

# Memorandum

**Date:** January 20, 2016  
**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

Agenda Item No. 8(F)(4)

**From:** Carlos A. Gimenez  
Mayor

**Subject:** Request for Additional Expenditure Authority to Prequalification Pool No. 5038-1/23, Public Safety Vehicle Accessories

## Recommendation

It is recommended that the Board of County Commissioners (Board) authorize increased expenditure authority of \$2,800,000 for *Prequalification Pool No. 5038-1/23, Public Safety Vehicle Accessories*, for the Miami-Dade Police Department. In May 2013, the County approved the establishment of this pool through Resolution No. R-349-13 for a five-year term. The contract provides various County departments with the ability to purchase public safety vehicle accessories and related items, including installation, de-installation and repairs, as needed. The requested additional expenditure is required to support the operational needs of the Miami-Dade Police Department, i.e., ensuring adequate funding to cover vehicles slated for delivery.

Through Resolution No. R-171-15, approved on February 18, 2015, 642 police vehicles (marked and unmarked) were authorized for purchase through access of the Florida Sheriffs Association contract (No. 14-22-0904). The additional allocation requested under this pool will be used to retro-fit these vehicles for law enforcement use. The required equipment includes lighting, bumpers, cages, sirens, trunk inserts, K-9 cages, laptop mounts, and additional associated accessories. The "Driving under the Influence" sports utility vehicles, diver vehicles, arson squad vehicles, crime scene trucks, and prisoner transport vehicles require specialty equipment and installations that are procured through this pool as well. Delivery of new vehicles is scheduled for a 10-month period which commenced May 2015 and immediate retro-fitting is required for operational use. The additional funding will be applied to equip the purchased vehicles pending delivery. The estimated values are calculated based on current pricing obtained through a competitive bidding process under the pool.

## Scope

The impact of this item is countywide in nature.

## Fiscal Impact/Funding Source

The pool award was originally approved with a \$3,296,000 allocation which was increased by \$660,000 administratively, resulting in an existing allocation of \$3,956,000, for the current five-year term. The pool term expires on May 31, 2018. The recommended modification will authorize additional expenditure authority of \$2,800,000 as set forth in the table below, increasing the total pool value to \$6,756,000.

Department	Existing Allocation	Additional Allocation Requested	Modified Allocation	Funding Source	Contract Manager
Police	\$2,740,000	\$2,800,000	\$5,540,000	General Fund	Laura Romano
Various	1,216,000	0	1,216,000	Various	Various
<b>Total</b>	<b>\$3,956,000</b>	<b>\$2,800,000</b>	<b>\$6,756,000</b>
