

Memorandum

Date: January 20, 2016
To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners
From: Carlos A. Gimenez
Mayor
Subject: Request for Additional Expenditure Authority to Contract No. 8027-0/17, Airfield
Guidance Signs

Agenda Item No. 8(F)(2)

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize increased expenditure authority of \$2,081,000 to *Contract No. 8027-0/17, Airfield Guidance Signs*, for the Miami-Dade Aviation Department. This contract was originally approved by the Board in July 2012 for a six-year term through Resolution No. R-532-12 and is used by the Aviation Department to purchase airfield guidance signs, markings and lights, and associated replacement parts to comply with Federal Aviation Administration (FAA) airport safety requirements.

The additional funds are needed to replace old incandescent runway guard light fixtures and signs on runways at Miami International Airport, directional signage at Miami-Opa-Locka Executive Airport, and airfield lighting systems including runway and taxiway regulators at Dade-Collier Training and Transition Airport with light-emitting diode (LED) fixtures and signs. This replacement project will ensure the Aviation Department's continued compliance with FAA regulations, particularly FAA Part 139, which governs the FAA's issuance of airport operating certificates. LED airfield signs are significantly brighter than the incandescent light fixtures currently in use and will enhance visibility for pilots. LED signs are also virtually maintenance free and consume 70 percent less energy.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

This contract was originally approved with a \$2,240,000 allocation. That amount, pursuant to the authority granted to the County Mayor under Implementing Order 3-38, was modified administratively by \$448,000, resulting in an existing allocation of \$2,688,000 for the six-year term. The contract expires on August 31, 2018. This recommended modification will authorize additional expenditure authority of \$2,081,000, increasing the total contract value to \$4,769,000.

Department	Existing Allocation	Additional Allocation Requested	Modified Allocation	Funding Source	Contract Manager
