

Memorandum

Date: January 20, 2016
To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

Agenda Item No. 8(F)(6)

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval of a Designated Purchase Under Contract Nos. RFP487A and RFP487B, Security Guard and Screening Services

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request for a designated purchase under *Contract Nos. RFP487A and RFP487B, Security Guard and Screening Services*, for multiple County departments. Approval of a designated purchase is being requested, pursuant to Section 2-8.1(b)(3) of the Miami-Dade County Code, to authorize the extension of the current term of both contracts for up to 12 months and increase expenditure authority by a total of \$32,427,000 to ensure continuity of services while the long-term replacement contract is solicited and evaluated.

These contracts were competitively established in June 2008 through Resolution No. R-496A-08 for three (3) years with two (2), two-year options to renew to deliver security guard and screening services at various sites and facilities countywide. *Contract No. RFP487A* services the Internal Services and Water and Sewer Departments. *Contract No. RFP487B* services the Public Housing and Community Development Department, as administered by the Internal Services Department and the Water and Sewer Department. In an effort to enhance the quality of security services and vendor performance in the delivery of these services, the scope of services for the replacement contracts is being restructured. It is anticipated that an award recommendation for the replacement contracts will be presented to the Board for approval in June 2016. As such, the last six (6) months of the requested 12-month extension will be executed on a month-to-month basis to allow for contract award and transition.

The current contract terms were previously extended administratively by six (6) months under the County Mayor's delegated authority. This procurement is presented for Board approval as a designated purchase because the administration has exhausted its authority to further extend the contract and competition is not practicable at this time; however, the replacement solicitation has been advertised. Accordingly, it is in the best interest of the County to authorize this designated purchase to assure the continued delivery of critical security guard and screening services to County residents.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

Contract Nos. RFP487A and RFP487B are in their final option to renew terms; which expire on February 29, 2016. *Contract No. RFP487A* has an existing allocation of \$51,313,000 and *Contract No. RFP487B* has an existing allocation of \$29,732,000. The requested additional allocation for *RFP487A* is \$20,525,000, resulting in a total modified contract allocation of \$71,838,000. The requested additional allocation for *RFP487B* is \$11,902,000, resulting in a total modified contract allocation of \$41,634,000. The requested additional allocations under both contracts are based on anticipated usage and estimated needs.
