors must be local in order to prequalify under this pool. Additionally, in accordance with Resolution No. R-422-15, future spot market solicitations will identify locally grown produce to be set-aside for local sourcing so long as local products are available, and are of the right quality, quantity, and price. County departments will use the pool, as needed, during the extension period to purchase covered products.

The requirements, terms and conditions of the pool would not change if a replacement solicitation were to be issued. It is anticipated that the same vendors would prequalify for a replacement solicitation. Additional qualified vendors may be added to the pool at any time during the term of the pool, subject to bi-annual ratification by the Board. This prequalification pool will remain advertised on the County's Procurement Management Services website to encourage additional participation. Outreach to registered firms was conducted to increase the number of prequalified firms. It is in the County's best interest to modify the existing pool for an additional five-year period so departments are able to continue purchasing fresh produce.

## Scope

The impact of this item is countywide in nature.

## Fiscal Impact/Funding Source

The pool was established with a \$4,895,000 allocation which was modified by \$50,000, resulting in an existing allocation of \$4,945,000. The pool expires on December 31, 2015. The requested additional allocation of \$4,548,000 is based on anticipated usage during the five-year extension period. The yearly allocation under the extension period is less than the current term due to a reduction in anticipated usage.
