Subject: Retroactive Lease Agreement between Miami-Dade County and Miami River House II Associates, LTD and Miami River House III Associates, LTD for Property Located at 1035 NW 11 Court and 1080 NW 11 Street, Miami, Florida, to be Utilized by the Water and Sewer Department for Employee Parking – Lease No. 01-3135-000-0164 – L01

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the execution of the attached Retroactive Lease Agreement (Lease) between Miami-Dade County (County) and the Miami River House II Associates, LTD and the Miami River House III Associates, LTD (Landlord), for properties to be used as parking spaces for Water and Sewer Department employees. More specifically, the resolution does the following:

- Authorizes the lease of two (2) separate parcels of land, as shown in Exhibit A to the Lease, both improved with parking spaces to be utilized by Water and Sewer Department employees. Parcel A (approximately 21,292 square feet) is owned by Miami River House II Associates, LTD and is located at 1035 NW 11 Court, Miami, Florida; Parcel B (approximately 20,064 square feet) is owned by Miami River House III Associates, LTD and is located at 1080 NW 11 Street, Miami, Florida; and
- Authorizes an initial lease term of six (6) months, effective retroactively on May 1, 2015, plus an optional renewal term of up to 14 months, exercised on a month-to-month basis, through December 31, 2016.

Scope

The properties are located in County Commission District 5, which is represented by Commissioner Bruno A. Barreiro.

Fiscal Impact/Funding Source

The fiscal impact to the Water and Sewer Department for the initial term of the Lease is estimated to be \$15,600.00. This amount is comprised of \$15,000.00 in base rent, which is equal to \$2,500.00 per month and a \$600.00 lease management fee. The lease management fee, which amounts to four (4) percent of the base rent, will be paid by the Water and Sewer Department to the Internal Services Department for the administration of the Lease. If the County elects to exercise the full optional renewal term, the total fiscal impact to the Water and Sewer Department is estimated to be \$52,000.00. All costs associated with this Lease shall be funded through the Water and Sewer Department's Water Revenue Fund. The Water and Sewer Department does not anticipate any annual costs for operation and maintenance of the properties, as both properties are paved parking lots. Under the Lease, the Landlord shall bear the costs to maintain the parking lot areas, including any necessary repairs and electrical services.

Track Record/Monitor

The County has no record of negative performance issues with the Landlord. The Lease was prepared by the Internal Services Department on behalf of the Water and Sewer Department. Dirk Duval of the Real Estate Development Division in the Internal Services Department is the Lease Monitor.

Delegation of Authority

Authorizes the County Mayor or the County Mayor's designee to execute the attached Lease and exercise all other rights conferred therein.

Background

The Water and Sewer Department's Water Transmission and Distribution Division and Sewer Meter Installation and Maintenance Section have approximately 155 employees located at 1001 NW 11 Street, Miami, Florida. The location is comprised of office space, equipment and fleet repair bays, an equipment storage facility, and a fuel station.

Due to parking constraints, employees working at this location were utilizing parking spaces at the Culmer Metrorail Station located at 670 NW 11 Street, as authorized by the Miami-Dade Transit Department. Following a Federal Transit Administration (FTA) field examination in February 2015, the FTA advised the Transit Department that parking at the Culmer station by Water and Sewer Department employees is not permissible and all available parking must be used by Metrorail patrons. Thus, staff from the Water and Sewer and Transit Departments implemented a corrective action plan to address this issue, identifying the two (2) properties in the Lease as the best short-term option due to pricing, proximity to the location, and availability of a combined total of 60 parking spaces. The Water and Sewer Department employees have been utilizing these properties since May 1, 2015 for parking purposes in order to meet operational needs.

Additional Lease details are as follows:

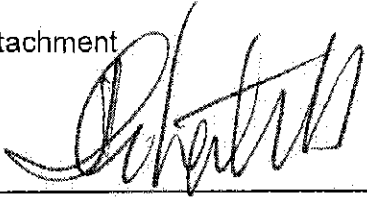

- COMPANY PRINCIPALS: Lauris Boulnger, General Manager
- LEASE TERM: Six (6) months, plus an optional renewal term of up to 14 months, exercised on a month-to-month basis through December 31, 2016.
- EFFECTIVE DATES: Commencing May 1, 2015 and terminating on October 31, 2015.
- RENTAL RATE: The rent for the initial six-month term of the Lease will be \$15,000.00 which will be paid in six (6) equal installments of \$2,500.00 per month. The same monthly rate applies to the optional renewal term.
- LEASE CONDITIONS: The Landlord's responsibilities include the cost of all utilities associated with the parcels. The County is responsible for initially cleaning both parcels. Thereafter, the Landlord shall maintain the parcels and arrange for the regular pickup of trash and garbage. The Landlord shall maintain the parcels in a neat and clean condition.
- CANCELLATION PROVISION: The County may cancel or terminate the Lease at any time, without cause, by giving the Landlord at least 30-day advanced written notice of such cancellation.

STANDARD LEASE PROVISIONS

PART II **Terms and Conditions**

Tenant shall lease the Premises at and for the agreed Rent payable in advance on the first day of each and every month, starting on the Commencement Date. Additionally, Tenant shall pay any taxes in the nature of sales, rental taxes, use or similar taxes now or hereafter assessed or levied by any taxing authority upon the payment of Rent or other charges paid by Tenant.

It is the intention of Tenant and Landlord that the obligations of Tenant shall be separate and independent covenants and agreements, and that Rent and all other sums payable by Tenant shall continue to be payable in all events, unless otherwise expressly provided herein, and that the obligations of Tenant shall continue unaffected, unless the requirement to pay or perform the same shall have been terminated pursuant to the express provisions of this Lease. Rent and all other sums payable by Tenant shall be paid without notice or demand, and without setoff, counterclaim, recoupment, abatement, suspension, deferment, deduction, reduction or defense, except as specifically set forth in this Lease. Except as otherwise expressly provided in this Lease, Tenant agrees that it shall not take any action to terminate, rescind or avoid this Lease. Tenant waives all rights which are not expressly stated herein to quit, terminate or surrender this Lease or any of the Premises, to any setoff, counterclaim, recoupment, abatement, suspension, deferment, diminution, deduction, reduction to Rent or any other sums payable under this Lease, except as specifically set forth in this Lease.

Tenant, upon the execution of this Lease, agrees to pay the amount the Security Deposit listed in the Preamble hereof (the "Preamble"), if any, which shall be held as security for Tenant's performance as herein provided and refunded to Tenant at the end of this Lease subject to Tenant's satisfactory compliance with the conditions hereof, as stipulated in Section 17 of this Lease.

Tenant shall remit to Landlord all payments for Rent on or before the first day of each and every month in advance without demand at the Rent Payment Address listed in the Preamble or at such other place and to such other person, as Landlord may from time to time designate in writing. However, notwithstanding the foregoing, the October monthly installment rental payment for each year will be processed by the Tenant after the close of the Tenant's fiscal year on September 30th. Therefore, the October's Rent payment may be delayed each year, and the Landlord hereby acknowledges this fact, and agrees hereby not to impose and type of penalty against the Tenant.

All Payments due under the terms of this Lease for partial months within the Term shall be prorated in the same ratio that the number of days during which Tenant occupies the Premises in any such month bears to the number of days in said month, without allowance for weekends or holidays. Tenant's obligations to pay Rent or to make any other payments or to fulfill any other obligations under this Lease shall terminate on the day following the date on which Tenant vacates the Premises at the expiration or earlier termination of the Term, and all monetary obligations created by this Lease shall be prorated through the date on which Tenant shall have so vacated the Premises.

SECTION 1. USE: It is hereby understood and agreed that the use of the Premises is limited to the Use described in the Preamble and for no other purposes whatsoever. Any violation of the agreed use or any type of disturbance or interference with any other tenant's use clause, business

and/or exclusivity will be a violation of this Lease. In the event there is a violation of the Use clause in this Lease, it shall be an event of default, and the Landlord shall have the right to exercise or pursue any and all remedies under this Lease or any other remedy at law or in equity. No auction, fire, bankruptcy, "lost our lease" or going out of business sales (or the like) may be conducted within the Premises.

SECTION 2. ASSIGNMENT-SUBLEASING: Except for the use of the Premises by a different department or agency of the Tenant, the Tenant shall not mortgage, pledge, encumber, assign this Lease, or sublet (which term, without limitation, shall include the granting of concessions, licenses, and the like) the Premises, or any part thereof, without Landlord's prior written consent, which may be withheld in Landlord's sole and absolute discretion. In the event Landlord provides its written consent for an assignment or sublease, Landlord shall receive one hundred (100%) percent of any excess rent which is derived from the proposed transaction (including any fee, payment, etc. that Tenant receives in connection with any assignment and/or sublet). In any case whereby Landlord shall consent to such proposed subletting, Tenant named hereunder shall remain fully liable for the obligations of Tenant hereunder, including, without limitation, the obligation to pay the entire amount of the Rent, and other amounts provided herein. No assignment or subletting shall be valid or effective unless and until the assignee or subtenant, respectively, shall covenant in writing with Landlord, to the reasonable satisfaction of Landlord, to be bound directly to Landlord for the performance of all Tenant covenants contained herein. As part of Landlord's approval process for any assignment or sublet, to a non-governmental entity, the Landlord may require one or more of the following: (A) a Security Deposit from the assignee/sub lessee in the amount equaled to one (1) month of Rent; and/or (B) financial and other information about the assignee/sub lessee.

SECTION 3. TENANT'S RESPONSIBILITIES; PERSONAL PROPERTY: Tenant agrees to use and occupy the Premises as it is herein given the right to use at its own risk; and that, except for the negligence or willful misconduct of Landlord and/or Landlord's agents, Landlord shall have no responsibility or liability for any loss of or damage to Tenant's leasehold improvements or to fixtures or other personal property of Tenant (collectively, "Tenant's Property") or those claiming by, through or under Tenant. In furtherance of the foregoing, Landlord, any agent of Landlord, and/or any principal of Landlord, shall not be liable for any and all damage to Tenant's Property arising from the bursting or leaking of water or sewer pipes or roofing, unless arising from the negligence or willful misconduct of Landlord and/or Landlord's agents.

SECTION 4. COMPLIANCE WITH LAWS; GOVERNMENTAL APPROVALS: Tenant shall promptly comply with all statutes, ordinances, rules, orders, regulations and requirements of any applicable federal, state and city government and of any and all of their departments and bureaus including any taxing authority or utility. **TENANT SHALL BE RESPONSIBLE FOR PROMPTLY OBTAINING ANY PERMIT, LICENSE, SERVICE, ARCHITECTURAL PLANS AND/OR CERTIFICATES OF OCCUPANCY NECESSARY FOR THE OPERATION OF THE PREMISES. LANDLORD MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING TENANT'S PROPOSED USE AND THE GOVERNMENTAL APPROVALS NECESSARY THEREFORE.**

SECTION 5. DEFAULT: Tenant shall be in default under this Lease if it fails to (i) make timely payments of Rent or any other sums due hereunder, or (ii) faithfully observe all terms, covenants, rules and

regulations contained in this Lease or such other uniform and non-discriminatory rules or regulations as may be hereafter made and promulgated by Landlord.

In the event of any default by Tenant remaining uncured past any applicable cure period, notwithstanding any waiver of any former breach of covenant or waiver of the benefit hereof or consent in a former instance, Landlord may immediately (1) apply the Security Deposit, if any, toward the satisfaction and cure of such a default, and/or (2) cure Tenant's default at Tenant's cost and expense, and/or (3) after terminating this Lease, by lawful process, re-enter the Premises and remove all persons and all or any property therefrom, without being liable for any prosecution therefor or damages therefrom for trespass or otherwise, and repossess and enjoy the Premises, with all additions, alterations and improvements, and Landlord may at its option, repair, alter, remodel and/or change the character of the Premises as it may reasonably deem fit, and/or (4) terminate this Lease upon written notice to Tenant and/or exercise any other remedies otherwise available to Landlord provided herein or at law or in equity. In connection with the foregoing, if Landlord so elects, after securing a judgment, Landlord may sell any personal property of Tenant at public auction or private sale and apply the net proceeds to the payment of all sums due to Landlord from Tenant, if any, and pay over the balance to Tenant. All rights and remedies available to Landlord shall be cumulative and non-exclusive.

The exercise by Landlord of any right granted in this Section shall not relieve Tenant from the obligation to make all Rent payments, and to fulfill all other covenants required by this Lease, at the time and in the manner provided herein. Tenant throughout the remaining Term hereof shall pay Landlord, no later than the last day of each month during the Term, the then current excess, if any, of the sum of the unpaid rentals and costs to Landlord resulting from such default by Tenant over the proceeds, if any, received by Landlord from such reletting, if any, but Landlord shall have no liability to account to Tenant for any excess. Landlord shall not be required to relet the Premises nor exercise any other right granted to Landlord hereunder, nor shall Landlord be under any obligation to minimize Tenant's loss as a result of Tenant's default, but will nonetheless use commercially reasonable good faith efforts to mitigate damages. If Landlord attempts to relet the Premises, Landlord shall be the sole judge as to whether or not a proposed tenant is suitable and acceptable. After being disposed or ejected therefrom by process of law or under the terms of this Lease, Tenant hereby waives and surrenders all rights and privileges which it might have under or by reason of any present or future law to redeem the Premises or to have continuance of this Lease for the Term hereby granted.

Tenant agrees that no demand for Rent and no re-entry for condition broken and no notice to quit possession or other notices prescribed by statute shall be necessary to enable Landlord to recover such possession, but that all right to any such demand and any such re-entry and any notice to quit possession or other statutory notices or prerequisites are hereby expressly waived by Tenant. Tenant covenants and agrees, notwithstanding any termination of this Lease as aforesaid or any entry or re-entry by Landlord, whether by summary proceedings, termination, or otherwise, to pay and be liable for on the days originally fixed herein for the payment thereof, amounts equal to the several installments of Rent and other charges reserved as they would, under the terms of this Lease, become due if this Lease had not been terminated or if Landlord had not entered or re-entered, as aforesaid, and whether the Premises be relet or remain vacant, in whole or in part, or for a period less than the remainder of the Term.

SECTION 6. ACCELERATION CLAUSE AND DAMAGES: In addition to all other rights granted to Landlord in this Lease and not as a limitation of said rights, in the event of a termination and/or default by

Tenant, Landlord shall have the right and option to accelerate all rent due hereunder. Additionally, for the purposes of computing damages payable hereunder on account of a default by Tenant, it is agreed that there shall also be payable to Landlord, as damages, at the time of such default, the total of any amount owed to Landlord if any, due as part of a judgment on an action by Landlord to evict the Tenant; and such amount for each of the months remaining in the Term hereof.

SECTION 7. ABANDONMENT: If Tenant shall abandon or vacate the Premises before the end of the Term of this Lease (except in the event Tenant elects to close the Premises temporarily for the purpose of making improvements same for no more than ninety (90) days (or such longer period upon prior written permission of Landlord), or shall suffer the Rent to be more than three (3) months in arrears, Landlord may, at its option, forthwith cancel this Lease and/or bring an action to evict the Tenant. Notwithstanding Tenant's abandonment or Landlord's acceptance thereof, Tenant shall be responsible to satisfy any and all obligations due to Landlord under the terms of this Lease.

SECTION 8. COLLECTION AND EXPENSES: Should either party bring a cause of action against the other party for the alleged breach of any term, clause, covenant, and/or condition under this Lease, the parties, respectively, that they shall be responsible for their own costs Attorney fees and witness fees. This provision shall apply to all trial and appellate proceedings and any other efforts by either party to enforce its rights and to any bankruptcy, receivership or other insolvency proceeding or negotiation.

SECTION 9. UTILITIES: Tenant and Landlord agree that the cost associated with the Premises for utilities that is, or may become, due, from the day the Commencement Date until the Expiration Date, including, but not limited to all charges for water, sewer, gas, steam, electricity (or other illumination), telephone and all other utilities and services used or consumed on the Premises and for all licenses and permits that were recorded or required prior to Tenant's occupancy shall be the responsibility of the Landlord.

SECTION 10. MAINTENANCE AND REPAIRS: Notwithstanding any other provisions of this Lease, the Landlord shall repair and maintain the infrastructure of portions of the Premises, including, but not limited to; the plumbing, and electrical systems that are installed or furnished by the Landlord in the Premises, unless issues to the maintenance and repairs are caused by the gross negligence, or the intentional or willful act of the Tenant, its agents, servants, employees, licensees, or invitees, in which case the Tenant shall pay the Landlord the cost of such maintenance and/or repairs, less the amount of any insurance proceeds received by the Landlord on account thereof. The Landlord shall be solely responsible for any and all damages and repairs caused by the Landlord, and/or its employees, agents and/or vendors. The Landlord shall maintain and keep in good order, condition, and repair the Premises, including, but not plumbing, electrical, pest control, landscaping, walkways, pathways, sidewalks, and parking lot area. The Landlord shall comply with any and all building and zoning codes, as applicable.

The Landlord shall make any and all repairs within a reasonable period following receipt of notice of the need thereof from the Tenant. The Landlord shall also keep in good order, condition, and repair all fixtures and equipment in the Premises, and replace the same at the end of such equipment's normal and useful life. In the event that the Landlord fails to properly or timely maintain and repair the Premises, the Tenant, unless otherwise described in this Lease, shall have the right, but shall not be required to do so, after thirty (30) days' written notice to the Landlord, to make any and all repairs to the Premises, which the Tenant reasonably believes is necessary to timely and properly operate its business functions,

and/or which present a reasonable concern for safety for the Tenant, or any of its agents, vendors, employees, licensees, or invitees, and the cost of such repairs, including materials, labor, and overhead, at Tenant's election may be invoiced to the Landlord, or such amount reduced from the Rent. Further, the Tenant shall have no liability to the Landlord for any damage, inconvenience or interference regarding the use or any damage to the Premises as a result of performing any such work. The Landlord shall be liable to Tenant for any injury or interference with Tenant's business arising from the failure of the Landlord to timely and properly make any repairs, alterations, improvements in or to any portion of the Premises.

In order to minimize any disruption to the Tenant's use of the Premises, the Landlord shall notify the Tenant in advance of any maintenance and/or repairs to be performed in the Premises, and/or which will affect the Premises. Upon receiving the Landlord's notice of pending repairs and/or maintenance, the Tenant shall reasonably consent to such work, and the Landlord shall proceed to construct, improve, repair and/or complete any work that is necessary to properly maintain the Premises. Any and all repairs to the Premises shall, to the greatest extent possible, be performed during non-working hours, to further minimize the impact upon the Tenant, and its employees. Should any of the Premises be unusable to the Tenant, as a result of the Landlord's repairs, the Tenant shall be entitled to rent abatement for the period of time such repairs are undertaken.

The Tenant, at Tenant's sole cost and expense, shall, except for services furnished or otherwise provided by the Landlord, maintain the Premises, maintaining in a safe, clean, and neat condition, and otherwise in good order and repair (note, electrical and plumbing fixtures are not included). Further, the Tenant shall pay for the cost of any repairs to the Premises made necessary by any gross negligence or willful misconduct of the Tenant, or any of its agents, vendors, employees, licensees, or invitees. In the event that the Tenant fails to so maintain the Premises in good order, condition, and repair, the Landlord shall give the Tenant thirty (30) days' notice to do such acts as are reasonably required to properly maintain the Premises. In the event that the Tenant fails to commence such work within the thirty (30) day period, and diligently pursue it to completion, then the Landlord shall have the right, but shall not be required, to do such acts and expend such funds, at the expense of the Tenant, as are reasonably necessary to perform such maintenance and repairs. Landlord shall have no liability to Tenant for any damage, inconvenience.

SECTION 11. LANDLORD'S ACCESS: Landlord, or any of its agents, shall have the right to enter the Premises during all reasonable hours, and with forty-eight (48) hours' prior written notice, except in the event of emergency, and without materially interfering with the conduct of Tenant's use of the Premises, to examine the same to make reasonable inspections, repairs, additions or alterations as may be deemed necessary for the safety, comfort, or preservation thereof, or of said building, or to exhibit the Premises, and to put or keep thereof a notice "for rent", "for lease" or "available" at any time within one (1) month before the expiration of this Lease. The right of entry shall likewise exist for the purpose of removing placards, signs, fixtures, alterations, or additions, which do not conform to this Lease, or to the rules and regulations of the Premises. Landlord shall make reasonable efforts to minimize disruption of Tenant's activities.

SECTION 12. ACCEPTANCE OF PREMISES AND REPAIR:

The Tenant acknowledges and agrees that, the Landlord has no present or future intention to make any capital or non-capital alterations, renovations or improvements to the Premises. Tenant agrees to maintain the Premises in the same condition, order and repair as they are at the Commencement Date, excepting only reasonable wear and tear arising from the use thereof under this Lease. If damage occurs to the Premises,

the Tenant will notify the Tenant of such damage in writing, including the anticipated cost to repair such damage.

SECTION 13. TENANT IMPROVEMENTS; INSTALLATION BY TENANT: Tenant agrees that any and all work that may be performed on the Premises by the Tenant, and/or its agent or contractor in the Premises will be performed in a workman like manner and by a licensed general contractor under the guidelines of the applicable building codes and in compliance with all applicable governmental regulations. Such general contractor, not an employee of the Tenant, must be approved by Landlord in writing prior to the commencement of any work in the Premises. Tenant shall be responsible for any construction defects in connection with its improvements. Tenant's work shall be performed with minimal interference and disruption to Landlord, and any neighboring property owners and tenants.

SECTION 14. HOLD HARMLESS: To the fullest extent permitted by law, the Landlord hereby agrees to indemnify, hold harmless, and defend the Tenant, its employees, agents, contractors, licensees, and invitees from and against any and all claims, actions, damages, liabilities, and expenses, including, but not limited to, judgments, settlement payments, fines paid, incurred or suffered by the Tenant in connection with any loss of life, personal injury and/or damage to property, arising from, or out of, the occupancy or use by the Tenant of the Premises, as a result of any act or inaction by the Landlord, its employees, agents, contractors, licensees, and/or invitees.

The Tenant shall not be liable for any damage or injury which may be sustained by any party or person on the Premises, other than the damage or injury caused solely by the gross negligence of the Tenant, its officers, employees, vendors, or agents, subject to the limitations of Florida Statutes, Section 768.28.

SECTION 15. BANKRUPTCY: If Tenant shall become a debtor under the bankruptcy code then, to the extent that the bankruptcy code may be applicable or affect the provisions of this Lease, the following provisions shall also be applicable. If the trustee or debtor-in-possession shall fail to elect to assume this Lease within sixty (60) days after the filing of the petition (or such other minimum time as required by any applicable law), this Lease shall, at Landlord's option, be deemed to have been rejected and Landlord shall be thereafter immediately entitled to possession of the Premises and this Lease shall be terminated subject to and in accordance with the provisions of this Lease and of law (including such provisions for damages and acceleration). No election to assume (and, if applicable, to assign) this Lease by the trustee or debtor-in-possession shall be permitted or effective unless: (i) all defaults of Tenant shall have been cured and Landlord shall have been provided with adequate assurances reasonably satisfactory to Landlord, including (a) any reasonably required guarantees and/or security deposits, and (b) any other reasonably required assurances that there will continue to be sufficient funds and personnel available to professionally merchandise, stock, promote, staff and operate the Premises in strict compliance with all provisions of this Lease; and (ii) neither such assumption nor the operation of the Premises subsequent thereto shall, in Landlord's judgment, cause or result in any breach or other violation of any provision of this or any applicable lease, mortgage or other contract; and (iii) the assumption and, if applicable, the assignment of this Lease, has been ratified and approved by order of such court or courts as have final jurisdiction over the bankruptcy code and the case. No assignment of this Lease by the trustee or debtor-in-possession shall be permitted or effective unless the proposed assignee likewise shall have satisfied (i), (ii), and (iii) of the preceding sentence and any such assignment, shall, without limitation, be subject to the provisions of this Section. When pursuant to the bankruptcy code the trustee or debtor-in-possession is obligated to pay reasonable use and occupancy charges, such charges shall not be less than the Rent, and other charges specified herein to be payable by Tenant.

Neither Tenant's interest or estate in the Premises herein or created hereby, nor any lesser interest or estate of Tenant, shall pass to anyone under any law of any state or jurisdiction without the prior written consent of Landlord. In no event shall this Lease, if the Term hereof has expired or has been terminated in accordance with the provisions of this Lease, be revived, and no stay or other proceedings shall nullify, postpone or otherwise affect the expiration or earlier termination of the Term of this Lease pursuant to the provisions of this Section or prevent Landlord from regaining possession of the Premises thereupon in the event of a bankruptcy. Notwithstanding the foregoing, Landlord may elect to accept Rent from a receiver, trustee, or other judicial officer during the Term of their occupancy in their fiduciary capacity without affecting Landlord's rights as contained in this Lease, but no receiver, trustee or other judicial officer shall ever have any right, title or interest in or to the above described property by virtue of this Lease. Landlord shall also be granted immediate relief from any applicable automatic stay to seek eviction or other remedies or shall likewise be entitled to obtain an order authorizing a rejection of the Lease at Landlord's option which may limit Tenant from maintaining possession of the Premises, notwithstanding the institution of bankruptcy. In the event Landlord is required to exercise any rights under this Section, Tenant agrees to immediately consent to any and all of the relief requested by Landlord.

SECTION 16. ACCORD AND SATISFACTION: Unless otherwise agreed to in this Lease, no payment by Tenant, or receipt by Landlord, of a lesser amount than the Rent due hereunder shall be deemed to be other than on account of the earliest stipulated Rent due, or shall in any endorsement or statement or any check or any letter accompanying any check or payment as Rent be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such Rent or pursue any other remedy provided herein or by law. Any letter accompanying such check that such lesser amount is payment in full shall be given no effect, and Landlord may accept such check without prejudice to any other rights or remedies which Landlord may have against Tenant, unless the Tenant is authorized to do so in accordance with this Lease.

SECTION 17.
